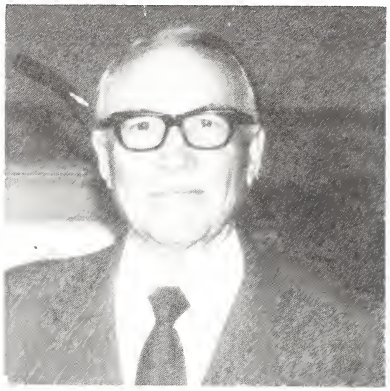
DEDICATION



Reverend Forest Paul Blankenship
West Asheville Baptist church

Forest Blankenship was born September 22, 1912 in Graham County, North Carolina. He felt the call to preach as a boy and carried a New Testament in his pocket to school. He would often be found by his playmates somewhere alone reading instead of playing.

Forest attended Fruitland Bible Institute and graduated from Mars Hill College. He started preaching in December 1935 in Swain County, North Carolina. He was licensed and ordained by Mount Carmel Baptist Church on April 23, 1936.

The ministry of Forest Blankenship covered forty-one years in the active pastorate. He held revivals from Murphy to the coast of North Carolina and from south Georgia to the Virginia line. Following retirement his work included supply pastor, revivals, study courses, and Bible studies. He served eleven years as an interim pastor following retirement.

Forest married Mary Pauline McCoy of Macon County. Children are Reva B. Cable of Canton, North Carolina; Carolyn R. Hipps of Leicester, North Carolina; Dr. Robert J. Blankenship (pastor) of Harlem, Georgia; Peggy J. Shepard of Forest City, North Carolina; and Dorcas M. Hedrick of Lenoir, North Carolina. He is survived by ten grandchildren and one great grand child.

Pauline, his devoted wife who preceded him in death in 1991, was a constant companion and teacher with a strong heartbeat for missions and music. After an extended illness, Forest went on to glory June 15, 1994. He was a member of West Asheville Baptist Church. Forrest Blankenship was well known and loved by all. He was full of zeal for the gospel and missions. His life was characterized by prayer and sacrifical giving.

DEDICATION

Reverend Carroll Ray Cagle
Pole Creek Baptist Church

Carroll Ray Cagle was born August 12, 1935 in Buncombe County. He grew up in the Bent Creek community; and as a boy, attended the Reeves Chapel Methodist Church. While attending a cottage prayer meeting held by the Starnes Cove Baptist Church (where Johnnie Tiller was pastoring) Carroll, at the age of 12, made a profession of faith.

Carroll was married to Mildred Webb, who was reared in the Candler area, on November 27, 1953. They have four children, Darlene Woody of Bryson City, North Carolina, Sandra Montgomery and Vicky Montgomery of York, South Carolina and Ray Cagle of Asheville.

After answering the call into the gospel ministry in 1963, he attended Fruitland Baptist Bible Institute. After being called to his first pastorate by the Jupiter Baptist church in 1965, he was ordained by the Bent Creek Baptist Church August 15, 1965. He served Jupiter Baptist Church for two years. He was called to pastor the Blantyre Baptist Church in Transylvania County from 1967-1969. He then pastored Asheville Street Baptist Church in Morganton in late 1969 before moving to Fairview Baptist Church in 1970, where he pastored for three years. In the spring of 1976, he became pastor of Pine Grove Baptist Church in Clover, South Carolina until 1980 when he moved to Beverly Hills Baptist Church in Rockingham, North Carolina. Moving from Rockingham to Wadesboro in 1985, he became pastor of Mt. Beulah Baptist Church until 1988. After a bout with heart attacks and open heart surgeries, he was placed on disability. Moving home to Asheville in 1989, he was able to preach occasionally as his health would allow.

Carroll had an evangelistic thrust to his ministry and churches grew under his leadership. On one occasion, in a revival meeting in Rockingham, there were 25 professions of faith and baptisms.

Carroll went to be with the Lord on March 24, 1994.

DEDICATION

Reverend Orlando Hawkins
Weaverville First Baptist Church

Orlando Hawkins was born in Buncombe County June 25, 1913 and grew up in the farming community of Turkey Creek. After graduating from French Broad High School in 1933, he made a public profession of faith at Turkey Creek Baptist Church. He married Grace Taylor on August 19, 1937. They have one son, Phillip, who was born November 19, 1946, and lives in the Weaverville area.

After serving in the United States Army, he moved back to Weaverville in 1946. He was elected Sunday School Superintendent of Weaverville Baptist Church. The joy of this ministry was to leave home early on Sunday morning and pick up everybody he could to go to Sunday School. Many evenings were spent visiting from house to house with his pastor. By 1953 he felt God calling him into the gospel ministry. Middle Fork Baptist Church in the French Broad Association called him to be supply pastor and Weaverville Baptist Church licensed him in May 1956. After on a few weeks, they elected him as their pastor and Weaverville Baptist church ordained him in May 1957. While working as manager of Beaumont Furniture Store in Asheville, he attended Seminary Extension classes at night. His wife and son said, "We hardly got to see him," but he was faithful to his employer who permitted him to study on the job as he was preparing for the gospel ministry. After serving Middle Fork for three years, he moved to the Gabriels Creek Baptist Church near Mars Hill. In 1981, he retired after 21 years as pastor at Gabriels Creek Baptist Church. He was then asked to serve as supply pastor for Turkey Creek. After a few weeks, they elected him as their pastor. Retiring again in 1986, he had lived these 30 years "totally for leading churches." After a number years of illness, Orlando, died on September 2, 1992.

DEDICATION

Reverend F. S. "Butch" Johnson
Grove Stone Baptist Church

Butch was raised in the Methodist Children's Home in Jackson, Mississippi. At age sixteen, he went to live with Sheriff and Mrs. Jim Adcock in Kemper County, Mississippi. After graduation from DeKalb High School, he attended Millsaps, Bob Jones, and Lenoir-Rhyne Colleges, and Southwestern Baptist Theological Seminary in Fort Worth, Texas.

During high school days, Butch's dream was to go to college on a football scholarship and study law. Apparently, the Lord had other plans. In the last game of the season, Butch's leg was badly broken. So, that ended the scholarship. At a spring revival meeting in DeKalb, he was saved and soon answered the call to preach.

Butch's calling seemed to be that of an evangelist, although the Lord used him to revive and build up many flagging congregations. He was a good preacher, pastor, and Bible teacher. He stayed as true as he knew how to his first promise to God" "I'll preach the Word as it is and not trim it; and, I'll go where you want me to go."

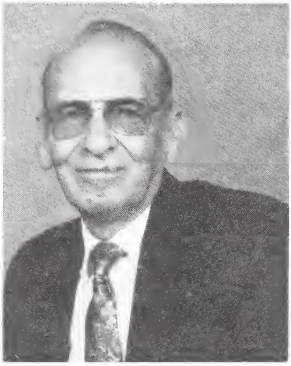
He served churches in Oklahoma, Missouri, North and South Carolina, and Florida. His most recent pastorate was at South Asheville Baptist Church. He did short-term missionary work in North Dakota, Israel, and Honduras.

Mrs. Johnson is the former Roxie Belle Parker of Florence, South Carolina. They met at the seminary. They have four children and five grandchildren.

After a lengthy illness, the Lord called Mr. Johnson home. He is now breathing celestial air with good lungs, and walking the golden streets without a limp.

"Well done, thou good and faithful servant. Enter into the joy of the Lord."

DEDICATION



Reverend Warren M. Reece
Grove Stone Baptist Church

Warren M. Reece was born September 7, 1921 at Alexander, North Carolina. He married Ruby Rogers of Weaverville on November 22, 1954. They had one daughter, Patricia Gail Clubb, of Leicester and one son Warren Reece, Jr., of Swannanoa. Gail has three sons and Warren has a daughter and one son of which they were very proud.

He served his country in the United States Army for three years of which two years were spent in Europe. His call to ministry was a call to preach God's word which he did without compromise. His messages were straight from God's word which he loved dearly, pointing the way to heaven through the blood of Jesus Christ. He served his Lord, his family, his church, and his community well.

One of his greatest characteristics is that he was an example of Christlikeness. He was faithful in whatever area of service he could be a part of.

Due to declining health, he had to retire from the ministry in January 1981. After being homebound for about five years, he was so wonderfully blessed by the Lord that he was able to go to church the last seven and a half years of his life.

He, along with Ruby, joined Grove Stone Baptist Church in Black MOuntain in 1986 where he served in so many ways. Unless sickness prevented him from being there, he was at all the services. When asked what he had to be thankful for, he never failed to say the church family. On February 17, 1994, the Lord called him home. He was one of the most wonderful husbands, father, and grandfather any family ever had. He practiced every day just what he preached. Our loss is heaven's gain.

DEDICATION

Reverend Nane Starnes
West Asheville Baptist Church

Nane Starnes was born November 24, 1904 in a large Victorian farm house on Haywood Road in West Asheville. His house was built by his father in 1888.

He received his early education in the Asheville City Schools and his high school education at Fruitland Baptist Bible Institute, which at that time was a private Baptist high school. His undergraduate studies were done at Union University, Jackson, Mississippi. While a student there, he worked for the Sunday School Department of the Tennessee Baptist Convention as a summer worker, teaching study courses. He graduated from Southwestern Baptist Theological Seminary, where he served as a teaching fellow in the School of Religious Education. After completing his seminary degree, he returned to Asheville and became pastor of three rural churches, Chunn's Cove, Hominy, and New Morgan Hill. He returned to Texas at this time and married Miss Teanie Mae Reed, graduate of Baylor and Southwestern Seminary and a member of the staff of First Baptist Church, Austin, Texas.

On March 16, 1936 he was called as pastor of West Asheville Baptist Church where he served for 35 years. He was a member of the executive committee of the North Carolina Baptist State Convention, the Board of Trustees of Wake Forest and Mars Hill Colleges, and served two years as president of the North Carolina Baptist State Convention.

After retiring in 1971, he and Mrs. Starnes volunteered to the Foreign Mission Board. They served a term in Misawa, Japan where he pastored Calvary Baptist Church, an English-speaking church.

After returning to Asheville, he did much interim work in the churches and labored diligently with the committee that brought the Western North Carolina Baptist Retirement Home to Asheville. West Asheville Baptist Church later gave him the title of Pastor Emeritus.

Nane experienced a long debilitating illness, Parkinson's disease, and died on July 30, 1994. He is survived by two sons, Lee Connor Starnes and Reed Nane Starnes. Mrs. Starnes preceded him in death in 1991.

Director of Missions Report
Gayle D. Brown, Director

Buncombe Baptists are moving toward the year 2,000. It is hard to believe that is only 5 years away! As we begin to close out the 1990's and enter a new century, Buncombe Baptists face many challenges and opportunities for ministry and service.

It is extremely important that Buncombe Baptists stay focused on our mission. What is that mission - to share the gospel of Jesus Christ at home, across the state, nation, and world.

This past year much has been said about "Here's Hope--Share Jesus Now." This evangelistic and witnessing opportunity is a national effort to lift up Jesus Christ by proclaiming the good news - "There is Hope in Jesus Christ." Every church in the Buncombe Baptist Association needs to be a part of the "Here's Hope" witnessing and revival meetings.

Over 700 people have been involved in hands-on ministry and missions through the association this past year. Thousands of lives have been touched through the gospel message that has been shared from the pulpits, in the marketplace, prisons, mission trips, Vacation Bible Schools, New York, Ukraine, Flea Market Ministry, Rest Area Ministry, and Mountain State Fair.

There have been equipping and training sessions that involve children, youth, and adults in all areas of church programs. Children's Choir Camp, RA/GA missions camp, softball teams, and other opportunities have enhanced fellowship among Buncombe Baptists throughout the county.

"Listening Sessions" are being held in the nine districts of the association to hear what the needs are in the churches of the various communities. The association is a vital resource to help meet some of those needs.

The balance on the Buncombe Baptist Resource Center stands at $233,000. We are working to pay off the debt as soon as possible to save interest money. If you would like to make a contribution please contact Barbara Wright, our financial secretary. She will work with you to arrange your contributions to meet your needs.

Thank you for your regular contributions and support to the budget of the association. It is the "lifeblood" for missions in Asheville and Buncombe County.

CHURCH AND COMMUNITY MINISTRIES REPORT
Carolyn Johnson Charles, Director

1994 has been a busy year in Church and Community Ministries-- a year of continued ministries and the beginning of others. Some of the ministries in which I have been personally involved include: Leading the study, "Making Peace With Your Past" at our Baptist Maternity Home, serving on the United Way Allocation Committee, serving on the Child Abuse Prevention Committee, participating in a World Missions Conference, leading studies at Ridgecrest, and participating in several "Church Breaking Out Conferences."

This year we had three mission teams in Asheville, two leading Mission Vacation Bible Schools and one leading a VBS and doing repair work at the Maternity Home.

New ministries in which we were involved included reorganizing a Multi-Family Housing Committee and Singles Committee. We also now have an Associational Missions Development Council to assist churches in training in Church Missions Development.

In JANUARY, we completed work with the Angel Tree project serving 240 children of inmates' families in Asheville. We began promotion and awareness for the "Hope for Hurting Humanity" emphasis for the summer of 1994. I also participated in the NC Baptist Men's Convention regarding Hope for "Hurting Humanity" Emphasis.

In FEBRUARY, we sponsored the Church and Community Ministries Volunteer Appreciation Dinner at Asheville FBC. Approximately 20 people attended. Slides were shown of local missions work and Gayle Brown was the guest speaker.

The Angel Tree Follow-up Training was led by Dale Little of Prison Fellowship with the idea of sponsoring children to camp during the summer.

In MARCH, about 25 Southern Baptist Chaplains in Asheville and their directors were our guest for a special luncheon. The featured speakers were B.J. McKee, retired Navy Chaplain, and Burke Holland, Chaplaincy and Language Missions Director for the NC Baptist State Convention.

In APRIL, volunteer tutors in Conversational English began an English class for Spanish workers at the Radisson Hotel downtown. The class continues to meet weekly.

The Missions Development Training event was led by Bill and Roberta Goble, consultants for Missions Development with the NC Baptist State Convention. Twenty people from seven churches attended the event. This was a kickoff to organizing the Missions Development Council.

Nearly 2,000 travelers were served at the Easter Rest Area Event. 11 church teams participated, 1,115 people signed the registry, 350 tracts, 250 balloons, and 14 Bibles were distributed, and 782 cups of coffee served.

A new set of videos were presented in Family Ministry entitled: "Hope, Help and Healing for the Family."

In MAY, 10 church teams witnessed at the Rest Area Event on Memorial Weekend. It was a great weekend with nearly 3,000 travelers visiting the booths.

Tour DuPont brought thousands of spectators to downtown Asheville to view approximately 120 bikers on the national biking tour. Volunteers were on site giving out literature and sports Bibles.

In JUNE, I led the Mission Action Training for Acteens in our association. 12 young women from four churches attended. They made salvation bracelets to give at our witnessing booths and teddy bears for children coming to the fair medical/dental van.

12 conferences around the theme, "The Family In Crisis" were held at West Asheville Baptist Church. 20 people attended and enjoyed the excellent conferences and speakers.

A Conversational English Workshop was held at the Resource Center with 17 tutors being trained. The 16 hour workshop was led by Louise Wilmott, our Tutor/trainer for Conversational English and Glenda Reece, Tutor/trainer Consultant with the NC Baptist State Convention.

JULY signifies for us Bele Chere Weekend. This event drawing 300,00 + over the weekend kept us busy serving hundreds of cups of ice water, giving out balloons and providing a diaper-changing station for the public.

A mission team from Grace Baptist in Philadelphia, Mississippi brought 25 adults and youth to lead a day camp at Eliada Home Day Care and a tremendous amount of repair work at the Baptist Maternity Home.

AUGUST was a month of planning for the September fair, singles event, and Family Life Conferences.

I attended Home Missions Week at Ridgecrest and led the evening worship service at Enka Baptist.

SEPTEMBER, what a month! The fair brought coolness in the air and excitement to 300+ volunteers from churches in our association.
Special events included:
--serving dinner to 100 workers the night before the fair opened
--providing refreshments each day of the fair from 9:30 am to 1:00 am the next day
--leading a nightly Bible study/prayer time
--serving breakfast to 40 workers the last day of the fair with a worship service following, 7 decisions were made at the service.

At the Missions Booth thousands of cups of water were served, with 80 Bibles and 1,000 tracts given.
Six boxes of clothes were provided for the workers along with sheets, towels, and 40 blankets.

Singles Fall Picnic

90 singles attended the fall picnic at Big Ivy Community Center in Barnardsville. It was a beautiful fall day. Singles enjoyed volleyball games, lay darts, softball and table games. The evening entertainment was wonderfully led by REASON and special guests..

Family Life Conferences

Five conferences relating to family life including: Rearing Teenagers, A Biblical Look at the Family, Doing Your Best As A Single Parent, Family Finances, and Life After Cancer were held at Morgan Hill Baptist in September. Fifteen people representing three churches attended. The conferences leaders did an excellent job with the hour and a half conferences.

CHURCH DEVELOPMENT ANNUAL REPORT
Dee Shaw Foreman, Director

We Christians are in the same position that Joshua was after the death of Moses. God gave him a position of leadership which would build on a strong foundation laid by Moses. We also build on the foundation laid by those who have gone before us. God's instructions to Joshua apply to us: "Have I not commanded you? Be strong and of good courage; be not frightened, neither be dismayed; for the LORD your God is with you wherever you go." What a stimulant this passage is as we continue to work together in Buncombe Baptist Association.

A quick overview of the last quarter's work gives us some courageous undertakings. The Children's Choir Camp, with Lovey Bigham of Mt. Carmel Church as Camp Director, centered around the musical "The Rich Man, The Builder and The Feast". Barbara Sanders, who is a children's specialist and lives in Nashville, Tennessee, directed the children and gave a training session for the directors. The concert was excellent. This should be a MUST on the calendar for all churches each year. There is NO CHARGE, and the children can be brought by one or more adults.

The Youth Coordinating Committee cooperated with the Mud Creek Association in holding a Youth Crusade for Christ at Hill Street Baptist Church. A mass choir of youth presented a concert on the opening evening with four directors sharing the responsibility of leading. It was a successful first venture together, and we plan for more to follow. A group of interested pastors/staffs meet monthly to find ways of strengthening relationships between inter-racial/ethnic groups. The Reverend John Grant of Mt. Zion Baptist Church is now leading the course of "Evangelism" for our Fall Christian Studies.

Preparation for the fair and carrying out the plans accelerated in August and September. We can bask in the afterglow of this ministry because it is a solid help to those in need of hearing Christ's Good News. The Brotherhood sponsors the Medical/Dental Van and the Disaster Van. The Woman's Missionary Union assists by providing volunteers, cakes, cookies, teddy bears and hygiene kits. The Baptist Nursing Fellowship cooperated by giving blood pressure checks and assisting the dentists and physicians who donated their services to help the carnival workers. Surely, this is a time when we hear, "Well done, thy good and faithful servants."

A number of our people attended the training at Ridgecrest Conference Center the same week that the fair was held. (This complicated matters, of course, but nothing is ever simple.) This sound training will help our churches in the months to come.

The church year of 1993/94 has been an interesting productive one. The basketball league began it, and activities bounced continually just as the basketball did on the court at Biltmore Church. Many administrative tasks were required to make these activities possible. Acteens "clowned around for the Lord", Mission Action/Personal Witnessing training was given, prayer retreats were held, and talent shows/covered dish suppers were held.

Leadership Training Conferences were held for all organizations; Car Competition included ten churches and 72 boys in a wild explosion of energy and vigor under the direction of Royce and Gwenda Phillips of Pole Creek Church. The annual Youth Choir Retreat participants studied the musical "The Basics of Life" by Dennis and Nan Allen. The Retreat was held at Gatlinburg, and the concert was held at Ridgecrest Conference Center. THIS, TOO, SHOULD BE A MUST FOR ALL CHURCHES AND ESPECIALLY FOR THE SMALL CHURCH. The youth have an opportunity to participate in a mass choir and receive a deep spiritual blessing. IT'S FUN, TOO.

The Media-library Committee has provided helpful workshops with the teaching staffs filled by our own librarians who also teach in some of the NC State workshops. The group also attends conferences together. We still grieve the passing of Mildred Thomas who was such an integral part of this work.

Bible Drills are led by Kathy Burris of Grace Church. Training sessions were held for leaders and children. These have been times of fun and learning. EACH CHURCH NEEDS TO TRAIN THEIR CHILDREN IN SCRIPTURE LEARNING AND SPEECH PRESENTATIONS. The value of this training is immeasurable. Vacation Bible School Clinics were held to train the leaders of the local churches. Susie Black of Pole Creek Church led this training with an excellent team.

Reading over this report lets us know why it takes courage and strength to seize the opportunities that the Lord provides. We must not be dismayed. Let us look to the future with anticipation and hope as we follow His steps. May you realize the presence of God through the coming year.

SUNDAY SCHOOL REPORT
Ron Kiser, Director

In a changing world, Sunday School remains a vital force for evangelism, discipleship and ministry. The ASSISTeam of the Buncombe Baptist Association is a valuable resource for making local Sunday Schools more effective. ASSIST is an acronym which stands for the Associational Sunday School Improvement and Support Team. The Buncombe Baptist ASSISTeam stands ready to help any local congregation improve its Bible teaching ministry.

During 1994, the ASSISTeam provided training events to assist local churches. "Outreach in the Sunday School" was taught at the Starnes Cove Church in the fall. An additional outreach conference was taught at Reed Memorial Church in the Spring. A special conference on Bent Creek's 20/20 Outreach Plan was taught during August. A Literature Awareness Conference was taught in the summer session of the quarterly meeting. In addition, our special VBS ASSISTeam taught two sessions of the annual VBS Clinic. Individual ASSISTeam members conducted conferences in several of our churches. The Sunday School Council met in April and September to plan events and share dreams for future ministry. Several members of our Council will be involved in the "Here's Hope" Outreach emphasis next spring.

A study of the Sunday Schools in our Association reveals some patterns. The good news: several of our Sunday Schools are growing. But the bad news is: most of our Sunday Schools are plateaued, and some are declining. Because we are called to reach our "Jerusalem," the ASSISTeam continues to explore creative ways to help all our churches improve and enlarge Sunday School. Possible strategies include:

*Personal contact by the Associational Sunday School Director with all the Sunday Schools in our Association

*Recruitment of additional ASSISTeam members

*District Sunday School Leadership

*Recruitment of an ASSISTeam for those churches using Smythe and Helwys literature

*Questionnaires and/or a quarterly newsletter to inform and encourage

In this changing world, Sunday School still remains one of the most effective means of church growth, fellowship, ministry, and Christian education. We're looking for ways to make our good Sunday Schools even better!

Discipleship Program

October 1993--September1994

Helen Allan, director

This has been a YEAR OF CHANGE for the Discipleship training team. We are adjusting to new ideas and approaches to doing the work. We are following the North Carolina convention's new plan yet retaining some of past. The Discipleship Training director will be refered to as Discipleship Training Supporter. There will be a Co-supporter. We will retain the Children and Preschool director s. Adult and youth will have specialist in various studies, such as in LIFE courses.

There will be strategy teams, composed of laypersons and pastors. From suggestions made by these teams will come the future associational training events.

BIBLE DRILLS have been strong this year. Kathy Burris led the Bible Drill Kickoff held at Grace Baptist Church, followed by the actual drills later in the year. A conference for Bible Drill leaders was held in August to acquaint new leaders with the process and to update experienced leaders in changes.

Twenty Seven children and two youth from our association attended the regional Bible Drills held in Hendersonville. Bible drills along with TeamKID are excellent activities to disciple children.

Maurice Cooper, director of the Disicipleship Training department of the North Carolina Convention came to lead conferences--one to pastors and another to laypersons--on ministry to homebound in March. Approximately 70 persons attended.

The associational Discipleship team went to Caraway for updating on events and materials for the coming year.

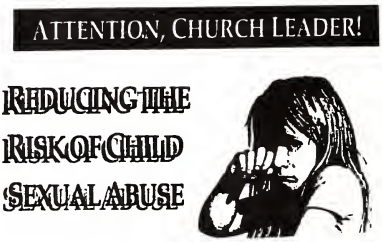
And about protecting your church.



WOMAN'S MISSIONARY UNION REPORT
Martha E. Hicks, Director

Woman's Missionary Union in Buncombe Association has had a good year. In October 1993, we were host to an International Student State Retreat at Mars Hill College with approximately 100 students present. Dot Blankenship, our Mission Action/Personal Witnessing Director, coordinated this event. It is always good to mix and mingle with students from other countries.

In November, we observed the Baptist Women's World Day of Prayer in each of our nine districts. We had good attendance and a good offering. The offering goes to the women's work of the Baptist World Alliance. Your Director was the speaker for this occasion in the Carolina Association at the First Baptist Church of Flat Rock. Also in November, Foreign Missions studies were held in the churches.

In December, we collected items and prepared Christmas boxes for the Women's Correctional Center at Black Mountain. Sixty boxes were delivered and several ladies presented a Christmas program. A good time was had by all. December was also the time for the Week of Prayer for Foreign Missions and the Lottie Moon Christmas Offering in the churches and there was good response from these.

The theme for this year was SERVE IN CHRIST'S NAME--living a life committed to missions. The Associational WMU Council met each quarter for planning and evaluation of our work.

In January, February, and March 1994, we had Home Missions studies in the churches and observance of the Annie Armstrong Easter Offering. On March 26 at the Resource Center we had a Mission Action/Personal Witnessing Seminar on "Hope for Hurting Humanity--Sharing God's Greatest Gift". This was taught by Michael and Suzie Hester, Southern Baptist missionaries on furlough from Spain. This prepared us for the simultaneous time of Mission Action/Personal Witnessing events in our association when each church decided on a project or projects during June 19-July 31, 1994 to meet the needs of hurting people in each community.

April was an activity-filled month. The Mission Extravaganza led by the State WMU was held attended by Buncombe Association leaders. We had a good Associational WMU Annual Meeting with Mildred McWhorter, retired home missionary, as speaker. Martha Hicks and Teena Strange were presented a plaque for their six years of service as WMU Director and Associate Director. Both were unable to be at the meeting because of illness but received it later at the associational office at a luncheon with the staff given by the WMU ladies of Weaverville First Baptist Church.

May was the month for key leadership conference at Ridgecrest and June was a month of summer activities.

We have six active organizations in WMU--Baptist Women, Baptist Young Women, Acteens, GA, Mission Friends and our newest one--Baptist Nursing Fellowship. They have organized and have had many good events. Each organization has associational-wide events during the year. GA and Acteens meet once each quarter.

Events such as a banquet "Clowning around for the Lord", covered dish and talent show, mission action training and doing mission action projects. Mission Friends leaders, BYW's and Baptist Women have at least one retreat or activity each year. "Filling--Indwelling of the Holy Spirit" was the emphasis for the Baptist Women Retreat held at The Cove. Ellen Johnson was the teacher.

Quarterly leadership conference emphases were:
January - Home Missions
April - North Carolina Missions
July - Foreign Missions

Mission Action/Personal Witnessing highlights for the year include:

Seminar with Michael and Suzie Hester
Provided lunch each Monday for the BSU at UNC-A and made care kits for the UNC-A infirmary
Prepared 60+ Christmas boxes for the Women's Correctional Center at Black Mountain, Juvenile Detention Home, Western Carolina Rescue Mission/Martha Home, Baptist Maternity Home and Juvenile Evaluation Center
Served as volunteers to the Mountain State Fair, prepared hygiene kits and teddy bears for the medical/dental van, provided cakes, cookies and drink mix for the break tent
Sponsored visitation services for prison inmates
Sent cards, gifts, and needed materials from time to time (especially on special occasions) to the wife of a Church Planter in New York State
Served in many other areas such as ABCCM, Homeless Shelter, Western Carolina Rescue Mission and Martha Home, Meals on Wheels, nursing home ministry, child care services such as Mothers' Day Out, Baptist Maternity Home, Broyhill Children's Home, Baptist Retirement Home, flea market ministry, Angel Tree at Christmas, rest area ministry, campground ministry,
Bele Chere diaper-changing booth, giving cups of water and balloons
Made salvation bracelets
Taught non-readers and language groups to read

New materials and leader titles for WMU throughout the SBC will be changing in 1995. Let's learn about them this year and be ready next year for the changes. Our theme for next year is A TIME TO GROW and our watchword is "May the Lord make your love for one another and for all people grow more and more" (I Thessalonians 3:12a TEV).

Martha Hicks has agreed to serve as WMU Director for the coming year. Please continue to pray for her and other members of the WMU Council and they lead us in involvement in missions opportunities.

God bless all of us as we strive to be "Great Commission" people.

BROTHERHOOD REPORT
Wayne Higgins, Director

This year has been another rewarding year concerning the ministry of Baptist Men and Royal Ambassadors. The men and boys of our Association have involved themselves in a variety of missions activities. Also, the Associational Brotherhood Council has been active in planning and promoting various mission activities. During the year, six regular planning meetings were conducted in which specific plans were made and carried out concerning mission activities. Also, several regional breakfast meetings were held and an annual training meeting was conducted on September 19, 1994. During the year, many men and boys have attended various training meetings which were sponsored by North Carolina Baptist Men or the Association.

Again this year, the Association Brotherhood has led in many mission activities and projects. Following are some of the activities:

1. The Fair ministry was very successful this year. There were a lot of changes to the structure of the Fair; however, our ministry continued to be basically the same. We had wonderful cooperation from the State and specifically Mr. Bill Edmondson. We know that at least seven persons accepted Christ as their personal Savior. We praise God for what He is doing and the great things happening with this ministry. Also, we would like to thank all the volunteers that very definitely helped make this a successful mission project.
2. As mentioned earlier, we had several breakfast meetings. These meetings enabled us to get together as men and boys and exchange ideas and suggestions on how we can better serve our community and carry out God's plan to reach the world. Also, we have great fellowship and we are able to get to know other men and boys in our Association.
3. We continue to support the rest area and flea market ministries. These continue to be a wonderful way to reach out to the world and participate in marketplace ministry.
4. Several of our churches participated in Baptist Men's Day which was held on January 30, 1994.
5. The Royal Ambassadors were involved in many activities which are outlined in the RA report. We appreciate very much the wonderful job that Steve Harris and his committee are doing with our boys. Once again this year, the RA Camp was a highlight of the year. This program provides our boys an excellent opportunity for spiritual growth.
6. Activities were planned and carried out for High School Baptist Young Men which included a basketball league. This organization will be changing this year and will again become a part of the RA program.
7. Members of our Association Brotherhood Council attended several training meetings.
8. Many of churches continue to be involved in home and foreign mission projects.
9. The disaster relief area, which is directed by Julian Lanning, has provided training this year and also members of the team have participated in disaster projects. Several men have been to Florida and the midwest in the past couple of years assisting with disasters.

The Lord continues to provide us with many opportunities to serve and we are very thankful that our men and boys have responded to His call for service. I encourage all of us to ask God where He would have us serve. If we are willing, we most definitely will be called. Again, I would like to thank all of our men and boys for what they are doing for Christ and for their support of our Association mission projects. We look forward, with great anticipation, to next year and the many exciting opportunities which will provide us to serve Him and others.

RA MISSIONS CAMP 94
Steve Harris, Camp Director

The mission camp returned to its roots in 1994. In the summer of 1979 the RA Camp was begun at Camp Truett in Hayesville, North Carolina. This year marked fifteen years of RA Camp work through Buncombe Baptist Association and a return to Camp Truett.

The camp has grown through the years and is a great way for children to learn about missions and God. The mission emphasis was accomplished through missionary speakers which provided firsthand reports from the mission fields.. There is also Bible teaching each morning which helps the campers grow closer to God and understand Him better.

The worship service each evening is a highlight of the camp. Through songs and skits the worship service is a joint effort of all who are present. The message each evening is brought by the camp pastor. This year, twelve made first-time decisions with many rededications.

I thank God for a dedicated staff of volunteers who give of themselves faithfully each each year to provide a great camp experience.

God has blessed the camp program of Buncombe Baptist and may He be praised for all that has been accomplished.

The camp will return to Truett Baptist Camp next year on July 31-August 4, 1995. Please be in prayer for this camp and encourage attendance through your church.

MUSIC COUNCIL REPORT
Mike Adcock, Chairman

We have had a very productive year this past year in the music ministry of the association. We have seen an increase in attendance at associational music events, music council meetings, and have made exciting plans for the future.

It has been exciting to see more churches participating in our musical events. There also has been an increase in attendance of music directors at council meetings. There also has been more cooperation among many of our churches for music projects outside the associational music events. These were two of our goals last year and we are pleased to see positive results.

This past associational year, we have enjoyed the Youth Choir Retreat in Gatlinburg, Tennessee and the Children's Choir Camp. We also have participated in several council meetings. We are excited about the Adult Choir project this month.

It is with great anticipation that the music council announces the following dates for the 1994-95 calendar. Pastors, music directors, and other church leaders, mark these dates on your personal and church calendars. MEDIA-LIBRARY ANNUAL REPORT
Kathryn Kinser, Director

A GREAT TIME WAS HAD BY ALL! Some of the church media-library workers made th trip to Hickory Grove Baptist Church in September for a workshop led by Floyd Simpson. The workshop was sponsored by the North Carolina State Media-Library Department. Chuck Sprinkle drove the Pole Creek van and gave his usual patient attention to his passengers. We appreciate his work and the church for allowing the use of the van. This trip culminated an excellent year for Media-Library work in the Buncombe Association. The theme has been "Focus on Service" and all the functions have been arranged to assist the workers in giving the best service possible through the media centers.

Joy Ramsey continues to work with the media at the Resource Center. This work requir time and patience, and Joy gives both.

The Media-Library Committee held an open house for the pastors, gave a workshop wi sessions on book repair, processing and cataloging, sent Sandi Sprinkle as a leader in the state workshop at Caraway, and went as a group to the state workshop at Caraway.

As always, we requests your prayers and interest as we continue to expand the services of th Media-Library.

YOUTH COORDINATING COMMITTEE
Billy McGill, Chairman

Realizing the importance of Christian nurturing, fellowship, and cooperation in ministry, the Youth Coordinating Committee seeks to provide opportunities for these things to occur. Presently our focus is a spring and fall event that address most or all of these ministry concepts.

In March, we were pleased to have the Covenant Players as our guests at West Asheville Baptist Church. This included a pizza fellowship time. Youth attending were encouraged to get to know other youth from around the association and were then challenged with drama from the Players that provoked thought in "how to give away your faith." The Covenant Players are an international drama team well respected in Christian circles.

Our fall event was a cooperative effort with the Mud Creek Baptist Association. A youth crusade was held in August at the Hill Street Baptist Church that featured a mass youth choir each evening. A pizza lunch and choir rehearsal preceded the crusade on Saturday before services began. Not only did this event promote church-to-church cooperation, it also helped to cross cultural and race barriers to give youth a stronger sense of God's universal love for all men.

Currently the Youth Coordinating Committee is looking to expand the involvement of associational youth leaders in an effort to provide a service type of ministry for the Spring of 1995. The committee believes that this kind of ministry action will be well received and become a regular event for the associational youth.

As always, the YCC invites all youth leaders, paid staff or volunteer, to attend and become involved in the quarterly committee meetings and subsequent ministry to our youth/

I am grateful for the hours of planning and work from all involved in these events and also for the input, support, and guidance from Dee Foreman at the associational at the Resource Center office.

CHRISTIAN STUDIES COMMITTEE
Wesley Pike, Chairman

The Winter of '94 took its toll in many areas--many meetings had to be canceled because of the cold weather. The Winter/Spring course "Coming to an Understanding of God" was canceled.

The Christian Studies Committee is evaluating the future of the Christian Studies in Buncombe Association asking how to meet the needs of the churches. We would like to hear from the pastors about this. Can we offer a course in and for your own church? Would you be willing to allow interested persons in the Association to attend?

We ask for three things. First, will you pray for us as we search for ways to serve you? Second, pastor, will y9ou let us know how we can be a resource for you and your congregation? Third, don't give up on us. God has a plan and purpose for Christian Studies.

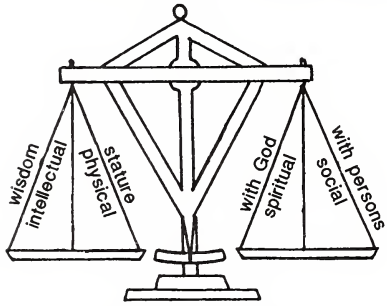
The Christian Studies course for the Fall was "Evangelism" and was taught by Reverend JOhn Grant of Mt. Zion Baptist Church. Nine students were enrolled.

This was a most timely course since the "Here's Hope--share Jesus Now" Revival Services are scheduled in our Association in the Spring of 1995. John Grant is an excellent teacher and led the students in exploring all the areas of evangelism including using the church programs in outreach. A vital part of the course was instructions on personal witnessing and follow-up for new converts.

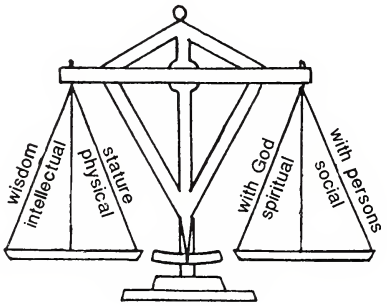
No course has been scheduled for the Spring of 1995 due to the simultaneous revival services. If you have a particular course you would like taught in your church in the Fall of 1995, please let us know.

BAPTIST STUDENT UNION AT UNC-A
OCTOBER 1994

Joe David Fore, Baptist Campus Minister
Joy Jones, Associate Campus Minister



Do you ever feel as though you have little, or no control
...over life?...your choices?...your freedom?...your sense of selfness?
Does it seem impossible for you to keep your balance when
everyone else seems to be able to maintain theirs?
(what with school, work, family, friends, and even God wanting something from you?)
IT'S TOUGH!!!!! RIGHT?? RIGHT!!!!
Need some help? Support? Understanding? Encouragement?
The Bible says in Luke's Gospel chapter two, verse two that ". . . Jesus grew in wisdom, in stature, in favor with God and men." In other words, Jesus had, and maintained, a good healthy balance in His life.



Yes, even in spite of all things that seek to knock you off balance--it is possible for you to have balance in your life! HOW?

Through Bible study, individual and group worship experiences, mission opportunities, fellowship activities, and creative expression.

You just introduced yourself to Baptist Student Union. Today's college or university can be a very lonely place; and, thanks to Buncombe Baptists, you help provide a place and ministry that takes away a lot of the loneliness. The intentional work done by Baptists at UNC-A has led to the creation of other mainline churches such as the Methodist, Presbyterian, and Catholic campus ministries. These are exciting days for Baptist Campus Ministry as we continue to grow in numbers, as well as activities.

The UNC-A Baptist Student Union experienced a positive and growing year in many areas during the 1993-94 academic year.

Attendance and involvement by students remained at a good number during both semesters, and the number of students involved as leaders increased.

The Monday lunch program continues to be an important part of the ministry, and the WMU groups who provide this are greatly appreciated. Although the main weekly meeting is not held at this time, as it was when the lunch program began, it is now a special time of fellowship and an opportunity for the students to invite friends who might not attend a meeting. This gives the students an extra avenue for outreach. Another benefit is that it gives students who have a class on the evening of the BSU meeting an opportunity to be involved on a weekly basis. One such student who kept involved because of Monday lunch applied for student summer missions and served as a counselor at Camp Caraway this summer. Another regular at Monday lunch was a married student from Hendersonville, son-in-law of a pastor, who was not able to be involved in the total program due to his commuting and work schedule. He appreciated the weekly meal, the opportunity to fellowship, and the encouragement provided by Buncombe Baptists. He was able to assist the BSU sign up students on campus for a blood drive.

In addition to the student who served at Caraway, we also had a Mundo Vista counselor involved in summer missions. The students donated and raised funds to make a pledge of $500 to the summer mission program. Raking leaves was one of the fund-raisers, and this project had the added benefit of providing a helpful service to several folk from our churches, many of them elderly.

Other projects during the year included a festival for children which was announced to the churches, a ministry at a housing project led by a student in a semester work-study provided by the state convention, nursing home visits, a weekly Bible study led by a student, and providing child care at a nutrition program at the Social Services building.

The BSU made more effort to be involved on the campus to increase awareness of our presence and to be actively involved with the university. They participated in Greenfest (an ecology project), the blood drive, and campus organizational meetings. A new ministry of providing "care packages" for the Health Service on campus was begun. With help from WMU groups, cough drops and other items were included with a "get well" note and the BSU phone number offering further assistance. The BSU also sponsored a Christian concert on the campus during fall semester as a means of witness and outreach.

As we continue to minister through BSU on the UNC-A campus, it is the individual student and how BSU touches him/her which continues to be a blessing. Early in the year, a freshman made the comment in a prayer group that he was thankful to find a group where he felt accepted and appreciated for who he is. A girl coming from a family in turmoil spoke more than once during the year of the help and strength that she had found in the BSU community. A parent shared during a phone call that their son had been stressed and unhappy until he became involved in BSU, where he found Christian fellowship and opportunity to serve. These students and others have emerged as leaders and developed skills which will benefit them and the churches in which they are involved. It is exciting to provide this ministry to students at a crucial time in their lives.

ASSOCIATIONAL STRATEGY PLANNING COMMITTEE
Ron Kiser, Chairman

We live in a slogan-filled society. If I were going to develop a slogan for our ongoing Associational Strategy Planning, my suggestion would be "A winning witness in a changing world."

On June 3-5, about 20 associational leaders met at Broyhill Inn in Boone to evaluate six months of research by five committees, and to move toward the establishment of our associational mission objectives to carry us to the end of this century. The fellowship was sweet, the food was good, the research was well done, and the evaluations were honest. And the slogan I just shared, "A winning witness in a changing world," summarizes what we discovered as we labored together.

Though the population base of Buncombe County is stable, we do live in a changing world. According to information we received at the ASP Retreat, only 14.7% of our homes are traditional families, with the husband at work, the wife at home, in a first-time marriage. Many local companies now have a seven-day work week. About 40% of Buncombe County's population lives in multi-housing units. We have one of the highest rates of child abuse in the state. With over 40 different religious groups in our community, and hundreds of churches, Baptists are just one religion voice in a multi-cultural community. Of our 93 churches, 42 shows a ten-year decline; 13 show a ten-year plateau. Our churches are aging; and like the national trends, many of our churches are not reaching baby boomers and baby busters. Add to the changing demography of our county the changes in society and morality, with political correctness as a way of life, and the antagonism towards Christianity exhibited by parts our society, and you can see that our world really is changing.

The world of our denomination is changing. Many churches on both ends of the theological spectrum and in the middle are expanding their mission support to include more non-SBC entities. Groups receiving support range from AWANA and Mid-America Seminary to Richmond Seminary and the CBF. In many of our churches across this state, unified mission support to one Southern Baptist cause is a thing of the past. As we speak, new alignments between state

conventions, churches and the agencies of SBC are beginning to take place. In this ever changing environment, many pastors are feeling frayed, and in need of support from brothers and sisters in the Association. Many churches are struggling to establish identities, in the face of denominational changes. It is a changing world, even in the SBC. But this changing world provides a glorious opportunity for witness for the Lord Jesus Christ.

I'm a Civil War buff who really enjoyed Ted Turner's recent movie, "Gettysburg." If you saw that movie, you may recall the scene from the second day's battle, when Col. Joshua Chamberlain of the Twentieth Maine said to his troops, "We cannot survive another Rebel charge. We've lost two thirds of our men; we are out of ammunition. Fix bayonets! We're going to charge." That charge saved the Union left, and won Chamberlain the Congressional Medal of Honor.

The feeling I got from our ASP Retreat was: the social and moral situation around is desperate. People need the Lord. And though our resources are limited, our God is not. "Fix bayonets, we're going to charge!" We face a glorious opportunity for a winning witness to a changing world.

Specifically, our preliminary objectives include the following:

*Explore and expand new work. We want to examine the needs for new work, which includes the establishment of traditional and non-traditional churches to reach our community for Christ, particularly in areas of new growth) and the establishment of work among ethnic groups and in the area of multi-housing.

*Strengthening families. We want to expand and enlarge the ministry we do in our churches and our association to help single-parenting, blended families, child care, marriage enrichment, and other means of Christian education and social ministry aimed at helping families in transition, as well as those which are stable. We want to emphasize family in our association, and be a resource for churches that seek to provide expanded and improved family ministry.

*Mission Volunteerism in Ministries. We want to assist our churches enlarge the number of persons doing "hands-on" ministry in the local church, the community, the association and the denomination.

*Become a "user-friendly" association. Though we believe we have an excellent association, we sense the changing times demand that we become more "needs-oriented" and less "institution-oriented." To that end, we want to look at our association's organizational structure, facilities, committee and staff structure, and work to create an Association that does an even better job of enabling churches to fulfill their missions.

*Strengthening existing churches. These changing times place a great demand on pastors, staff and churches. We want to provide more pastoral care for pastors and staff members, while enabling our churches to evaluate their ministries and their communities, and establish mission statements and plans, under the Holy Spirit's direction, that will allow them to serve Christ effectively. We also want to continue to provide quality leadership training and resources as we

assist the churches in fulfilling their individual missions. A new birth of evangelism is a grea need in many of our churches. We want to provide resources to help our churches reach the los for Christ.

These objectives are just preliminary. Committees were appointed at the retreat to study eac objective, and refine it. You will be hearing from our committee as we seek input from pastor and other church leaders. Out of this study will come the objectives, goals and plans that wil guide us into the future.

I would add that Henry Blackaby's philosophy "see what God is doing, and plug into it" was guiding force as we prayed and planned together. We do not want to just come up with a set o plans so we can say we have them. We want to find out what God is doing in our community an in our churches, and plug into it. We want to have a winning witness in our changing world.

Pray for the ASP Committee. Give us your input. Help us by serving God where you are Together, Buncombe Baptists can have a winning witness in a changing world.

BIVOCATIONAL MINISTERS
Don Fox, President

The Bivocational Ministers' Conference has been very active this past year. We have bee meeting once a month at various locations throughout the county. We have met at various churches, The Baptist Retirement Home, Craggy Correctional Center, and the Buncombe Baptist Resource Center. The normal meeting night is the third Tuesday of each month at 7:00 p.m. with a fellowship meal included. In addition to this meeting, we are also meeting on the fourth Tuesday of each month at the Rickman Nursing Care Facility (located at the Baptist Retirement Home) and singing the gospel up and down the halls and throughout the building. We also hosted the first annual Western North Carolina Bivocational Ministers' Conference at Ridgecrest Conference Center. There were churches represented from throughout the state and it was such a success that it is scheduled yearly. We also have a special program at each monthly meeting which is always helpful information and/or encouragement for the pastors. This includes Christmas parties, picnics and various guest speakers.

For this coming year, we are looking forward to growing in fellowship and number. But, most of all, God is using the bivocational minister in a special way and we want to continue to put God first and lift Him up above all things.

Our last year's president, Cecil Hopps, pastor of Corinth Baptist Church, was elected president of the state bivocational ministers. On November 18-19, 1994, the second annual Western North Carolina Bivocational Ministers' Conference (and spouses) was held at Ridgecrest Conference Center. All bivocational ministers and spouses were encouraged to attend this conference which featured a mini concert with George Beverly Shea and emphasized evangelism in preparation for the 1995 "Here's Hope--Share Jesus Now" revival meetings.

Other program personalities included Dale Holloway, National Consultant with Biovocational Ministers, Home Mission Board; Corbin L. Cooper, Director, Department of Cooperative Ministries, Baptist State Convention of North Carolina; Milton Hollifield, Director Evangelism Division, Baptist State Convention of North Carolina; and Tom Lolley, Area Missionary, Western North Carolina, Baptist State Convention of North Carolina.

We, as bivocational ministers, are praying and planning for even a greater year in 1995 for the upbuilding of God's Kingdom and exhorting our brothers and sisters in Christ. One idea presented thus far is the possibility of a bivocational-led tent revival. Please pray for us on this possible venture.

CHURCH/PASTOR/STAFF RELATIONS COMMITTEE
John Knight, Chairman

The services of the committee were not called for during the past associational year. We stand ready to serve whenever we can assist anyone.

ACTS BOARD OF BUNCOMBE COUNTY
Johnnie Tiller, President

Unprecedented numbers of people hear the gospel via television. With its agreement to share the faith and values channel, the American Christian Television System (acronym ACTS) doubled the number of cable systems carrying its programming. The potential audience increased from 8 million to almost 20 million households. Mail and telephone resonse have come from all 50 states plus areas outside our nation. Some 1994-95 goals for ACTS include:

1. To develop at least one new weekly television program on ACTS and FamilyNet designed to touch families where they are in their day-to-day lives.

2. To explore the needs of young people and children for positive, constructive television programming as an alternative to the violence and sex so prevalent in network television and offer it on ACTS and FamilyNet as well as to independent television stations.

3. To expand ACTS to reach 25 million homes by the end of the year and to increase Nielsen ratings to indicate greater penetration into the available market.

On the local scene, our Buncombe Baptist Hour is carried by TCI and Crown Cable under the name "Southern Baptists Today." These two cable outlets also carry programs produced by local churches.

We are sad to report that the Agape Christian Network (ACN) with its low-powered station in Weaverville has gone out of business. Let us pray that the Lord will continue to work and that His will might be done concerning sending out the gospel by way of television here where we live.

JOHN G. HICKS SCHOLARSHIP FUND REPORT
Shirley McIntosh, Chairman

The John G. Hicks Scholarship Fund Committee in conjunction with the North Carolina Baptist Foundation receives and disburses scholarships to Buncombe Baptist students who attend seminary. All scholarships are based upon the availability of money in this fund. Therefore, it is important that this fund receive as much support as possible.

This year the committee was pleased to award scholarships in the amount of five hundred dollars to two students who entered seminary.

Church leaders, would you please consider placing an amount for this fund in your church budget so we will be able to help the young men and women from our association in pursuing their education in Christian ministry in a greater capacity. Perhaps a special offering would be in order.

MULTI-ETHNIC CHRISTIAN FELLOWSHIP
Edgar Ferrell, Chairman

This committee was reactivated two years ago by the feeling of our associational leadership tha there was a need on the part of Buncombe Baptists to participate in a planned effort towar reconciliation and fellowship with the Black Baptists of our county. Although other ethni groups have become a part of the committee concerns, our beginning efforts have come to focu on our need to become better acquainted with the people of Buncombe County churches of th Mudd Creek Associa- tion.

The initial meeting between the leadership of both associations has grown this year into monthl meetings with black and white church leadership to identify ways to accomplish our shared goal of reconciliation and fellowship. Structure of the combined effort has come about with Reveren Buddy Corbin of Buncombe Association and Reverend L. C. Ray of Mud Creek Association nov serving as co-chairmen. The monthly meetings led by these two fine pastors have already resulte in some good planning and implementation of activities involved with members of both black an white churches.

A county-wide joint evangelistic meeting is planned for April 1996 for five nights with Dr William Jones, renowned black pastor of New York City as the preacher. The Thomas Wolf Auditorium has been reserved for this meeting, and the planning for a good week togethe continues . Buddy Corbin will be keeping us informed about the preparation of our churches fo this 1996 highlight. I hope you will be praying that we can speak a Christian message o reconciliation and fellowship in our community.

NAME AND PURPOSE STATEMENT

The name of this union shall be the Committee on Multi-Ethnic Christian Fellowship (formerl Inter-Racial Etnhic Relationships Committee) and shall be initially composed of persons withi the Mud Creek and Buncombe Baptist Association, whose purposes are to promote harmony an unity among all Western North Carolina racial/ethnic communities; develop and implemen discipleship programs for children and youth; enlarge the work of the laity through partnership in mission; and advance the gospel of Jesus Christ, through cooperative evangelistic and ministr efforts.

CHRISTIAN LIFE AND PUBLIC AFFAIRS COMMITTEE
Gail Harding, Chairman

The Christian Life and Public Affairs Committee holds monthly meetings to discuss curren moral and ethical issues of concern and to recommend possible action. We provide informatio and encourage support and/or participation in events such as "See You at the Pole," National Da of Prayer, March for Jesus, and town meetings or public forums of special interest.

Our major avenue of keeping Buncombe Christians informed is through the information page (the yellow sheet) in the monthly associational newsletter. Our sources include, but are not limited to, publications from the American Family Association, Christian Action League, Chuck Colson, Concerned Women for America, Family Research Council, Focus on the Family, Salt and Light from the SBC Christian Life Commission, World Magazine, secular newspapers and magazines, radio and TV programs, pertinent books and studies, and conferences. Copies of pending/proposed legislation and current status reports are secured through our local Congressional offices. It is difficult to reduce the wealth of information to both sides of one page.

Issues requiring immediate attention are announced at the Monday morning ministers' meetings or handouts are provided.

It is difficult to assess the effectiveness of the information page since we have little feedback. Some churches have used the information page as a bulletin insert and some of the material has been shared in Sunday School classes. We are leased that several churches are forming Christian Life committees.

Two major areas of concern during 1994 were the city council proposed ordinance naming sexual orientation as a specific category for nondiscrimination in city hiring and the Equal Employment Opportunity Commission (EEOC) proposed guidelines on religious harassment. Note: In response to public outcry and resulting Congressional action, EEOC has withdrawn their religious harassment guidelines--a major victory for religious liberty.

The Committee has provided information to local radio, tv and newspaper reporters at their request.

It is a privilege to serve the Buncombe Association and the Lord through this committee as we deal with matters of the utmost concern to the family of God and as our nation experiences an erosion of moral values and religious liberty.

HABITAT FOR HUMANITY
Bart Hildreth, Chairman

This year, Buncombe Baptists joined once again with Habitat for Humanity to build a house for an Asheville family. This is the second year in a row churches in our Association have taken this on as a mission. Our house this year was built for Claude and Sandra Marler and their four children. It is one of the last houses in the Habitat built subdivision in Oakley. Our house is currently in the final stages of completion. The last of the painting is being done. The trim work is being finished. We are on track for the family to move into their home by Thanksgiving. They have much for which to give thanks to God. Buncombe Baptists have witnessed in a real way the love of God.

We would like to thank the churches and individuals who have contributed to the building of the house, as well as those who have given to its financing. To date, we have collected a little over $16,000. The cost of construction to date is $26,000. By the time it is ready to move in, the costs will be approximately $40,000. We need your help. We are ahead in construction, but behind in giving. A number of churches that pledged to give or who gave last year haven't come through yet with their help. If your church hasn't yet taken up an offering or made space in its budget for this calendar year, we urge you to do so as soon as possible. Please contact Dr. Bart Hildreth, First Baptist Weaverville at 645-6720 if you need a speaker or offering envelopes.

The partnership between Habitat and Buncombe Baptists has been a good one. It has given many of our churches and missions organization an opportunity for hands-on missions in our own Buncombe backyard. We are hoping to make this an ongoing partnership and would encourage you to make plans for a third house in 1995. Make sure money is budgeted by your church or an offering is scheduled. Begin organizing your missions teams. We will contact you toward the end of the year or the first of next year to begin scheduling the weeks for construction crews from your churches.

AMERICAN BIBLE SOCIETY
Margaret Tiller, Representative

SHARE THE WARMTH OF GOD'S WORD "And they said one to another, did not our hearts burn within us, while He talked with us by the way, and while He opened to us the scriptures?" (KJV Luke 24:32).

Donor gifts to the American Bible Society made possible the distribution of 287,735,675 scriptures throughout the world in 1993. Of the total fund given in support of all Bible, scripture portions and selections, churches were the smallest in contributions, giving 1.4% of the total. How can we hoard so many Bibles here in our land and millions are crying for a single portion of God's Word? Over 90 percent of the people of Siberia have never had a Bible. There is an estimated 44 million men, women and children without God's Word in that country alone.

It is estimated that there are as many as 6,000 languages spoken throughout the world. By the end of 1993, it was reported that at least one book of the Bible is now available in 2,062 languages. The complete Bible was available for the first time in 6 languages, the New Testament in 35 languages (12 of which were first scripture publications), and scripture portions (at least one complete book of the Bible) in 33 languages. Since the founding of the American Bible Society in 1816, there have been a total of 6,393,263,361 scriptures distributed worldwide. We must continue to publish His Word and teach those who have yet to discover the message of salvation as revealed in His Word.

We have a long way to go to reach the world with God's Word, but working together will make a stronger team. "Churches," what are you doing in this effort? If we give as little as $4.00 it will furnish one copy of God's Word for someone.

In a recent volunteers bulletin, Haviland C. Houston, our Director of Volunteer Activities at ABS, had a wonderful article on the formation flying of geese. "We are told that formation flying is 70% more efficient than flying alone." Each bird gives to each other bird an uplift for power and precision in flying thousands of miles with great ease. What a challenge to us to have that love, concern, and care for each other.

Pastors, as you stand from week to week asking that we bring God's Word with us to church and asking us to turn with you as you read and expound on it, please think, "What is our church doing to help spread God's Word to the uttermost parts of the world???

ANNUITY BOARD, SBC
Lawrence Fox, Associational Representative

While the Sunday School Board, Home Mission Board and Foreign Mission Board focus on God's message, the Annuity Board focuses on God's messengers. For over 75 years the Annuity Board has been serving those who serve the Lord. The Annuity Board offers security for pastors, other ministers, eligible church and associational employees and their families.

The Personal Security Program offers up-to-date insurance products to protect against the large and small bumps and scrapes of life. The program includes a Term LIfe Plan, Personal Accident Plan, Disability Plan and a choice of Medical Plans. This is a flexible program; coverage can be tailored to meet each family's unique needs. Each plan is available alone or in combination with other plans.

Over 22,000 church and associational staff members participate in the Term LIfe Plan. They have found this Plan provides the protection they need at a cost competitive with comparable plans in the marketplace. In this era of rising medical costs, Personal Security Program medical rates have not increased since 1992. Nearly 20,000 Southern Baptist church and associational workers enjoy the protection the medical plans provide.

The Church Annuity Plan provides financial security both before and after retirement. Its Protection Section, funded by state convention Cooperative Program dollars, includes supplemental disability and survivor benefits. State conventions also provide matching retirement dollars for eligible participants. This Plan, designed by Southern Baptists for Southern Baptist churches and associations, provides opportunities for tax savings, competitive investment returns and the flexibility to meet each participant's special concerns. At the end of May 1994, 36,075 participants serving 20,131 churches and associations were active in the Church Annuity Plan.

With $4.4 billion in assets and over 75 years of experience, the Annuity Board offers its participants security and stability. The Annuity Board recognizes each dollar represents retirement income or life and health protection for a Christian servant in a Southern Baptist church, association, state convention or agency. The Annuity Board's mission is unchanged; it exists *to serve those who serve the Lord.*

COOPERATIVE PROGRAM REPORT
Curtis Richardson, Representative

The Cooperative Program has been a vital part of the Southern Baptist Convention for almost seventy-five years. In an effort to work together in promoting missions, educational training, and evangelism in our county and around the world, Southern Baptists adopted and implemented the Cooperative Program in 1925. Since then, countless lives have been reached with the gospel of Jesus Christ; thousands of missionaries have been supported at home and overseas; state conventions have been strengthened in various ministry efforts; and many thousands of seminary students have been undergirded.

Since 1976, the Bold Mission Thrust effort of reaching every person with the gospel by the year 2,000 has been empowered by the Cooperative Program. It is said, "the Cooperative Program begins with YOU," and that is true. The individual commitment to cooperative in service and giving is the heart of the Cooperative Program.

Let us one and all continue to truly cooperate in our efforts to reach the world for Jesus Christ by supporting the Cooperative Program.

HOME MISSION BOARD, SBC

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptis Convention (SBC). Headquartered in Atlanta, Georgia, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow Nev Testament congregations, and minister to people in the name of Christ.

At the end of last 4,882 missions personnel were serving in the United States, the Caribbear Guam, American Samoa, and Canada. The HMB also had endorsed more than 2,300 chaplain who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-car roles. More than 1,700 Mission Service Corps volunteers were serving on home mission fields During the year there were 1,500 church starts (more than four per day) and 349,073 baptisms.

Approximately half of the HMB's support comes from individual SBC churches through th annual Annie Armstrong Easter Offering for Home Missions. In 1993, gifts to the offerin totaled $36.31 million, about 3 percent less than the 1992 total. One hundred percent of th offering goes to support the work of home missionaries in the field. The 1994 Anni Armstrong Easter Offering goal is $40 million. About 36 percent of the HMB's income come from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1993:

Chaplaincy Ministries--The 2,325 Southern Baptists now serving as chaplains and pastora counselors reported more than 24,000 professions of faith and 4,500 baptisms.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
Glenn Stroud, Associational Representative

No matter how much adults try to convince themselves otherwise, children suffer when parents divorce.

Amber suffered. Because she blamed her mother for household turmoil, and because she was young and confused, Amber told her mother she hated her. She stopped communicating and became withdrawn. She chose wrong friends and attempted to take her own life.

In today's atmosphere, when divorce rocks as many marriages as it misses, thousands of children like Amber look for anchors. And in today's atmosphere, just as in the atmosphere of the 1880s. and every year since, Baptist Children's Homes provide that anchor for hundreds of children.

"I'm glad people support this place because there's a lot of kids who need it."

--Amber

In 1992-93 BCH served 1,469 young people and their families--an all-time high. Through services provided at 13 facilities statewide, BCH offered residential care, maternity care, a home for teenage mothers and their babies, therapeutic camping, model day care, emergency care and behavioral change.

Through the Cooperative Program, church budgets and the Thanksgiving Offering, Baptist churches provided about one-third of the $11 million necessary to care for those children. Other revenue comes from payment for services on a sliding scale, foundations and corporations and individual gifts. A significant source of help comes from individuals who remember Baptist Children's homes and the children it serves in their estate planning.

"I couldn't handle what was going one at home," Amber said, after a year in the intensive group process at Kennedy Home. "I wanted a way out. I saw suicide as the only way. I had totally turned my back on God."

Under the tutelage of Kennedy Home Baptist Church's pastor, Amber has rededicated her life to the Lord and was baptized. She is now memorizing Scripture and doing devotions. Between her renewed faith and the peer group process, Amber has begun to resolve the differences with her mother. When she graduates from Kennedy Home, she plans to live with her mother and sister.

"Just being able to talk through it with group and with staff helped make it better," Amber said. "They helped me understand mom may have moved out, but she never left me. She's always been supportive. If I was alive without this place, I wouldn't be in a happy life," Amber said. I'm really thankful there are places like this."

Working through problems at BCH involves identifying your problems, putting a name to them. That helps a child realize he/she is not a "problem child" but is a "child with problems."

Amber's gratitude expresses the feelings of hundreds of children each year, and the staff who serves them. Many young people need BCH. Thankfully, many Baptist adults are committed to providing their needs, for Jesus' sake.

NORTH CAROLINA BAPTIST FOUNDATION, INC.
Lloyd Wolfe, Associational Representative

With the 75th anniversary of the chartering of the N. C. Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary-minded denomination.

As of December 31, 1993, the Foundation held $45,878,748 under management. In 1993, $1,243,217 was distributed to Baptist work and $1,196,748 was distributed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74 year history of the N. C. Baptist Foundation totals: $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full-time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Reverend Coy H. Jeans, Jr. was employed by the Foundation Board as Western Area Manager of Trust and Endowment Development. Reverned Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with associations and churches in the area. We encourage western North Carolina Baptists to contact Reverend Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 201 Convention Drive, Cary, North Carolina 27511, telephone 919-380-7334.

NORTH CAROLINA BAPTIST COLLEGE/UNIVERSITY REPORT
Ron Brown, Associational Representative

)n year and 338 days after Pearl Harbor--November 17, 1943-- the Council on Christian Higher ducation was created. The first Council meeting occurred January 17, 1944, four months and 0 days before D-Day. Reports to the Baptist State Convention in those years contained many eferences to World War II and its effects upon churches, communities, the colleges and Baptist ork in general. It was a time of weakness and confusion. War was raging in Europe and the acific, and the outcome was still in doubt.

n such a time there were visionary Baptists who, by faith, could see beyond the clouds of war to ne needs of peacetime. A Convention committee of 64 members labored almost two years efore recommending that the Council be established. Chowan College was closed in 1944, ardner-Webb College was not yet funded by the Convention, and Wingate College received nly $5,000. The clear aim was to strengthen the colleges, increase their moral and financial upport among Baptists, place Christian Higher Education high on the Baptist agenda, and to rganize such efforts on a continuing basis.

n 1994, The Council on Christian Higher Education's 50th year of operation, let us give thanks or those pioneer Baptists who foresight, insight and good works caused North Carolina Baptists o become leaders in the field of Christian Higher Education.

NORTH CAROLINA BAPTIST HOSPITALS, INC.
Robert Clayton, Associational Representative

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist Churches of Nort Carolina. The essene of our purpose is to carry out a ministry of healing as taught by Jesu Christ. We remain as fully committed to this mission as were our founding fathers. In th midst of changing health-care norms, we have not, nor will we, deviate from this mission. Th following paragraphs report, not only basic facts, but various results of how we have sought i the last to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING
Our hospital healing team now consists of 5,777 employees. The Medical Center (Nortl Carolina Baptist Hospital and Bowman Gray School of Medicine) personnel total employment i fast approaching 9,000 people making us the second largest employer in Forsyth County. I our 806-bed facility, we had 23,545 inpatient admissions during our fiscal year 1993-94. Ou Outpatient Department, physicians' clinics, and other related departments received 523,67 patient visits.

DEPARTMENT OF PASTORAL CARE
Our chaplaincy division joins with our health-care professionals to provide spiritual an emotional healing. With 15 to 35 chaplains present at various times, 58,747 ministries wer provided to patients, families, staff and groups. Mission dollars from the Cooperative Progra enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of ou Department of Pastoral Care, continues to expand and strengthen. Thru 1993, 40 ministers hav completed intentional interim training and 29 are in training. The number of churches callin intentional interim pastors continues to increase. The training of consultants for conflicte churches and leadership training for young ministers were both begun.

The Pastoral Counseling Division now operates 12 counseling centers across the state. Thes centers provided 26,716 hours, a five percent increase over the previous year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department of Pastoral Car His eleven years of leadership and ministry have brought quality and expansion in every facet o the department.

BAPTIST BENEVOLENT CARE FUND
Last year, Baptist across our state gave $425,734 to our annual Mother's Day Offering. All o these monies went toward relieving the financial burden of scores of former patients who hav little or no health-care insurance and no financial means to pay their hospital bills. Th churches and individuals help make this ministry possible and we are grateful.

EXCELLENT FINANCIAL STEWARDSHIP
In the midst of escalating health-care costs, we have a proven record of superb stewardship.

1. The latest report of the North Carolina Database Commission comparing the average of other state academic medical center charges vs. Baptist Hospital for our most frequent diagnoses reveals our charges are 21% lower.

2. We are one of only 17 hospitals nationally with a "AA" bond credit rating.

3. Averaging the last two years and the projection for 1994, the Consumer Price Index will average 2.8% and the Medical CPI for hospitals will average 8.9%. Baptist Hospital rate increases for the same period will average 1.8%, under both the above-mentioned indexes.

MEETING THE CHALLENGES OF THE FUTURE

The health care environment is and will continue to be changing. Baptist Hospital is proactively facing these changes on a daily basis. Below are listed several visions which have recently been or will soon be realized.

Nursing Center at Oak Summit. Opened in July 1993, this 170-bed facility offers four levels of care. It is also one of only a few nursing centers in North Carolina that provides care for ventilator-dependent patients.

Emergency Department/Dietary Building. Progressing toward a late 1995 opening, this facility will expand our ED capacity to 70,000 visits annually. It will also house three floors of patient private rooms, our Pharmacy Department, a new kitchen and 900-seat cafeteria, and a 35-bed Day Hospital.

. Paul Sticht Center on Aging and Rehabilitation. This building will usher in a new era in rehabilitation at our Medical Center. Housing a total of 128 beds, it will contain a geriatric day hospital which will aid the transition from hospital to home, inpatient rehabilitation nursing units, a psychiatric floor, geriatric research and education. Completion is targeted for 1996.

At Home Health Care. Our Home Health Solutions provides our local region with parenteral nutrition and intravenous antibiotic therapy, chemotherapy and pain management. Home Health specialists provide nursing care, personal care and physical and occupational therapy.

CENTER FOR RESEARCH ON HUMAN NUTRITION AND CHRONIC DISEASE PREVENTION. Our continued partnership with Bowman Gray School of Medicine enables our Medical Center to provide the highest quality of research, education, and patient care. Quoting Dean Richard Janeway, "We are trying to prevent the major killers such as cancer, strokes, and heart attacks. With this facility we'll be able to transfer the information straight to the patient's bedside."

COMMUNITY HOSPITAL ASSISTANCE

Developing relationships with community hospitals such as Stokes Reynolds in Danbury and Moots Hospital in Yadkinville enable us to assist them in lowering costs as well as providing quality hospital and outpatient care. We anticipate expanding this endeavor to include other smaller, outlying hospitals. We also have significant affiliate relationships with hospitals in Wilkesboro, Lexington, and Mt. Airy and are in the process of developing other affiliate relationships.

QUALCHOICE OF NORTH CAROLINA

Joining with BGSM and Wake Forest University, Baptist Hospital has developed a managed care plan. Our design is one which offers affordable quality health care while providing the insured freedom of choice. This plan will be opened for public enrollment beginning January 1, 1995.

A CLOSING WORD

We continue to esteem our heritage, celebrate our current capabilities, and strive to position ourselves for the future. Your partnership, prayers, and utilization of our services inspire our dedication to our mission. We are grateful to God and to the North Carolina Baptist family.

Making life for older adults..The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1994 will be remembered as one of the finest years in the 43-year history of Baptist Retirement Homes. The following are some highlights from the year:

-In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired W. Paul Riggs to serve as Chaplain to the residents of the Prince Nursing Care Center in Winston-Salem and the Rickman Nursing Care Center in Asheville.

-Reaffirming its commitment to the idea that retirement should be a "step-up" for older adults, the renovation of the Taylor House in Albemarle was completed and renovation of the Hamilton Baptist Home in Martin County was begun. When the renovation of the Hamilton Baptist Home is completed in mid-1995, all of the facilities operated by the Baptist Retirement Homes will be "State-of-the-Art."

-In recognition of the changing profile of institutionalized older adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), a special small group approach to the care for institutionalized older adults suffering from dementia was instituted at the Prince Nursing Care Center in Winston-Salem. Through the implementation of this program, Baptist Retirement Homes once again demonstrated its commitment to the principle that everyone has the right to age with dignity and to enjoy a certain quality of life throughout the aging process.

-In an effort to provide older adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem . . . a unit where frail older adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

-In response to the need to provide quality long-term care services to the ever-growing number of frail Baptist older adults, Baptist Retirement Homes expanded its nursing services in 1994 to include an additional 100 older adults (80% of that group being classified as the poor elderly . . . men and women who lack sufficient financial resources to pay for the institutional services they receive.)

Thank you, North Carolina Baptists, for helping us make life for older adults . . . **The Best of Times!**

THE BIBLICAL RECORDER
Ron Kiser, Associational Representative

The rapid changes taking place in our world have produced distorted values, violence, threats and uncertainty and the surrender of much that is good and wholesome while creating false heroes who fail. Baptists must rise up to face these decisions and issues before our window of opportunity is lost forever. We must not squander our heritage from yesterday and our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now with charges and countercharges flying, with people trying to use and manipulate others.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, and it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist, an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launced in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1995 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born; that is why it serves today.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA
Bill Horton, Representative

PRAISE GOD FROM WHOM ALL BLESSING FLOW!

The 1994 Session of the General Assembly has adjourned, and all House and Senate members have gone home. Most of all, we are grateful that the 12 highly paid and influential lobbyists of the $300 billion gambling industry have left the capital city also, and they left town "empty-handed" with all gambling bills "dead."

Senate Bill 11, The State Lottery Act, which had passed the Senate by a vote of 27-23, "died" in the House Committee on Constitutional Amendments and Referenda.

Two parti-mutuel gambling bills (Senate Bill 116 and House Bill 42) also failed to pass. These legislative proposals would have opened the door for horse/dog racing with off-track betting parlors. When the state-lottery bill was unsuccessful in securing passage, pro-gambling forces "threw in the towel" on these efforts.

Will you join us in thanking God for this victory by doing the following?

1. Express a prayer of gratitude to our Heavenly Father and ask Him to give us the wisdom to "sidetrack' other gambling initiatives that will be forthcoming.
2. Will you make a personal contribution the League as an expression of your gratitude for this victory?
3. Will you discuss with your church leadership about a generous contribution from your church to the League in order to meet past obligations and to be better prepared to meet future challenges?
4. If your church does not have the Christian Action League in its budget, we urge you to give this Ministry of Applied Christianity your prayerful consideration.

PRAISE GOD FROM WHOM ALL BLESSINGS FLOW!

We also count it a privilege to have assisted 10 communities (Albemarle, Asheboro, Concord, Kannapolis, Thomasville, Manteo, Sylva, Franklin, and Hyde and Harnett Counties) already this year that faced referendums concerning our nation's no. 1 drug problem--alcohol.

There is no other organization in the state that communities can turn to for research, information, and campaign strategy in their battles with the $140 billion alcohol industry.

This is a heavy responsibility, and this is why we must have your continuing prayer support.

We praise God for you and for your commitment to the cause of Moral and Civic Righteousness.

The Majesty and Glory of Your Name
by Tom Fettke and Linda Lee Johnson

Hallelujah is primarily an Old Testament Word
Alleluia is it's New Testament equivalent, meaning Praise to God
Praise Him for His Power, Praise Him for His Wisdom,
Praise Him for His Blessings upon us, Praise Him for the
Liberation of His people

Liberate Us Lord!
If our lives have become shallow, DEEPEN THEM.
If our principles have become shabby, REPAIR THEM.
If our ideals have become tarnished, RESTORE THEM.

If our hopes have become faded, REVIVE THEM.
If our loyalties have grown dim, BRIGHTEN THEM.
If our values have become confused, CLARIFY THEM.
If our purposes have grown blurred, SHARPEN THEM
If our horizons have become narrowed, WIDEN THEM.
If our vision has lost sight of Jesus.
OPEN OUR EYES, LORD,
AS WE LISTEN FOR THE HAMMER RING

This is a bylaw change and can be voted on at the same meeting it is presente Motion carried.

Praise music was led by Hank Lueck. Gayle Brown, Director of Missions, recognized the followir pastors and staff who had come into the association since the last annual meeting. Roy Housto pastor, New Morgan Hill; Mike Scroggs, pastor, Zion Hill; Hank Lueck, minister of music, Bent Cree Johnnie Tiller, minister of evangelism, West Asheville; Charles Shelton, pastor, Edgewood; B Higgins, pastor, Sunrise; Tim Lolley, pastor, Beverly Hills; Doug Ferguson, pastor, Pole Creek; Stanle Taylor, pastor, Buckeye; Carlyle Franklin, minister of music, Fairview.

uther Osment, Western Area Director of the Baptist Children's Homes, spoke for our agencies and nstitutions. He likened our diverse ministries to Acts 10. In Jesus' Name through more than 50 ifferent types of ministry, we're "doing good" across the state of North Carolina.

heme interpretation--"Here's Hope--Jesus Cares For you"--was given by Johnnie Tiller. He mphasized the 60-day witnessing effort to begin January 9, 1995 and concluding March 9, 1995. It s an endeavor on the part of Southern Baptists to share the gospel of Jesus Christ all across the ation. The goal is to have 10% of the Sunday School enrollment to attempt to share the gospel for 60 ays.It is hoped that churches throughout the Convention will have a "harvest" revival during the time f March 12-September 30, 1995.

)r. Tiller then introduced Dr. Jack Stanton, Director, International Institute of Evangelism and Conference Center at Southwest Baptist University, Bolivar, Missouri, as our guest speaker.

Reading from John 4:3-26, his topic was "Mastering the Master's Method of Personal Evangelism." Ve must have the same **PROGRAM** Jesus had--seek the lost. We must go where they are. The lost re not commanded to come to the church, the church is commanded to go to them We have been ommanded to go into **ALL** the world with **ALL** of the gospel **ALL** of the time. We can have the ame **POWER** Jesus had--the Holy Spirit. Prayer is the basic beginning but never a substitute for ard work. Evangelism is spelled "WORK." God wants born again believers who have been to Calvary, who have been cleansed by the blood, who have been energized by the Spirit, and who have a eart for God to tell somebody what happened in their life.

he benediction was given by Jimmy Sides, pastor of Newbridge Baptist Church.

SECOND SESSION

The second session of the 113th annual meeting of the Buncombe Baptist Association was held at the sheville First Baptist Church on October 11, 1994. A delicious meal was served by the host church nd after moving to the sanctuary, Mike Adcock played an organ prelude. Lovey Bigham led the ongregation in singing "Worthy of Worship." A welcome was given by John Bunn, interim host pastor.

Charlie Sams, chairman of Committee on Committees, presented their report for adoption (printed on ages 54-59). Referring to the action taken at last nightis meeting, Buddy Corbin noted that the name f the Inter-Racial Committee should be changed. The moderator stated that the Book of Reports had een printed before the action was taken and that the corrected name would be changed before rinting of the 1994 Minutes. The motion passed. Bill Carpenter, chairman of the Nominations Committee, presented the name of James Lamb to serve as moderator next year and the name of Ron Kiser to serve as vice-moderator and moved for their election. He also moved the adoption of the rest f the committee's report (printed on pages 31- 36). The chairman asked the people to vote by tanding and then led in a prayer of support for all the committees. The financial report (printed on ages 64-68) was given by Howard Candler, treasurer. Lee Roy Denton, chairman of the Finance

Committee, moved the adoption of the 1995 budget (printed on pages 60-62). The total proposed budget increase is 3.49%. The budget was approved.

Gayle Brown, Director of Missions, asked the group to turn to the Associational Strategy Planning Committee report printed on pages 24-26. He noted the five preliminary objectives the committee felt would guide our association to be "A winning witness in a changing world." (1) Explore and expand new work, (2) Strengthen families, (3) Mission volunteerism in ministries, (4) Become a "user friendly" association, (5) strengthen existing churches. Carolyn Charles, director of church and community ministries, recognized several persons who had been very active in various ministries. Several ministry opportunities were highlighted. David Clark, pastor of South Buncombe, was presented a plaque from Buncombe Baptist Association "in deep appreciation for primary construction for Dreamland Flea Market Chapel." Dee Foreman, director of church development, showed us how the church programs (Sunday School, Discipleship Training, Woman's Missionary Union, Brotherhood, Music and Media/Library) have gotten "Back to the Basics of Life." Hatcher Elliott, chairman of the Place and Preacher Committee gave their report. The 114th annual meeting of the association will meet on Monday, October 9, 1995 at the First Baptist Church in Black Mountain and on Tuesday, October 10, 1995 at Merrimon Avenue Baptist Church. The preacher for the annual sermon will be Rick Edwards of Reed Memorial Baptist Church and alternate will be James Sides of Newbridge Baptist Church. The report was approved. A resolution on gambling and a resolution of appreciation to host churches and annual meeting program participants was brought by Derrill Smith, chairman, resolutions committee. (Resolutions are printed at end of proceedings.) The resolutions were passed.

Curtis Richardson brought the Cooperative Program emphasis. In miscellaneous business, Cecil Hopps presented Gayle Brown a plaque of appreciation from the Bi-Vocational Ministers and Wives Conference. Buddy Corbin focused our attention on our New York/North Carolina Partnership Buncombe/Frontier Associations). An offering was taken for the churches in the Frontier Baptist Association. David Hightower led us in singing the hymn "O Zion Haste."

Earl Moseley led the memorial service remembering the 253 people who had died since our last meeting. Included in this number were 11 ordained deacons and 7 ministers. He moved that the 1994 associational annual be dedicated to these ministers: Rev. Forest Blankenship and Rev. Nane Starnes, West Asheville Baptist; Rev. Carroll Cagle, Pole Creek Baptist; Rev. Orlando Hawkins, Weaverville First Baptist Church; Rev. F. S. "Butch" Johnson and Rev. Warren Reece from Grove Stone Baptist Church; Dr. Arthur Stainback, Asheville First Baptist Church. The motion passed. The people stood for a moment of prayer giving thanks to God for each life.

Larry Sprinkle introduced the speaker for the evening, Dr. Ronnie Owen, pastor of Mount Carmel Baptist Church in Asheville. After a time of special music, Stephen Harris read Acts 2: 1-24; 36-39. Dr. Owen shared the message "When This Is That." He gave four things that occurred when God's Holy Spirit was powerfully given to that infant church:. (1) They Witnessed Boldly. (2) They Focused Intently. (3) They Answered Decisively and (4) They Advanced Definitely.

The prayer of commitment and dedication was led by Bob Featherstone. Choral response, "Lord, Here Am I," was presented by the choir.

August 22, 1994

To: Board of Directors
Buncombe Baptist Association

We have reviewed the financial records of the Buncombe Baptist Association for the period January 1, to December 31, 1993.

We compared the funds received according to the receipt book with the funds deposited according to the bank and reported in the financial report. We found all three records to agree.

We also compared the total disbursements as reported by the bank with the totals reported in the books and on the financial report. We found them to be in agreement.

We compared the checks written for payroll with the amounts reported on the financial report and found them to agree.

We did not compare the items of expenditures on the financial report with the corresponding item on the budget.

Subject to the above paragraph, we found nothing to take an exception to in regards to the financial report and the books.

Sincerely,

L. Dean Gunter

DIRECTOR OF MISSIONS REPORT
OCTOBER 1995
Gayle D. Brown, Director

s Buncombe Baptists come together for the 114th annual session we praise God for is blessings and goodness to us. His hand has been upon us through these years as uncombe Baptist churches have sought to follow His leadership.

his past year has been a good year for the association. We have moved forward on veral fronts, but there is still much to be done.

ne of the most important things that has been taking place in our association for e past eighteen months is what is known as Association Strategy Planning. asically, ASP tells us where we have been, where we are, and where we want to go an association. My deep gratitude is expressed to Pastor Ron Kiser for his adership and to all ASP committee members as they have spent hours upon hours thering data, studying information gathered, and making recommendations for the sociation to consider. You will hear about these recommendations given by Ron iser in the Tuesday evening session of the annual meeting.

/e all realize we are living in a world of change. We see it everywhere we turn. It in the business world, communities in which we live, and in our churches. There e many challenges for our churches and association as we move toward the next ntury - which is only four years away! The Buncombe Baptist Association is eking to provide resources and training for pastors and church leaders as we face is world of change. We can no longer do church as we did in the 1950's and see e results in evangelism and discipleship. We must be creative and innovative in r approach to delivering God's message to a lost world. No, we will not mpromise the Word of God, but we will seek to improve our delivery system! One the great challenges is to reach and keep young and middle adults! Our ngregations are graying for the most part. We must redream the dream and get on od's schedule and become involved in what He is doing in our churches and mmunity. I plan to share some of the challenges that are before us in the Tuesday ening session of our annual meeting.

od is blessing with the reduction of the debt on the Buncombe Baptist Resource enter. We now have a balance of $190,000. We continue to seek $1,000 ntributions from individuals for the"Roll of Honor" plaque. Faithfullness of the urches continue to reduce the monthly payments.

od is at work! Let us be a part of it!

Mountain State Fair

With Labor Day, comes the Mountain State Fair to Western North Carolina. Wit the fair comes the James Drew Carnival. It was great to see our friends with th Drew carnival again. Several made decisions for Christ last year and several yea ago and we talked about their walk with Christ and encouraged them to continue th walk. They came with tired bodies and heavy hearts and we listened and prayed wi them. They came with toothaches and body aches and were able to see the denti and doctors. Our prayer is that when they leave their souls and bodies a recharged. Literally one lady had a heart defibrilator that had not been charged eight months and needed to see a heart specialist here for a recharge. I took her the doctor and was able to witness to her and learn about her pilgrimage. Many can and went during our presence at the fair. We see a lot of independence in some of

ıe workers, keeping to themselves, protecting what little they own and have with ıeir being. We see a few others, closely knit to one another, aware of the struggles ıd concerns of others. But we have learned that we are all pieces of one another. 'e are a part of all that surround us and with whom we come in contact. Thanks be God for people who cross our paths, people important to us, people unimportant to who influence us to make a difference in our world.

n Tuesday night before the fair we served 125 fair workers. About twenty of these ere children of the workers. The meal and fellowship were great.

he children's tent was located behind the Break Tent, where we had refreshments l day for the fair workers. Each evening about twenty volunteer ladies from South uncombe Baptist and West Asheville Baptist led children's Bible stories and tivities. The children learned many stories about Jesus and how Jesus loves and ıres for them. They made pictures and posters about Jesus' love and displayed them the Break Tent.

he Break Tent was set up with refreshments and a place of rest for the workers. lothes of all types, shoes, and health kits were there also. Each evening Wayne oper, Lee Reedy and Charles McAbee led the workers in prayer and Bible study.

n Sunday morning at 8:45, 80 workers and exhibitors attended the breakfast and orship service. Dr. Johnnie Tiller, from West Asheville Baptist, led the service. At ıe end of the service four professions of faith were made. These were four of the lks who attended the Bible studies at night and had been counseled during the eek.

he Missions Booth in the main arena was a place of witness to fair visitors. It was a ace to stop for a cup of cold water and thousands did stop by. Literature, Bibles, ıd salvation bracelets were given by the hundreds.

utoring Children and Youth (TCY) Program: During the 1994/95 school year even (11) trained tutors and three (3) volunteers worked on a 1-on-1 basis with 12 cond graders having difficulty in school at the Black Mountain Primary School in ı after-school tutoring program at First Baptist Church, Black Mountain. Spiritual rection was included in the lesson plans. The program is scheduled to resume ctober 24. 1995 for the 95/96 school year. Tutor trainer workshops were held in CY in October 1994, March and September 1995.

Conversational English (CE) Program: The tutor training workshop for this program is now on videotape and is available for groups with a facilitator. During 1995 two churches sponsored classes and several churches provided workshop space on Sunday for Koreans, Hispanics, Russians and other internationals.

Language Missions--Russell Hilliard

Under the theme of "International Love Feast," 165 persons interested in other languages and cultures came together on February 17 to celebrate Christian love in the Buncombe Baptist Resource Center. The children were lovingly hosted by volunteers from Grace Baptist Church.

Dr. Stephen D. Harris of the Bent Creek Baptist Church challenged all to respond in Christian love to the great opportunities in language missions.

The associational group of Acteens were beautifully dressed in their native costumes of different countries as well as the Korean, Russian, and Spanish-speaking persons. About twelve countries were represented at this festive meeting.

A second "International Love Feast" will be held on February 16, 1996, and Pastor Sei-Hun Kim of the Baptist State Convention will be the keynote speaker.

For the July quarterly associational meeting, the emphasis was language missions. A lovely choir and Pastor Park of the Asheville Korean Baptist Church (which meets at the Biltmore Baptist Church) were featured as well as two Spanish-speaking couple who sang and gave words about their call to nearby associations.

CONVERSATIONAL ENGLISH AND SPANISH CLASSES--Russell Hilliard

Three Spanish classes and three English classes have been a part of the Hispanic Ministry at the Grace Baptist Church. In addition to helpful instruction, the nursery for Hispanic children provided by members of the Grace Church has been an outstanding feature of these six classes.

A weekly English class has also met in the Mountain Terrace Mobile Home Park in Weaverville.

During the summer, Mrs. Olga Gonzalez has taught classes in English in the Beech Glen, Grandview, and Jones Valley Churches of the French Broad Baptist Association. Mrs. Merimar Piacentini has participated in English classes in the Haywood Baptist Association.

About 100 persons have been involved in these English and Spanish classes in Buncombe, Haywood, and Madison counties at some time during 1995.

Patsy and Russell Hilliard, missionaries emeritus of the Foreign Mission Board, have coordinated these classes. Several Americans have also assisted in this language missions works.

FLEA MARKET--Russell Hilliard

The flea market ministry has experienced a year of expansion. In addition to the new Dreamland Chapel, built largely by volunteers from the churches, the ministry has grown from one service to five. Three services are held on Sundays (two in English and one in Spanish). Guest pastors and lay leaders lead the 7:30 a.m. service. Special musicians are frequently invited. This service is primarily attended by dealers of the market and averages about twenty. The 11:00 a.m. service is led by the Reverend Ed Robertson of the Bent Creek Baptist Church. Reverend Mario Rodriquez (also of Bent Creek Church) leads the 12:30 p.m. service in Spanish. An average of fifteen attend.

A Bible study/prayer group meets with Lee Reedy of Oakley Baptist Church on Wednesdays at 1:00 p.m. Lee continues to serve Christ in many ways through this ministry.

A children's emphasis is now beginning on Saturdays, with Raymundo and Olga Gonzalez of Mexico forming the teams. It is hoped that puppet, drama, musical, and other special activities can be shared for the children at 12:00 p.m. on Saturdays. If you would like to participate in this ministry, please call Mrs. Gonzalez at 254-1352. If you wish for her to speak in your church about the children's ministry at the flea market, please call her and set up a date.

The first "Witnessing in the Market Place" seminar was held in July with Dr. Billy Cline, the Reverend Waldo Woodcock, and the Reverend Ray Jenkins. Twenty-five people from four associations attended. A second such workshop is projected for May 17-18, 1996. The same team will come together at the Buncombe Baptist Resource Center on Friday, May 17, and in the flea market on Saturday, May 18, to develop and experience strategies for witnessing. We encourage you to set aside these dates to be with us for this learning and joyful experience of sharing Christ.

The Reverend Ray Jenkins, a true master of witnessing techniques, will be sharing from 10:00 a.m.-2:00 p.m. on December 2, 1995 at the flea market. Come and get a new blessing!

MULTIFAMILY HOUSING--Ken Holland

Slightly more than one third of the residents of Buncombe County live in housing units classified as multifamily housing. The Home Mission Board estimates that the church has reached for church involvement only five (5) percent of those living in

multifamily housing. The multifamily housing surveys done in Buncombe County have verified the accuracy of the Home Mission Board's estimate.

For eight (8) months during 1995, Tim Lee was employed by the Baptist State Convention to work 20 hours a week in Buncombe County as a multifamily housing intern. Tim related primarily to Calvary and Deaverview Baptist Churches.

He assisted Calvary Baptist Church in a ministry in the Burton Street Community Center. This ministry offered a broad scope of community involvement opportunities ranging from spiritual discovery and growth to gaining needed life skills.

Under the sponsorship of Deaverview Baptist Church, Tim began and led a children's activity, Bible study program in the Canteberi Apartment Community. He also assisted Deaverview in surveying the Canterberi Community and in helping develop follow-up ministries.

For two and one-half years, Merrimon Avenue Baptist Church has conducted a multifamily housing ministry in the Oak Knoll Apartment Community. This ministry is lay led and meets on Thursday evenings. The attendance is presently averaging between 70 and 80. There have been approximately 25 baptisms from the Oak Knoll Community since the beginning of this ministry.

We commend these and other churches who are attempting to reach people who live in multifamily housing. The Buncombe Baptist Associational Multifamily Housing Committee and the Church Extension Department of the Baptist State Convention are ready to assist churches who desire to minister in the multifamily housing setting.

CHURCH DEVELOPMENT ANNUAL REPORT
OCTOBER 1995
Dee Shaw Foreman, Director

How often we read in the Scriptures that Jesus drew apart from the crowd and activities to be alone to pray. At times, we read that He took his disciples apart, also. If Christ had this need, we most assuredly do have the need to withdraw for prayer, Bible study and spiritual refreshment. The reality of this is thrust upon us in the times of physical exhaustion, sorrow, or personal difficulties, but we seem to forget it when life is running smoothly. We would be wise to develop the habit as a part of our daily lives.

This habit of seeking the will of our Lord is fundamental when making plans and has been consistently observed by the councils and committees during the year. We have been grateful for the guidance given by our Lord and for the results seen. A look at the last quarter gives examples of these blessings.

The Children's Choir Camp with Lovey Bigham of Mt. Carmel Baptist as Camp Director, centered around the musical "The Story of Animals", written and directed by Ronald Wells. He was assisted by his wife, Mary Jane Wells. The accompanist was Elaine Gregg. This was a delightful musical which portrayed Scott Sprinkle of Victory Baptist as Daniel Webster who guided a series of animals through the Bible to show them how important they are in God's plans. The day camp was held at Calvary Baptist, and we again express appreciation for their gracious hospitality. The concert on Thursday night was stirring; it is amazing to see the children learn an entire musical in four days and be able to give such an outstanding performance. This should be a MUST on the calendar for all churches each year. There is NO CHARGE, and the children can be brought by one or more adults if a minister of music is not available.

Mission Camp, under the direction of Dr. Steve Harris of Trinity Baptist, proved to be a spiritual blessing to ninety-three campers. Libby Pierce of Swannanoa FBC served as director of the girls. She is a "seasoned" camper and is invaluable to missions camp. Edwina Messer was not able to attend this year but plans to be back in '96. Dot Blankenship, former missionary to Liberia and Morocco and now a member of Ridgecrest Baptist, served as campus missionary. She taught classes to the girls in the morning and led mission studies during the evenings. She said that this is a missionary's dream to have a captive audience. We deeply appreciate Dot's contribution to the camp. Dr. Phil Dillingham of Friendship Baptist led the group in morning devotional prior to breakfast each day with vigor. Such enthusiasm helped to wake all the campers. Phil also taught mission classes to the boys during the mornings. The imprint he made on the children's lives will be eternal. Four campers prayed to receive Christ as their Saviour during camp, and many made rededications. Camp time is certainly a time for persons to withdraw from the every day walk and draw nearer to Christ.

The Youth Coordinating Committee is now planning its second event of the year to be held at Newfound Baptist October 7th at 6:00 pm. The evening will begin with a Burrito Fiesta under their huge picnic shed next to the ball park and end in the auditorium with the group "Once Darkness" entertaining with music, drama and worship. The Spring Youth Event was a service project,

"Helping Hands '95." The Youth worked on numerous projects ranging from picking up trash on the roadsides to painting houses. The day ended at the Resource Center with a hot dog supper, musical group and videos of the day's work. Well done, Youth and Workers.

The ASSISTeam held a workshop in August at the Arden FBC with Scott Mercer, Minister of Youth/Education, serving as host. The book taught was GOING, ONE ON ONE which teaches visitation skills and is valuable for every program in the church. The attendance was extremely low, but the leaders were well-prepared. Their conferences were excellent. Edwin McDevitt of West Asheville Baptist led the adults and was assisted by the Reverend Ron Kiser of Morningside Baptist. T. J. Dillingham of Freedom Baptist led the youth. Edwina Messer of Swannanoa FBC led the children. Irma Jean Reedy and Ellen Cassada of Oakley Baptist led the preschool. This is a well-trained team, and we thank them for their dedication and faithfulness.

The Multi-Ethnic Fellowship has continued to meet each month and is in the midst of making plans for Revival Services for April 21-25, 1996 with the Reverend Bill Jones of New York as evangelist. These services will include a mass choir composed of singers from the Mud Creek and Buncombe Associations. Rick Ramsey of Grace Baptist will be one of the two directors, and Mike Adcock of Ridgeway Baptist will play the organ. Mud Creek will secure the other director and pianist. We encourage all the churches to include this on their schedule for next Spring.

In August, Mary Eisenhauer led a study of the Book SERVANTS OF THE BANQUET and encouraged those in attendance to minister in the name of Christ to those in need. The valuable seminar was well attended by Baptist Women. Dot Blankenship serves as director of the Association's Mission Action/Personal Witnessing; Martha Hicks serves as WMU Director. This is one of the most active councils, and we salute the women in their service to Christ.

Activities surrounding the Fair increased in August and dominated the first week of September. This ministry is a definite help to the carnival workers who are in need of hearing Christ's Good News and of receiving His touch through His children. The Brotherhood under the direction of Wayne Higgins, Weaverville FBC, sponsors the Medical/Dental Van and the Disaster Van. Julian Lanning is responsible for the Disaster Van. His committee is planning a trip to Florida in December to help restore the buildings damaged by Hurricane Hugo. The Church and Community Ministries provide a Break Tent and Mission Booth in the Arena. The Woman's Missionary Union assists by providing volunteers, cakes & cookies, teddy bears, hygiene kits and money for prescriptions. Doctors, Dentists and Nurses cooperated by donating their services in giving blood pressure checks to fairgoers and medical attention to the carnival workers. This year Mary Pitts of First Baptist Church of Asheville volunteered her services to cut hair; the carnival workers left looking much better than they did when they arrived. This type of innovative volunteerism is what has made this ministry successful. We had evidence of many "good and faithful servants".

The Media-Library Committee will be presenting its second workshop with sessions provided for Book Repair, Classification and Cataloging, and Processing. Cathryn Kinser of Grace Baptist is Director and provides helpful opportunities for Buncombe Association's librarians.

The Church Year of 1994/95 has been an interesting, productive one with many activities. It was kicked off by the basketball league which played on the court at Freedom. Many administrative tasks were required to make these activities during the year possible. Acteens, under the direction of Kathryne Jones of West Asheville Baptist, came together for group functions--Mission Action/Personal Witnessing training was given, Prayer Retreats were held, and talent shows and covered dish suppers were held.

Leadership Training Conferences were held for all organizations; Car Competition was held at Reed Memorial Baptist under the direction of Royce and Gwenda Phillips of Pole Creek Church. The annual Youth Choir Retreat participants studied the musical "Living On The Edge" by Michael W. Smith and Robert Sterling. The Retreat was held at Gatlinburg, and the concert was held at Ridgecrest Conference Center. THIS, TOO, SHOULD BE A MUST FOR ALL CHURCHES AND ESPECIALLY FOR THE SMALL CHURCH. The Youth have an opportunity to participate in a mass choir and receive a deep spiritual blessing. IT'S FUN, TOO.

The Media-library Committee has grown to the point that we are able to provide workshops staffed by Buncombe Association librarians. These teachers are also being called upon to be members of the staffs of the NC State workshops. Librarians from Buncombe attend workshops together which promotes fellowship.

Bible Drills are led by Kathy Burris of Grace Church. Training sessions were held for leaders and children. These have been times of fun and learning. EACH CHURCH NEEDS TO TRAIN THEIR CHILDREN IN SCRIPTURE LEARNING AND SPEECH PRESENTATIONS. The value of this training is immeasurable. Vacation Bible School Clinics were held at Beverly Hills Baptist to train the leaders of the local churches. Susie Black of Pole Creek Church led this training with an excellent team.

The opportunities that the Lord provides through our Association and its people are tremendous. We need to take advantage of them as we learn to walk with the Lord daily. As we look at the past seeing what has been done, let us look to the future with anticipation and hope as we follow His steps. May you actively seek the presence of God through the coming year by drawing aside for prayer with Him.

SUNDAY SCHOOL REPORT
OCTOBER 1995
Ron Kiser, Director

In a changing world, Sunday School remains a vital force for evangelism, discipleship and mission. The ASSISTeam remains a valuable resource for helping local churches do effective Sunday School work. ASSIST is an acronym which stands for the Associational Sunday School Improvement and Support Team. ASSISTeam members are trained by the state convention and the SBC to help churches train leaders in every area of Sunday School work. The Buncombe Baptist ASSISTeam stands ready to help any church that requests its services. A simple phone call to Dee Foreman will bring the ASSISTeam to help you.

During 1995, the ASSISTeam conducted three associational training events, in addition to the VBS training conference led by our special VBS team, and the personal consultation done by team members. On May 4, 1995, the ASSISTeam conducted a well-attended conference on "How to Teach the Bible." This conference was graciously hosted by the Newfound Church. Leaders from seven of our churches learned how to communicate Bible truth to each Sunday School age group. In August, the ASSISTeam provided a training session on "One on One: How to Do Personal Visitation." This conference was held at Arden First. This study was based on a manual for all kinds of visitation, from crises calls in times of sickness and death, to a Christ-centered, soul-winning visit. *One on One* is an excellent printed resource for all pastors, staff, deacons, or Sunday School workers--anyone who visits on behalf of his or her church. In spite of the excellence of these materials, and in spite of the fact that our churches indicate they need help with outreach, this conference was poorly attended. It is my hope we can schedule another "One on One" conference at a more convenient season. I believe *One on One* is one of the best resources our Sunday School Board has produced in recent years, and I would encourage all our churches to use it to strengthen all types of church visitation.

There is a great need for all our churches to strengthen our Sunday Schools. A survey of the most recent available figures indicate that 30 of the reporting Sunday Schools in our association are growing, 13 are plateaued, and 42 are declining in attendance. Let's all pray for Sunday School work in our churches. As the Sunday School goes so goes the church. I encourage all pastors, staff and Sunday School workers to make your Sunday School a priority. And if you need help . . . we're here to ASSIST you!

DISCIPLESHIP TRAINING
OCTOBER 1995
Helen Allan, Director

Discipleship training assimilates new church members into the life of the church.

Discipleship training guides disciples to grow in spiritual maturity.

Discipleship training equips disciples to strengthen family relationships

Discipleship training equips disciples for leadership and ministry.

--yet only a small percentage of churches in our association are reporting any disciplining on the annual church profile. We think disciplining is being done, but not reported as Discipleship Training.

What we have done is provide training and information sharing with various groups, such as the Children's Bible Drill and Youth Speakers' Tournament. We have had an information sharing time with persons (41) who were interested in *First Place, Experiencing God, Preventing Child Abuse in the Church, and Positive Leader Training.*

We have had state leaders in to discuss disciplining and caring ministries.

Study materials and videos have been purchased for churches to check out and use for training. The two latest have been *"The Mind of Christ"* and Josh McDowell's series *"Setting you Free to Make Right Choices."* What we would like to do is develop facilitators to go to different churches and give an overview of these excellent materials. If you have taught one of the Life Courses in your church, you are excellent candidate for this ministry. You would not be selling materials but life-changing information.

WOMAN'S MISSIONARY UNION
OCTOBER 1995
Martha Hicks, Director

Fall has come to the mountains! This is always a busy time for us as leaders in the churches as we are getting ready for the new church year. Associational leaders are busy, too, with leadership clinics/seminars, etc. We had a good group of Brotherhood and WMU leaders at our leadership conference at Grace Church, Monday, September 18. Many went home saying the conferences were very helpful to them and helped them to understand the changes in WMU better.

More of our people are involved in missions than ever before. In September, many of our ladies, along with the men, worked at the Mountain State Fair in the hospitality tent and the medical/disaster van. Many ladies furnished cakes, cookies teddy bears for the children, medical kits for carnival workers and also money to buy medicine prescriptions. We have been doing this each year for several years. It is a good experience. There were four booths with 12 people each hour in four-hour sessions. Two meals were served. After breakfast on Sunday morning, there was a worship or Bible teaching session with four professions of faith. We praise God for this! In this effort each year, the WMU and Brotherhood join hands with church and community ministries in all of these activities.

This year we have elected approximately 15 project leaders in our missions involvement and more involvement in missions is expected. We have already seen this happening. Appreciation to Dot Blankenship, our Missions Involvement Director and her two associates, Peggy Clark and Ann Vernon. The following are Project Leaders: Susie Black, Internationals; Trina Smith, Women's Prison Ministry at Christmas; Roxie Johnson, Juvenile Evaluation Center; Mossie Fox, Fair; Lucia Ruckman, Baptist Student Union at UNCA; Peggy Clark, New York Partnership; Marie Clontz, tutoring program; Ann Vernon, quilting team; Lois Smith, Baptist Maternity Home and Jean Hollingsworth, Baptist Retirement Home. We need project leaders for the Broyhill Children's Home, Western Carolina Rescue Mission/Martha Home, ABCCM and homeless shelter, Rickman Nursing Center (Baptist Retirement Home), HelpMate, Manna Food Bank, Bele Chere, and Asheville Support Services.

During the year we have had two mission action/personal witnessing seminars. The first on "Witnessing" was led by Dr. Paul Talmadge. The other was on world hunger "Servants of the Banquet," taught by Mary Eisenhauer.

Our annual meeting this year was held at the Baptist Resource Center with a new format. We met from 7:00-9:00 P.M. instead of 5:30 p.m.--supper and 7:15 p.m. session. Most comments made were in favor of the change. Mrs. Irma Duke, our new WMU Executive Secretary of North Carolina WMU, was the speaker. She brought a challenging message to the group. Miss Heidi Holloway, Miss Asheville and daughter of one of our pastors, sang beautifully for us!

Many of our ladies attended the Missions Extravaganza State Meeting at Ridgecrest last March and also the WMU Week at Ridgecrest this summer. Several attended the SBC WMU meeting in Atlanta, Georgia.

GA/RA Missions Camp was held this year at Camp Truett at Hayesville with good attendance. This is a good event for our young people as they work, play, study together and learn more about our mission work around the world and how the Lord can use them even now as He prepares them for the future.

ach of our age-level organizations held from 1 to 6 associational-wide events during is year.

his year our national project was "Hunger." Here in Buncombe, we gave 2,258 cans f food and 44 other things like cereal, flour, etc. and collected $868.31 in money. his was from just 13 churches. I feel much more was given and just not reported. ur next southwide project is "Project Aids." There will be a missions awareness onference on November 20 at the Resource Center with Charles Reed leading. harles is Church and Community Ministries Director for the Kings Mountain ssociation. Church and Community Ministries here in Buncombe with Carolyn harles, Director, will be working with the WMU in this effort. The purpose is reefold: Awareness, Education, and Ministry.

ur theme for this next year is "Risk the Journey." Abraham, Moses, Noah, Paul and thers in the Bible took many risks as they served God and answered His call to em. In the same way, we must be willing to take risks as we serve our Lord Jesus in ur churches, our association, our United States, and around the world. Pray that all eoples of the world will hear the gospel by the year 2000. May God fill us anew ith his spirit as we work together in Buncombe Association to teach and pray for issions, to support missions with our money and our going, to develop a better issions lifestyle as we do ministries, and as we participate in our churches and enomination. We praise God for the wonderful work that is going on in our ssociation.

BROTHERHOOD REPORT
OCTOBER, 1995
Wayne Higgins, Director

This year has been another wonderful year for the Brotherhood of the Associatio
The men and boys in our churches have involved themselves in many and variou
mission activities. The Lord has provided opportunities for service and they hav
responded, in a very positive manner, to the call.

The Associational Brotherhood Council has been involved in planning, promoting an
conducting various mission activities. Following are some of the projectes complete
by the Council:

1. The Council conducted 6 regular planning meetings in which mission projects of the Association were planned and coordinated. Additional meetings were held when necessary to discuss and plan activities.
2. Again this year, we conducted a basketball program for our High School Bapti Young Men. This was a successful program.
3. The RA Committee planned and conducted many activities including the RA car competition, track meet and missions camp. The committee, which has bee led for the last several years by Steve Harris, continues to do a wonderful job ministering to our boys and young men.
4. Many of our churches conducted activities on Baptist Men's Day which was held on January 29.
5. On March 18, we held a Brotherhood breakfast the Western Carolina Rescue Mission. The purpose of this meeting was to share with the brotherhood group in our associational churches the many missions opportunities which are available and how they can be involved. This was a good meeting.
6. Our men also assisted in the Rest Area Ministry project during Easter and Memorial weekends.
7. A new project this year was working with Habitat for Humanity in Buncombe County to assist in building a home. After many weeks of planning, we conducted a "blitz build" during the week of July 17. This meant that over 60 men and women put a home under roof in one week. With the help of God and good weather, the project was completed on time and was a huge success. Also, as a Brotherhood, we agreed to assist in raising the necessary funds to complete the house.
8. Mountain State Fair was held September 6-10 and was bigger than ever , attracting over 60,000 people. The Lord blessed our efforts in a tremendous way. Many accepted Christ as their personal savior and many others made rededications. This year, two new areas were added to our ministry. These included a Bible school for the children of the carnival workers and cutting of hair for the carnival workers. This allowed us to reach more people in order to share the love of Christ with them. This mission project continues to grow and is our largest single project. The Lord continues to bless in a mighty way!

On September 18, we conducted our Brotherhood training jointly with WMU at Grace Baptist Church.

). Several of our men and boys attended various state and regional meetings and training sessions during the year.

/e look forward, with great anticipation, to the coming year. I know that God is oing to continue providing our men and boys with many mission opportunities hich will enable us to minister to others and to fulfill the call which God has xtended to us in the Great Commission. I encourage all of us to be available and illing to respond to God's call. The world needs to hear the wonderful gospel essage.

would like to thank everyone for their involvement and dedication to God's work. od is blessing and we are reaching people for Christ!

MUSIC COUNCIL REPORT
OCTOBER 1995
Mike Adcock, Director

In my work with Baptist musicians across two states, I feel that Buncombe Baptis musicians are the finest musicians that can be found anywhere. Cooperation musicianship and a high degree of professionalism are the things that characteriz this group. It is such a joy to work with fellow ministers and musicians that love th Lord and are serious about the ministry of music.

This year has been an excellent year of projects. Music Council meetings have bee well attended and a spirit of cooperation abounds. The Adult Choir Project (singin for the annual meeting), the Adult Choir Project with Gary McSpadden and th Youth Choir Christmas Project were important firsts. MEDIA-LIBRARY ANNUAL REPORT
OCTOBER, 1995
Cathryn Kinser, Director

Media-Library work in the Buncombe Association has continued its upward spiral. The theme has been "Focus on Witnessing" and all the functions have been arranged to assist the workers in using the Media Centers as resources for witnessing. Sandi Sprinkle taught the book GREAT COMMISSION EVANGELISM: TOUCHING LIVES WITH MEDIA by Floyd B. Simpson which offers new challenges and guidance in reaching out to the lost with the ministry of media.

Four of our librarians attended the Church Media Library National Seminar at Nashville, Tennessee; an Associational workshop was held giving a book study, book repair, processing and cataloging; Sandi Sprinkle again served as a conference leader at the State Workshop at Caraway; and the librarians in Buncombe Association went together to the State Workshop at Caraway.

At the time of this writing the Media-Library Committee is planning a second day-long workshop to be held September 30th. These hard-working librarians are to be commended for their willingness to share their expertise with others.

The theme for 1995/96 will be "Ministering To Preschoolers", and the Media-Library Committee will be careful to promote this. As always, we request your prayers and interest as we continue to expand the services of the Media-Library.

YOUTH COORDINATING COMMITTEE
Billy McGill, Chairman

The Youth Coordinating Committee seeks to provide opportunities for associational churches to cooperate in ministry and fellowship. Currently we plan a spring and a fall event with emphasis on different themes.

This past spring, our vision of providing an opportunity for our youth to actively engage in service to others was realized. All of our districts participated in some way with many churches going in with other churches to provide a service type ministry. From painting to washing windows, yard work to community clean up, dozens of our youth and their leaders participated in "Helping Hands '95." Beautiful t-shirts were designed and distributed with the "Helping Hands" logo. Many of our friends from the Mud Creek Association participated as well. A rally at the Resource Center topped off the day with the North Carolina Baptist Men's disaster van providing a supper hot dog supper with all the trimmings. Many groups videotaped their projects and we were able to view these at the rally. A praise band from South Carolina helped us give glory and honor to God for the day's ministry. The committee feels that this will be an annual event.

Our fall event was scheduled for October 7 and featured "Once Darkness," a musi and drama group. It was held at Newfound Baptist Church and included a burrit fest!. This was a more traditional evangelistic outreach event that also provided a opportunity for youth to share their talents during the meal time.

Thanks to all committee members for their input and enthusiasm as well as thei genuine concern for the spiritual health of our youth.

The Association, in session, affirm the work of the Associational staff and the leadership of our Director of Missions.

BAPTIST STUDENT UNION AND BAPTIST CAMPUS MINISTRY REPORT
OCTOBER 1995
Joe David Fore, Campus Ministry
Joy Jones, Associate

aptist Campus Ministry and the work of Baptist Student Union is alive and well on e campus of UNCA. The work continues to grow in numbers of students involved well as emotionally and spiritually.

he ministry and success of B.S.U. is dependent on the students who accept and sume leadership roles and give definition to the type and style of ministry to the mpus community. Baptist Student Union has grown up at UNCA; evidence of this as given when we were selected the most outstanding student organization on mpus. The significance of this award is that we were selected by faculty, staff and udents and not just chosen at random by students alone. UNCA folk know we are ere and are making a valued contribution to the betterment of campus life. Let me sten to say a big "thank you" to all you who have made this ministry possible, cause without you, it could not be done.

llowing is a partial listing of the ministries and work of the B.S.U. 1994-95.

N CAMPUS
o-sponsored two Christian drama events; a Christian concert, a monthly student-led mpus worship service; facilitated improvement of UNCA involvement in Habitat r Humanity, campus-wide Poverty Stimulation event, participated in campus-wide ents and provided various social events.

HURCHES
ed evening worship services in several local Baptist churches, assisted one church in Christmas drama, led several churches in church youth retreats, and sponsored an sociational Acteens event at the BSU center.

AGENCIES

Visits and donations of food to the Baptist Maternity Home, food donations to ABCCM shelter, yearly world hunger emphasis both educationally and giving of their own money, Salvation Army bell ringers during Christmas holidays, visit to Brooks-Howell retirement home, one fall and spring work day at Habitat for Humanity, made and delivered crafts to children's ward at Memorial Mission Hospital, supplied care packages to the campus infirmary, sponsored one student in a semester work/study at ABCCM Crisis Ministry and Habitat Home Store.

STATEWIDE

A large number of students attended Fall Student Convention at Ridgecrest, entire new council attended Spring Leadership Conference, raised their summer missions goal to $750.00 and reached it, and had two students involved in student summer missions in local churches. In addition to the above, the students provided fellowship, worship, and Bible study at their weekly meetings on Monday with Associational WMU groups serving lunch providing fellowship and outreach.

Two of our students accepted Christ and requested baptism of their home churches during Christmas break. Also, our outreach to international students increased as a Hispanic Catholic student regularly attended Monday lunch and participated in our spring retreat. A Slovakian student with no church background also attended the retreat, participating in the Bible study and worship sessions. At the end of the retreat, Mikel's comment was: "Out of the two years I have been in America, this retreat was the best thing that I have done and have been privileged to be in." He plans to be involved in BSU activities next year.

A further testimony to the importance of our BSU community and ministry was the wedding of a couple who were active in BSU, since their attendance at "open house" as freshmen 'til their graduation this June. What a blessing to read of their commitment to Christ in their wedding bulletin, to hear it in their vows and to see that their attendants were BSU students who are now lifetime friends.

I continue to give thanks to Ms. Joy Jones our BSU Associate Campus Minister and the three volunteers, Mark Davis, Randy Barnett, and Eddie Morgan.

CHRISTIAN LIFE AND PUBLIC AFFAIRS COMMITTEE REPORT
OCTOBER 1995
Gail Harding, Chairman

During the past year the Committee on Christian Life and Public Affairs has:

–prepared 9 monthly information pages
–met with members of 2 churches to help establish local Christian Life and Public Affairs Committees
–given a report in one of our churches
–spoken at one Monday morning ministers' conference; made announcements there about situations requiring immediate action
–responded to media inquiries
–provided information on specific subjects requested by local churches

The Committee meets monthly. Our major tool for informing the Buncombe Baptist family about current moral and ethical concerns is the information page (the yellow one) in the monthly associational newsletter. We welcome comments from our readers concerning the adequacy and usefulness of the info page, and any suggestions for improvement. We have detailed information on most of the subjects discussed--available to you at your request.

COMMITTEE ON MULTI-ETHNIC CHRISTIAN FELLOWSHIP
OCTOBER 1995
Buddy Corbin, Chairman

The committee of the Buncombe Baptist Association met several times this year to plan and develop work with the Mud Creek Association. As is planned, the two associations will be gathering to implement a revival, scheduled for April 21-25, 1996. The Buncombe Baptist Executive Committee and the Ministers' Conference have formally endorsed the revival meeting.

The revival will host Dr. William Augustus Jones of the Bethany Baptist Church, Brooklyn, New York. He will preach each night at the West Asheville Baptist Church. During the day, there will be a "reconciliation workshop" hosted by the Hill Street Baptist Church. Asheville First Baptist Church has agreed to host a pastors'' meeting and luncheon on Monday, April 22, 1996.

Funding for the revival emphasis will come from four sources: Buncombe Baptist Association churches, Baptist State Convention of North Carolina, Mud Creek Baptist Association churches, and interested individuals. The total anticipated cost of the event is $10,000. Committees and sub-committees have been formed and are presently enlisting churches to strengthen the efforts.

Also, the churches (number over twenty) who have participated in joint partnerships over the past year, are to be commended. Several churches in every segment of our geographical region have participated in events such as the youth event (this past spring), several laity construction projects, and shared worship services. There is room for more of the churches to begin forging partnerships in order to fulfill the objectives of multi-ethnic work: youth and children activities, laity united in mission, evangelism and reconciliation projects.

BIVOCATIONAL MINISTERS' ANNUAL REPORT
OCTOBER 1995
Glenn Andrews, President

Bivocational ministers compose a sizeable portion of the work of Christ within the Southern Baptist Convention. From pastors, music and youth ministers, to chaplains, bivocationals are committed to excellence in their secular vocation as well as the ministry.

There are a number of misconceptions about bivocationals that need to be seen from a clearer perspective. The first is that they are "part-time" ministers. The truth is they are "double-time" ministers, in a dual capacity. Another is that bivocationals are such by circumstance rather than by choice. The fact is, most dual role ministers, in whatever facet of ministry they serve, do so by preference rather than by posture. The bivocational is a doubly committed person who serves in a well-rounded environment of church and society.

The Bivocational Ministers' Conference continues to meet on the third Tuesday of each month at 7:00 p.m. at the Buncombe Baptist Resource Center.

The Bivocational Ministers' officers elected for 1995-1996 are: Glenn H. Andrews, President; Chuck Sanders, Vice-President; Jane Shirley, Secretary/Treasurer; Cecil Hopps, Program Chairman; Linda Hopps, Conference Hostess.

BUNCOMBE BAPTIST MINISTERS' CONFERENCE
October 1995
Bill Higgins, President

Our Ministers' Conference is a time for the Buncombe Baptist Ministers to come together to share each other's burdens, discuss matters of common concern, have an interchange of views, join our voices in song and our hearts in prayer all to the honor and glory of God, our heavenly Father.

Our time together is special as the Holy Spirit sometimes gives us an awesome awareness of His presence through the time of devotion and prayer, as well as through special speakers and presentations.

Our effort in coming on Monday mornings at 9:30 is rewarded by a closer spiritual bond with each other and by the awareness that we are fulfilling the prayer of Jesus in John 17:21 that as believers we would become one as He and the Father are one. We are also encouraged in the presence of fellow servants of our Lord Jesus Christ.

The Buncombe Baptist Ministers are encouraged to set aside 9:30-11:30 a.m. each Monday for fellowship and spiritual strengthening. Let us come to give as well as receive.

The new officers who will serve from October 1995 through March 1996 are:

Ronnie Owen, President
Larry Sprinkle, Vice-President
Frank Hopkins, Secretary-Treasurer
Carson Moseley, Program Chairman
Don Davis, Music Director
Martha Hicks, Pianist

COOPERATIVE PROGRAM REPORT
OCTOBER 1995
Curtis Richardson, Associational Representative

A new century is dawning and we, as Southern Baptists, must carry on the work o reaching the world for Jesus Christ. Our heritage in missions and evangelism strong having been supported by the 70 year-old Cooperative Program. At the tur of the present century, Southern Baptist leaders were seeking a stronger structure support our missionary enterprise. In 1925, the Cooperative Program was develope and implemented after much prayer, planning and study. Even though it was radical change in Baptist financial practice, the Cooperative Program proved to be powerful instrument in uniting Southern Baptists in the cause of reaching the lo world with the gospel. In the past 70 years, the Cooperative Program has grown size and scope as it financially broadened its support of various ministries ar programs. The original purpose and intent of the Cooperative Program must alwa be kept in the forefront of our minds and commitment. Baptists cooperating evangelize the world for our Lord and Savior Jesus Christ was and should alwa remain the heart of the Cooperative Program. After all, the Cooperative Program His, not ours.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
Glenn Stroud, Associational Representative

or six-year-old Malinda, darkness brought sleepless nights listening to her mother's oyfriend beat her brother and sister--and praying she wouldn't be next, watching er mom choose her lover's whims over her children's needs, and finally, being bandoned on Christmas Eve in pouring rain on a dirt road. Her darkness, more than ıst a light switch clicked off, swirled with pain, fear, confusion and despair.

oday, a bright-eyed teenager living at Broyhill Home, one of four Baptist Children's Omes residential campuses, Malinda finally sees light. After becoming a Christian ı 1992, she can forgive her mom and let go of her painful past. "Learning to deal ith my issues is a lot easier since I became a Christian," said Malinda. I"m happy ere at Broyhill. The people believe in me, support me and are here for me."

elieving in children and families, offering light to pierce their darkness has been aptist Children's Homes' goal since its beginning 110 years ago,.

erving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH rovides intentionalized programs of residential group care, emergency care, herapeutic camping, maternity care, teenage mother/babies, model day care and ehavioral change for girls. Gaston County emergency care cottages in Dallas, perated on a yearly contract basis, were not renewed with BCH following Gaston ounty's decision to change the facilities' direction to a level of service BCH doesn't rovide.

ommemorating 110 years of ministry, BCH published *Intent to Serve*, a history epicting the last decade of BCH's child-centered, family-focused services. Each hurch was to receive a complimentary copy in the Fall of 1995.

ounded in 1970, the Baptist Maternity Home in Asheville celebrated in October 25 ears serving over 900 young, unmarried, pregnant women who were given a quiet, upportive atmosphere to make decisions about their future.

A chapter of BCH life closed with the death of alumni, employee and friend Bill isk. Investing 52 years of himself, Sisk, who came to Mills Home at age 8 and eturned to work on staff 42 years, died May 21, 1995. "An era has passed," said BCH President Michael C. Blackwell. "It's extremely unlikely Baptist Children's HOmes will ever see another individual who invested himself wo fully in this place s did my friend Bill Sisk."

Adding to the light, Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of BCH's $12 million budget with gifts totaling, $2,934,304.

Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising $28,633 and providing two fun-packed days of rides, games, entertainment and food for children and area residents. "There is nothing more important in this life than children," said Goldston. "This is just one thing we can do to show our commitment, to put our feet to our prayers."

Putting words into action described numerous individuals who gave time and effort with special campus work projects. This year, the Friends of Children committee added a twist to their annual spring bus tour by pulling on gloves and work clothes to help beautify Odum Home in Pembroke and Cameron Boys Camp near Southern Pines.

A team of volunteers from Denver Baptist Church worked at Broyhill Home clearing brush, painting inside a cottage and building a storage shed; and at Kennedy Home tearing down an old gym built in the 1930's; restructuring an old picnic shelter into an arts and crafts center, removing old heating equipment from Biggs cottage and renovating family conference rooms in the new gym. "We pray about these kids, and we pray that we will be an example," said Allen Holmes, Denver Baptist's mission trip coordinator. "This is more important than any building or construction work."

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a $10.0 million campaign, "Light Their Way," to raise money for special projects, operational needs and endowment. The campaign will run September 1995 - May 1997.

Many children, like Malinda, suffer in darkness. Many families linger in pain waiting for answers, waiting for help. Because of Baptists' support, BCH is able to "Light Their Way," offering hope, security and love

BAPTIST COLLEGE/UNIVERSITY REPORT 1995

The Baptist State Convention is 165 years old. For 161 of those years the Convention has been in the business of founding, adopting, supporting and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian higher education. Our seven Convention-related education institutions are: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wingate University and Wake Forest University.

For 1995 the Convention's Christian higher education budget is $6,000,540, or 20.41 per cent of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473, with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies.

NORTH CAROLINA BAPTIST FOUNDATION, INC.
Lloyd Wolfe, Associational Representative

The messengers present at the Baptist State Convention meeting 75 years ago, wher the establishment of the Baptist Foundation was approved, believed that the service to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well-trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist Church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions Baptist institutions or the convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video "Pillars of the Church," was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary North Carolina 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to the above address.

The total assets under management by the Foundation at the end of 1994 were $47,312,575. A total of $1,241,756 was paid to Baptist churches, institutions and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was $1,499,098 during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.3% (annualized.)

NORTH CAROLINA BAPTIST HOSPITALS, INC.
Robert Clayton, Associational Representative

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health care norms, we have not, nor will we, deviate from this mission. The following paragraphs report not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

"THE BAPTIST"

Affectionately known to many as "The Baptist," our hospital now employe 5,544 members who comprise our healing team. We are joined with Bowman Gray School of Medicine and thus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1994-95, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

A NEW DIVISION: PASTORAL CARE AND CHURCH RELATIONS

In May restructuring created a new division with the consolidation of the department of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis.

DEPARTMENT OF CHAPLAINCY AND PASTORAL EDUCATION. Through spiritual and emotional healing to patients, families and staff, approximately 55,000 ministries were provided by our chaplains.

THE CENTER FOR CONGREGATIONAL HEALTH. This rapidly expanding ministry to churches, pastors and staff, and congregational leaders also enables the training of intentional interim pastors. Also, training is provided for leadership and church consultants. Workshops and other events are held as well.

DEPARTMENT OF CHURCH AND DENOMINATIONAL RELATIONS

This department serves as the liaison between Baptist Hospital and the churches, associations, and convention, as well as other church groups. By facilitating appointments, policy interpretation, understanding of our health care services, this function helps keep our vital bond with North Carolina Baptists strong. Mission dollars for benevolent care through this department in excess of $452,000 were given by Baptists to the Mother's Day Offering. This mission effort helps relieve the financial burdens of patients who have little or no health care insurance. This is truly a ministry of renewing hope in their lives and is a source of great joy for us.

PASTORAL COUNSELING. With increasing requests from churches an associations across the state, this ministry continues to expand. Our thirtee strategically located counseling centers provided 27,000 ministry hours last year.

POINTS OF EXCELLENCE AND PROGRESS

FINANCIAL STEWARDSHIP. Annually Baptist Hospital's rate increase consistently are less than both the medical consumer price index for hospitals an general inflation. The most recent North Carolina Database Commission repor comparing the average of charges at other instate academic medical centers for ou most frequent diagnoses reveals our charges are 21% lower. For all hospital statewide we are 7.7& lower on those same charges, despite treating the mos critically ill patients from across the state.

QualChoice OF NORTH CAROLINA. A managed care plan providing quality healt care and patient physician choice. Established by The North Carolina Baptis Hospitals, Incorporated and Bowman Gray School of Medicine and Wake Fores University, QualChoice is now expanding to employers in our region.

ACCREDITATION WITH COMMENDATION. This distinction was awarded us b the Joint Commission of Accreditation of Health care Organizations. With a grad of 96 we earned the distinction as one of America's most highly rated hospitals.

EMERGENCY DEPARTMENT/DIETARY BUILDING. With a Fall 1995 openin date this 300,000 square foot facility will expand our Emergency Departmen capacity to 70,000 visitors annually. It will also house a 35-bed Day Hospital, as wel as a 900-seat cafeteria, and will double the proportion of private beds available t patients.

COMPREHENSIVE OUTPATIENT REHABILITATION FACILITY. A 64,00 square foot facility scheduled for completion in the Summer of 1996.

STICHT CENTER ON AGING AND REHABILITATION. Housing a geriatri research and education center, geriatric day hospital and inpatient acute rehab bed gero-psychiatry, and adult acute psychiatry, a planned completion and opening dat for this center is the Spring of 1996.

HOME HEALTH SOLUTIONS AND HOME HEALTH SPECIALISTS. Specialist provide at home care such as intravenous chemotherapy, pain management, nursin care, and physical and occupational therapy.

COMMUNITY HOSPITAL ASSISTANCE. Baptist Hospital continues to develo relationships with hospitals and physicians in other communities inviting them t join our expanding health care delivery system.

Thank you letters from Mother's Day Offering Recipients.
I would like to take this opportunity to tell you how grateful I am for the generous ontribution made to help me with my recent medical expenses, I have been xtremely concerned as to how this account would be settled. I never dreamed that uch a fund was available. To all Southern Baptists across the state of North arolina, I sincerely thank them for their generosity and concern for my well-being. his gift has definitely lightened my life's load. The gratitude I have in my heart is ifficult to express on paper, but truly one deeply appreciated."

Please accept my sincere appreciation for the financial assistance you and Southern aptists contributed toward my late husband's hospital bill. This was a gracious esture on your part that truly helped lighten the financial burden left to me due to is extended illness. A gift of this magnitude will not be forgotten by me or my amily. Through all this ordeal my faith in God has been unshaken, and your indness only strengthens that faith."

CLOSING WORD. Historical methods of delivering health care are changing in gnificant ways. We are constantly seeking to position ourselves to develop the ethodologies, services, and delivery systems to meet these challenges. In the midst the multiplicity of changes remain several treasured, time-tested constants. Among ese are our commitment to excellence and compassion in providing care; the monstrated support of North Carolina Baptists, and most significantly, the ovidence of our Lord. Trusting in these, we move forward boldly and confidently to the future.

NORTH CAROLINA BAPTIST RETIREMENT HOMES, INC.
Carole James, Associational Representative

Making life for older adults..The Best of Times

s a result of the wonderful support given by North Carolina Baptists, 1994 will be membered as one of the finest years in the 43-year history of Baptist Retirement omes. The following are some highlights from the year:

-In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, North Carolina, as its first full-time Chaplain. Reverend Osment's work responsibilities include ministry to residents of the Brookridge Retirement Community in Winston-Salem and te Western North Carolina Baptist Home in Asheville.

-Reaffirming its commitment to the idea that retirement should be a "step-up" for older adults, the final phase of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed all of the facilities operated by the Baptist Retirement Homes will be "State-of-the-Art."

-In recognition of the changing profile of institutionalized older adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Youn Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized older adults suffering from dementia.

-In an effort to provide older adults with affordable care, a sub-acute unit wa developed at the Prince Nursing Care Center in Winston-Salem . . . a unit where frail older adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

-In response to the need to provide quality long-term care services to the ever-growing number of frail Baptist older adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc. . . the new service designed primarily to extend the amount of time that frail Baptist older adult can remain in the home environment.

Thank you, North Carolina Baptists, for helping us make life for older adults . . **The Best of Times!**

THE BIBLICAL RECORDER
Jimmy Sides, Associational Representative

The headlines each day--Bosnia, O. J. Simpson, interest rates, tax overhaul, etc.--ofte include Southern Baptists. The secular media show special interest in our conflict but all too often do not tell the whole story of the good things Baptists are doing The Biblical Recorder tells the whole story--the many positive things people ar doing in their churches along with the negative issues which cannot be concealed an ignored if we honor our heritage from yesterday and fulfill our mission fo tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 162 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder. Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1995-96 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born; that is why it serves today.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.
Bill Horton, Associational Representative

This year has been a significant one for the Christian Action League of North Carolina as we gave leadership and support to local communities in their battle against the proliferation of alcohol, provided a voice for Christian morals and ethics in the halls of the legislature and continued our battle against on-going legislation concerning the lottery and other anti-family issues.

1. LEGISLATIVE ISSUES:

A. ALCOHOL. The alcohol industry sought to implement state-wide Liquor-By-the-Drink and beer/wine sales through legislative action. House Bill 599 would have implemented LBD without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state. The bill was withdrawn and died in committee.

B. LOTTERY. In the 1995 Session of the General Assembly, there were four lottery bills introduced. Several times in the past decade, gambling forces were able to secure the passage of a lottery measure in the Senate, but not in 1995. Lottery legislation was defeated in the Senate by a 28-20 vote. In the House, HB 838 (Lottery for School Buildings) was brought out of committee by an unusual parliamentary move and placed on the House calendar. Calls and prayers from CAL members and the Christian community were honored when the measure was sent back to committee where it remained until the end of session.

We praise the Lord for this victory and for the fact that North Carolina remains the largest state in the nation that has no state-sponsored lottery. However, we request your prayers as the Christian Action League will continue to be on the front line fighting this battle again in 1996.

C. ABORTION. The Christian Action League and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will **cut** the **abortion funding** from $1.2 million to $50,000 and then to be used only in cases of rape or incest.

For many years we have been working for legislation requiring **Parental Consent** before a minor can obtain an abortion. House Bill 481 was adopted this year providing this "common sense" legislation.

). ABSTINENCE EDUCATION. Another proposal that the Christian Action League as been working on became law this year. House Bill 834 (Teaching Abstinence Until Marriage) is pro-family and supports biblical and moral values. This bill equires schools to offer a program encouraging abstinence until marriage and also rovides for parental review of teaching materials before comprehensive sex ducation instruction can be implemented.

. LEAGUE LEADERSHIP

Reverend Johnny R. Henderson became the League's Executive Director in July upon he retirement of Coy C. Privette. Johnny brings a wealth of experience to this osition. A trustee since 1977, he is the North Carolina Baptist Men's Correctional Ministries Coordinator and serves on the Executive Committee of Prison Fellowship f North Carolina. Also, his church was featured on ABC News last year for its utstanding prison ministry.

We are grateful to God for your prayers and financial support. May others join you s we seek to be the "Salt and Light" in a world hostile to Biblical ethics and morality.

Buddy Corbin gave an update on the New York/North Carolina Partnership. One of the most important things that Buncombe Baptists provided was encouragement--letting them know they had not been forgotten. Several churches gave money and construction teams to help some congregations in the Frontier Baptist Association. An offering was taken to send to churches to let them know that we love and encourage them.

James Lamb introduced Jimmy Sides, pastor of Newbridge Baptist Church, to bring the annual sermon. Special music was provided by the Bush Family of Pole Creek Church. Mr. Sides read Luke 24:36-49. Verse 45 was the key verse. "Then He opened their minds to understand the scriptures." May we ask God to open our minds that we too may understand what He has for us individually and collectively, who He wants us to be, and what He wants us to do. Christ gave His disciples an **explanation**. When we stay close to God He can make us understand things we would never be able to understand before. He reinforced His **commission**-- "as the Father has sent me, I am sending you." He gave them His **message**--repent and believe in Christ. He gave them His **promise**--contingent on one thing--stay until you're clothed with power from God.

The benediction was given by Dr. Ron Crawford, pastor of Asheville First Baptist Church.

June 26, 1995

To: Board of Directors
Buncombe Baptist Association

We have reviewed the financial records of the Buncombe Baptist Association for the period January 1, to December 31, 1994.

We compared the funds received according to the receipt book with the funds deposited according to the bank and reported in the financial report. We found all three records to agree.

We also compared the total disbursements as reported by the bank with the totals reported in the books and on the financial report. We found them to be in agreement.

We compared the checks written for payroll with the amounts reported on the financial report and found them to agree.

We did not compare the items of expenditures on the financial report with the corresponding item on the budget.

Subject to the above paragraph, we found nothing to take an exception to in regards to the financial report and the books.

Sincerely,

L. Dean Gunter

Director of Missions Report
OCTOBER 1996
Gayle D. Brown, Director of Missions

We begin a new church year with a challenge and a great deal of anticipation. Through the past year the Association Strategy Planning Committee, Personnel Committee, and "Search" Committee have been busy with various duties and responsibilities.

In a few short months we will have a new person on association staff filling the position Director of Congregational Development. The former part-time position, Director of Church Development, was upgraded to full-time position with a new emphasis toward "relationships" rather than programs.

As we move toward the end of this century and begin a new century in three short years, Buncombe Baptist Association is redefining it's purpose, mission, and direction. The future looks bright as we move, together, toward building healthy and effective congregations.

In order to do this there will be continuing change in attitudes, ways of doing missions and ministries, and becoming more relational and less programmatic in our approach. Certainly the message will not change, but the methods may change as we seek to win and disciple people to be followers of Jesus Christ.

During the next three years the Association Strategy Planning Committee will continue to be very active as it studies all aspects of association work. Recommendations will come to the Executive Committee and Associational Board for discussion and approval.

What we are trying to do is to position ourselves to be the most effective and efficient association we can be as we enter into a new century. To do this we must respect the autonomy of the local church, realize the importance of being dependent and supportive of each other, and cooperate together in new and exciting mission and ministries endeavors that are ever before us. As we begin the 1996-97 church year, let us commit ourselves anew to the glorious gospel that we have been called to proclaim.

CHURCH AND COMMUNITY MINISTRIES REPORT
OCTOBER 1996
Carolyn Johnson Charles, Director

Rest Area Events

Two rest stop ministries were conducted this year with thirteen churches participating each time. Thousands of cups of water, literature, Bibles and balloons were given. Many people were witnessed to with two professions of faith reported.

Dreamland Chapel Ministry at the Flea Market

On Easter Sunday we celebrated our fifth year of ministry at the flea market. We celebrated one year in the chapel this year. The ministry continues to grow and be strong.

There are three worship services each Sunday morning with the dealer's service at 7:30 a.m., a service for the public at 11:00 a.m. and a 12:00 noon Hispanic service. The combined attendance averages 80-90 people. A dozen reported professions of faith were made as people witnessed out front of the chapel.

Missions Development Training

In March a Missions Development Training Event was held at South Buncombe Baptist Church. Joe Babb, WNC Consultant for Missions Development Training with the BSC, led the conference. Two churches participated and gathered new ideas and directions for leading missions in their church community.

HIV/AIDS Ministry

Two awareness conferences were held this year featuring Reverend Charles Reed, Church and Community Ministries Director for the Kings Mountain Association. Charles was a great motivator to bring people together with an interest in beginning AIDS ministry in our Association.

Some of the events occurring this year in AIDS ministry led by the Associational AIDS Council included:

-An AIDS ministry council was formed at FBC Asheville
-A retreat for PWA's was planned for the end of September
-The National AIDS Quilt was on display in the association in May.
-Four new AIDS videos were ordered for the Resource Center of the association
-Much research and planning were done toward beginning an AIDS Respite Care Center but this ministry has been delayed.
-A dinner for PWA's and AIDS service providers is scheduled in October
-Bi-weekly support group meetings have been held at Grace Baptist Church for six months this year.

SENIOR ADULT LUNCHEON

Some 300 senior adults gathered for the annual senior adult luncheon held at West Asheville Baptist Church. Mayrene Bobbitt was our featured guest as she did a wonderful dramatic portrayal of the life and music of hymn writer, Fanny Crosby.

FAIR MINISTRY

Break Tent

Nearly 200 were served at the opening dinner for the fair workers. The week was tremendous with several workers accepting Christ. Each night West Asheville Acteens led Bible Study beside the break tent for the fair workers' children. Reverend Ray Jenkins,

marketplace evangelist, assisted the children's Bible study. Mary Pitts from FBC Asheville cut hair for the workers several days of the fair. Laundry runs were made a couple of times for the workers and many clothes, blankets, and health kits were given.

On Sunday, the last day of the fair, the week was closed with a worship service led by Reverend David Clark of West Asheville Baptist. Two decisions were made during this service.

The workers from our fair went to Waynesville for their next fair. Two of us went two days to take lunch for the fair workers and talk to two churches in that association about beginning similar ministries with the fair.

MISSIONS BOOTH

The Missions Booth was a busy witnessing area. Reverend Ray Jenkins, a marketplace evangelist, was with us to witness and train volunteers in witnessing in each of the four ministry areas at the fair. Ray led the witnessing with the assistance of Wade Caldwell from Merrimon Avenue Baptist. Forty decisions were made at the missions booth and several thousand salvation tracts and bracelets were given.

LANGUAGE MISSIONS
Russell Hilliard, Consultant

The preaching and teaching of the gospel in languages continues to be an area of enormous blessing with seventeen (17) distinct languages being used among Baptists within North Carolina. In Buncombe County, the languages used are Korean and Spanish, with some contacts being made with Russian-speaking persons from the Ukraine.

Needs are highlighted by a 500% increase in language students in Buncombe County Schools since 1990. In 1989 there were five (5) Hispanic patient visits at the Buncombe County Health Department. This year the number already exceeds 1,400 Hispanic patient visits alone. Indeed, the world of languages has come to us in Buncombe County. The opportunities to share Christ with language groups now exist in every corner of our county.

Mission groups in Korean continue to be related to Biltmore, Calvary, and the Skyland churches. The Spanish-speaking ministries are related to Bent Creek, Grace, Merrimon Avenue, Newfound. and New Hope churches. A great need exists for an associational language committee to coordinate and give focus to this rapidly growing area of our ministry.

An effort is being made to begin an Hispanic section of day care and preschool with the Calvary Baptist Child Enrichment Center. If church missions committees or missionary groups are loking for ministry opportunities, scholarship funds for these children are of great urgency. If your mission organization should have an interest, please contact Russell Hilliard (669-9436) or Mrs. Lorrie Thomas at the Calvary Child Enrichment Center.

During 1996 persons from the West Asheville Hispanic Church have been ministering in Burke, Haywood, Madison, and Transylvania Counties. Missions are being planted near Brevard, Mars Hill, Morganton, and Waynesville. Three ministers from the West Asheville Hispanic Church are beginning their studies at the Fruitland Baptist Bible Institute.

Indeed, we Buncombe Baptists are a missionary people. But let us not forget our "Samaria!" Jesus said, "Life up your eyes, and look on the fields; for they are white already to harvest" (John 4:35). Seek opportunities to cultivate language friends! Pray and give that the existing ministries may be strong! "Go, tell it on the mountains, that Jesus Christ is born!"

CHURCH DEVELOPMENT ANNUAL REPORT
OCTOBER 1996

Dee Shaw Foreman, Director

Looking toward the future, making plans to meet its demands and implementing those plans are wise actions to take. We, Buncombe Baptist Christians, are making an all-out effort to follow that pattern, ever watchful to follow our Lord Jesus Christ's guidance. We look toward the future searching for answers to the question, "What changes do we need to make and what practices do we need to keep in order to stay in God's will?" Proverbs helps us realize the dynamic tension that exists in planning when it states that man may make plans, but God decides whether they will be accomplished. We have seen the hand of our Lord during the past year and are grateful for His Presence with us. Let's look at the last quarter:

The Children's Choir Camp with Lovey Bigham of Mt Carmel Baptist as Camp Director centered around the musical "Go for the Goal" written by Janet McMahan-Wilson and Ted Wilson and directed by Barbara Sanders. The accompanist was Kristen Johnson. This was a rousing musical centered around the Olympic theme. The Day Camp was held at Calvary Baptist, and we again express appreciation for their gracious hospitality. The Concert on Thursday night was stirring; it is amazing to see the children learn an entire musical in four days and be able to give such an outstanding performance. This should be a MUST on the calendar for all churches each year. There is NO CHARGE, and the children can be brought by one or more adults if a Minister of Music is not available. Plan now to bring your children July 7-10, 1997 to Calvary Baptist Church.

Mission Camp, under the direction of Dr. Steve Harris of Trinity Baptist, proved to be a spiritual blessing to 123 campers. Edwina Messer and Libby Helton of Swannanoa FBC served as co-directors. Harriet Parker, former missionary to Japan and now a member of Mars Hill First Baptist, and Peggy Clark, former missionary to Mexico and now a member of West Asheville Baptist Church, served as campus missionaries. They taught classes in the morning and led mission studies during the evenings. Both considered this as an opportunity to carry Christ's Good News. We deeply appreciate Harriet and Peggy's contributions to the camp. Dr. Phil Dillingham of Friendship Baptist led the group in morning devotional prior to breakfast each day with vigor. Such enthusiasm helped to wake all the campers. Phil also served as counselor in one of the cabins. The imprint he made on the children's lives will be

eternal. Libby Helton and the Reverend Jack Roberts of Flat Creek Baptist Church led recreation. Reverend Stacey Harris of Trinity Baptist Church served as Camp Minister, Bible Teacher and Worship Leader. Fourteen campers prayed to receive Christ as their Saviour during camp, and fifty-one made rededications of their lives. Camp time is certainly a time for persons to withdraw from the everyday walk and draw nearer to Christ.

The Youth Coordinating Committee cooperated with the Youth Ministers Network in presenting a Concert with Dana Russell at Merrimon Avenue Baptist Church. The concert was in celebration of the "See You At The Pole" which is a time that students gather at the flag poles at their schools to pray together. A Rally was held the following night at Claxton School. The Spring Youth Event was a service project, "Helping Hands '96" during which the Youth worked on numerous projects ranging from picking up trash on the roadsides to painting houses. The emphasis ended with a celebration at the YMCA. Well done, Youth and Workers.

The ASSISTeam is now planning workshops for September 28th and October 5th at the Arden FBC with Scott Mercer, Minister of Youth/Education, and at Newfound Baptist Church with Jon Mullins, Associate Pastor and Minister of Music and Education, serving as hosts. The book to be taught is TOWARD 2000. GOING, ONE ON ONE will be taught at Newfound for Outreach Leaders. This book teaches visitation skills and is valuable for every program in the church. Reverend Steve Ackerman, Director of the ASSISTeam and Pastor of Barnardsville Baptist Church will lead the General Officers; Edwin McDevitt of West Asheville Baptist Church will lead the Adults, Norma Melton of Reed Memorial Baptist Church will lead the GOING, ONE ON ONE, Scott Mercer and Chris Shirley, Minister of Education and Family Life at Calvary Baptist Church; Edwina Messer of Swannanoa FBC will lead the Children; Irma Jean Reedy of Oakley Baptist will lead the Pre-school. This is a well-trained team, and we thank them for their dedication and faithfulness.

The Multi-Ethnic Christian Fellowship has continued to meet each month and promoted the Revival Services for April 21-25, 1996, with the Reverend Bill Jones of New York as evangelist. These services were led in worship by a mass choir composed of singers from the Mud Creek and Buncombe Associations. Rick Ramsey of Grace Baptist served as one of the two directors, and Mike Adcock of Ridgeway Baptist played the organ. Mud Creek Association provided the other director and pianist.

Activities surrounding the Fair increased in August and dominated the first week of September. This ministry is a definite help to the carnival workers who are in need of hearing Christ's Good News and of receiving His touch through His children. The Brotherhood under the direction of Wayne Higgins, Weaverville FBC, sponsors the Medical/Dental Van and the Disaster Van. Julian Lanning is responsible for the Disaster Van. His committee is planning a trip to Florida in December to help restore the buildings damaged by Hurricane Andrew. The Church & Community Ministry provided a Break Tent and Mission Booth in the Arena. The Woman's Missionary Union assists by providing volunteers, cakes & cookies, teddy bears, hygiene kits and money for prescriptions. Doctors, Dentists and Nurses cooperated by donating their services in giving blood pressure checks to

fairgoers and medical attention to the carnival workers. Mary Pitts of First Baptist Church of Asheville again volunteered her services to cut hair; the carnival workers were certainly grateful for this service. We had evidence of many "good and faithful servants".

The Media-Library Committee sponsored trips to both the library seminar in Nashville in February and to Caswell in May. Cathryn Kinser of Grace Baptist is Director and provides helpful opportunities for Buncombe Association's librarians.

The church year of 1995/96 has been an interesting, productive one with many activities. It was kicked off by the Challengers' Basketball League which played on the court at Sand Hill/Venable. Many administrative tasks were required to make these activities during the year possible. Acteens, under the direction of Karen Lewis of Mt Carmel Baptist Church, came together for group functions, mission action/personal witnessing training was given, Prayer retreats were held, and talent shows and covered dish suppers were held.

Leadership training conferences were held for all organizations; Car Competition was held at Liberty Baptist Church under the direction of Morris Childers and Mike Harris of Liberty Baptist Church. The annual youth choir retreat participants studied the musical "God Is In Control" by Dennis and Nan Allen. Neal Eller, Associate at the Church Music Department of the Baptist State Convention of North Carolina was Director. The Retreat was held at Gatlinburg, and the concert was held at Ridgecrest Conference Center. THIS, TOO, SHOULD BE A MUST FOR ALL CHURCHES AND ESPECIALLY FOR THE SMALL CHURCH. The youth have an opportunity to participate in a mass choir and receive a deep spiritual blessing. IT'S FUN, TOO.

Bible Drills were led by Kathy Burris of Grace Church. Training sessions were held for leaders and children. These have been times of fun and learning. EACH CHURCH NEEDS TO TRAIN THEIR CHILDREN IN SCRIPTURE LEARNING AND SPEECH PRESENTATIONS. The value of this training is immeasurable. Vacation Bible School Clinics were held at Beverly Hills Baptist to train the leaders of the local churches. Susie Black of Pole Creek Church led this training with an excellent team.

The opportunities that the Lord provides through our Association and its people are tremendous. We need to take advantage of them as we learn to walk with the Lord daily. We look at the past to learn what has been done, and we look to the future with anticipation and hope knowing that it is God who gives all good and perfect gifts. Amen.

SUNDAY SCHOOL REPORT
OCTOBER 1996
Steve Ackerman, Director

As we move rapidly toward 2000, Sunday School continues to be the leading edge of evangelism and mission in most of our churches. Churches which do not have Brotherhood or WMU organizations in place look to Sunday School leadership to fill that void. While our avowed purpose is to help our churches effectively teach God's Word, we recognize the

great potential for crisis ministry each Sunday School class has. The ways of reaching out to potential Sunday School members is limited only by our love and commitment to the Great Commission. For example, I have counseled with several churches about the possibility of their sponsoring ministry to persons with AIDS, or with fire department and hospital personnel who are required to work on Sunday. Also, all "Sunday School" classes don't have to take place at 9:45 a.m. on Sunday morning. Thursday night Bible studies have been effectively implemented.

The ASSISTeam has received training this year at Ridgecrest and is committed to providing two training conferences teaching the "Toward 2000" materials, 9:00 a.m.- 1:00 p.m. on Saturday, September 28 and October 5, at Arden First and Newfound respectively. WE have added new leadership to our ASSISTeam this year and are available to the churches . . . we're here to ASSIST you!

WOMAN'S MISSIONARY UNION
OCTOBER 1996
Martha E. Hicks, Director

The WMU Theme for the year 1995-96 was "Risk the Journey." There have been some changes in our organizational structure south-wide. Baptist women and Baptist Young Women became one organization and is now called Women on Mission–and that's what we're all about–on mission for our Lord Jesus Christ. There are groups just as we have had before. Baptist Young Women can be a group now under Women on Missions. We are using "Missions Mosaic" magazine instead of "Royal Service." Essentially we are doing what we have been doing--just changes in terminology and more flexibility is encouraged thus meeting the needs of women and girls in better ways in the 90's. Instead of Baptist Women general meetings, there is a celebration event recommended for several times during the year–one a quarter is suggested. In our September Leader Training we went into detail on these changes. For additional help, please call on the WMU associational leadership team if you need us in any way.

Also in October we provided refreshments for the international students at Ridgecrest. There were 122 from colleges and universities in North Carolina.

On October 28 our Women on Mission Retreat was held at "The Cove." The theme was "Glimpses of Glory" taught by Esther Walker. Mrs. Walker who is an outstanding Bible teacher, used scripture passages from the Psalms.

November 6 was Baptist Women's World Day of Prayer in our churches by districts. There were 249 women present from 30 churches and the offering was $581.80 which goes to the work of the Baptist Women's Division of the Baptist World Alliance.

Our south-wide project for 95-96 was Project Help--AIDS and I trust that our people have become more aware of the needs of AIDS in our world today. Almost every church has

been touched, either directly or indirectly, by AIDS. We had an "AIDS Awareness" conference at the Resource Center on November 20 with Charles Reed of the Kings Mountain Association leading. He also spoke at our January quarterly meeting on "HIV/AIDS in the 90's--A Wake-Up Call" and "How the Church Can Respond to the AIDS Crisis." We are joining with church and community missions groups in this project effort. Our newest WMU associational group--the Baptist Nursing Fellowship--has been in charge of this project with Debbie Hill, President, leading. We will have an ongoing project for AIDS awareness and needs.

This past year we have had around 15 project groups; next year we will have 24 groups. They are Internationals, Prison Ministry (Women's), Juvenile Evaluation Center, County Fair, UNC-A Baptist Student Ministry, South Africa Partnership, Foster Grandparent Program, Broyhill Children's Homes, Baptist Maternity Home, Western Carolina Rescue Mission, Martha Home of the WCRM, Baptist Retirement Home and Rickman Nursing Center, Helpmate, Manna Bank, Bele Chere, Fruitland Student Wives, ABCCM and homeless shelter, AIDS, and child advocacy. The child advocacy project is the south-wide project for the coming year.

GA Missions Camp was held at Camp Truett with a good number attending.

We have had more involved in Mission Action/Personal Witnessing projects than ever before. We give God the praise and glory for this. In September, many of our ladies, along with the men, worked at the Mountain State Fair in the hospitality tent and the medical/disaster van. Many ladies furnished cakes, cookies, teddy bears for the children, medical kits for carnival workers and also money to buy prescriptions. We have been doing this for several years. It is a good experience. There were four booths with 12 people for four-hour sessions. Two meals were served. After breakfast on Sunday morning, there was a worship service or Bible teaching session with approximately 40 professions of faith. We praise God for this! In this effort each year, the WMU and Brotherhood join hands with church and community ministries in all of these activities.

Foreign and Home Mission studies were conducted in the churches in November and February. Weeks of Prayer for Foreign and Home Missions were observed and persons were encouraged to give to the Lottie Moon Christmas Offering for Foreign Missions and the Annie Armstrong Easter Offering for Home Missions.

In April, we had our WMU annual meeting. Our theme was "Risk the Journey" with Isaiah 42:16 (NIV) as scripture. Our speaker was Dr. Ellen Tabor, a registered nurse, who served with the Foreign Mission Board of the SBC for over 20 years. Presently, she serves as President of the Baptist Nursing Fellowship of North Carolina. Our Buncombe Baptist Nursing Fellowship was highlighted. Dr. Tabor promotes international missions by networking with nurses to assist them with activities to develop Baptist groups internationally. She also presents programs in churches and other organizations on missions--past, present, and future service. This was truly a great meeting.

In May, several of our WMU ladies met with SBC-WMU leader Laura Savage at Asheville First Baptist for a Women on Mission town meeting. She gave an update on WMU work in the associations and churches.

Our age-level organizations have had events during the year and the leadership team (council) has met quarterly for planning.

May God bless each one who has had a part in these activities and projects.

BROTHERHOOD REPORT
OCTOBER 1996
Wayne Higgins, Director

As we look back on the past year, we thank God and praise Him for the rewarding year which He gave to the Brotherhood of our association. The love and compassion of Christ has most definitely been shown to others through the ministry of our men and boys.

During the year our Association Brotherhood Council and RA Committee were busy planning, promoting and conducting many missions-related activities. Among the various projects were the following:

(1) The Council conducted 6 regular planning meetings during the year as well as several other special called meetings to discuss various mission projects. Included in the special meetings were those in connection with Habit for Humanity and fair mission projects which will be discussed later.

(2) The RA Committee also conducted several meetings to plan the projects for the RA program. Among the projects conducted by this group were the RA Car Competition, RA Track Meet and Missions Camp. These various projects will e discussed in more detail in the RA Report.

(3) The Mountain State Fair Missions Project continues to be the largest mission project conducted by our Association. This year, over 80,000 people attended the Fair which was held on September 4 to 8. The Lord continues to bless this missions effort as we have seen the ministry continue to expand and involve more volunteers and reach more individuals. We had more medical personnel involved this year than in previous years. There were many persons who made decisions for Christ. Through this project we are able to minister in a special way to the carnival workers. We were able to provide them with food, clothing, medical and dental care, hair cuts, a worship service on Sunday morning, care and concern; and most of all, the wonderful message of Christ. We praise God for this opportunity to share His love to people who normally get no attention and are felt to be second-class people.

(4) Again this year, we are working with Habitat for Humanity to building another home in Asheville. We are building the home in a partnership with the Mud Creek Association. This provides us a great opportunity for our two associations to work together, build and enhance relationships. Hopefully, we plan to have the home completed by the end of October this year. We encourage all men to involve themselves in this most-rewarding missions project.

(5) We experienced another good year with the Challenger basketball program.

(6) Many of our churches and men involved themselves in many other missions projects which included the rest area ministry, disaster relief, flea market ministry, overseas missions and various home mission projects

(7) On April 1, we held a Brotherhood breakfast at the Western Carolina Rescue Mission. During this meeting we were able to share information concerning many different missions opportunities available to the men and boys of our Association.

(8) During the year many of our men attended various Brotherhood related meetings and conferences including the board meetings of North Carolina Baptist Men, Regional Brotherhood meetings held in Asheville, and several training meetings.

(9) We were able to lead a session, during Home Missions Week at Ridgecrest in July, concerning medical missions. We were able to share about our ministry to the carnival workers at the Mountain State Fair. Also, we have been invited to lead another session concerning this same ministry in February 1997 at Caraway.

(10) On September 12, conducted our annual Brotherhood training, jointly with our Association WMU, at Calvary Church in Asheville.

We thank God for all of the wonderful things which happened last year and the large number of people involved in missions projects in our Association. With great excitement and anticipation, we look forward to the coming year. God will continue to provide us many opportunities to involve ourselves in ministry. I pray that each of us, as Baptist men and boys, will hear God's call and respond in a favorable manner.

MISSIONS CAMP 1996
Steve Harris, Camp Director
Edwina Messer and Libby Pierce, Co-Directors

God was glorified through Missions Camp held the latter part of July this year! 129 persons made the journey to Camp Truett in Hayesville, North Carolina, which is located in a peaceful setting in the magnificent mountains of western North Carolina. The staff was:

Director	Steve Harris
Co-Directors	Edwina Messer and Libby Pierce
Recreation	Libby Pierce
Assistant Recreation, Counselor	Jack Roberts
Camp Pastor, Bible Teacher Worship Leader	Stacey Harris
Assistant Worship Leader	Danny Hampton
Missionaries	Harriet Parker, Japan Peggy Clark, Mexico
Devotions Counselor	Phil Dillingham
Crafts	Sandra Harris
Assistant Crafts, Counselor	Dee Foreman
Nurse	Sandra Fisher
Lifeguards	Audrey Russell
Counselors	19

One of the advantages of children going to camp is that they have more time to consider spiritual concerns than they do at home with all their day-to-day activities. At camp, the previous teachings of parents, teachers and pastors serve as a solid foundation of learning upon which campers can build and truly hear the message of Christ from their camp leaders. It is at those times that the camper makes a decision regarding his/her relationship with Christ--a "teachable moment" occurs. This happened at camp this July. Fourteen campers received Christ as their Saviour, and fifty-one rededicated their lives to Him. We thank our Father in Heaven for that. Letters were mailed to all the pastors of these children telling of their decisions.

MEDIA-LIBRARY REPORT
OCTOBER 1996
Cathryn Kinser, Director

Media-Library work in the Buncombe Association has continued its upward spiral. The theme has been "Ministering to Preschoolers," and all the functions have been planned to assist the workers in using the media centers as resources for leading preschoolers.

Two of our librarians attended the Church Media Library National Seminar in Nashville, Tennessee, in February. Eight librarians in Buncombe Association went together to the state workshop at Caswell Assembly in May. Sandi Sprinkle again served as a conference leader and "Chuck" Sprinkle also served on staff.

The theme for 1996-97 will be "Media Libraries . . . Ministering to Children," and the Media-Library Committee will be careful to promote this. As always, we request your prayers and interest as we continue to expand the services of the Media-Library.

BUNCOMBE BAPTIST MINISTERS' CONFERENCE
OCTOBER 1996
Doug Ferguson, President

Where can the ministers of our association of churches find encouragement, fellowship, pertinent information, prayer, opportunities for worship with peers, and other desirables? Many of us are regular recipients of the influences and opportunities which are provided weekly through our ministers' conference. Most ministers sense their need for fellowship with others who can relate to their situations within the context of church vocation. Our conference provides a wonderful setting for that to take place.

Ministers need to have a community awareness and to be exposed to related organizations and services of our area. Furthermore, we need to see how our particular churches fit in the big picture of Baptist life. Our conference helps in those areas also.

Our hearts are stirred for our Lord each Monday morning as we sing, pray and year inspiring devotionals and programs. We hope to see more servants of our area churches become regular participants in this wonderful gathering.

Officers who will serve from October 1996 to April 1997 are:
President - Richard Odom
Vice - President - Charles Sams
Secretary-Treasurer - Frank HOpkins
Program Chairman - Earl Moseley
Music Director - Carson Moseley
Pianist - Martha hlcks
Assistant Pianist - Jack Roberts
Pastors' Seminar Leaders:
Jamie Johsnon, Lester Crayton, Charles Shelton

BIVOCATIONAL MINISTERS REPORT
OCTOBER 1996
Glenn Andrews, President

Bivocational ministers enjoy a unique calling from God. Besides administrating and motivating their called fellowships, they also labor in the work-a-day world. The challenges of such a calling, as you might imagine, are immense. Yet the blessings of a dual-role ministry are equally varied. While not everyone is called to such a diverse role as the bivocational, we, Buncombe Baptist Bivocationals, feel doubly blessed of God to serve Him in this way.

Nineteen ninety-six has been a great year for us. We had our first annual retired ministers and wives appreciation dinner early in the year. It was a great success! We have enjoyed great programs, warm fellowship, and good food each month at our meetings. We are pleased to announce that Dr. and Mrs. H. O. Hester will serve as membership outreach directors, with special emphasis on our retired ministers.

Pray for the bivocational ministers of our association that we will continue to grow in vision and number.

BAPTIST STUDENT UNION AND BAPTIST CAMPUS MINISTRY AT UNC-A
OCTOBER 1996
Joe David Fore, Campus Minister
Joy Jones, Associate

Baptist Campus Ministry and the work of Baptist Student Union continue to grow and do well at UNC-A. There is numerical growth but the most exciting part of our ministry is to witness the spiritual development and emotional maturity of our students. The UNC-A Baptist Student Union remained very active and experienced growth in several areas during the 1995-96 school year. Choosing the theme "Experiencing the Fullness of Life," the students focused on recognizing God's presence in all areas of life and learning what this means as they interact with others.

Our Monday lunch, provided graciously by the WMU groups of the churches, continues to be a special outreach. It is a "wouldn't miss it" regular part of the weekly schedule for a number of dorm students and commuters, and it provides them with fellowship and an event to which they can invite friends to introduce them to the Student Center and BSU.

The weekly meeting, Encounter, provided our students an opportunity for worship and Bible study led by students with occasional guest speakers. The topics included prayer, finding God's will, the Christian and the environment, depression--recognizing it in yourself and helping others, Christianity and other religions, and more. These weekly meetings provide students with an opportunity to develop their skills in leading Bible study or music, planning worship and personal growth experiences, and sharing with others. They also developed these skills as they led a weekend youth retreat in Franklin, spoke in churches, and led a program for senior adults at one church.

Two special events for churches included a Sunday afternoon visit by a senior high group from Black Mountain First Baptist Church for a program on college life and BSU and an associational-wide children's event on caring for God's earth.

The BSU involvement on campus was a focus during the year. Council members made an effort to become involved in campus life, promote campus events that they considered of value, and participated in joint efforts with other campus organizations. BSU sponsored a concert by Christian artist Gene Cotton in the fall and a drama presentation by WordPlay in the spring. In cooperation with the Presbyterian Campus Fellowship and United Methodist Campus Ministry, they sponsored worship opportunities on campus, a series on Women in Ministry during Women's history month, a mission trip to Washington, DC during January, and a poverty stimulation to raise awareness, compassion, and action in this area. The "care packages" which the WMU's help to provide for student health services continue to be appreciated and to let students know of our concern and presence.

A good number of students attended Fall Student Convention at Ridgecrest, the new council attended spring leadership conference, raised their summer mission's goal to $1,000 and reached it, and we have three students involved in student summer missions in local churches.

This year our ministry with international students was greatly increased. Six international students attended the fall conference for internationals at Ridgecrest sponsored by the NC Baptist Campus Ministry. During fall and spring breaks, with the assistance of a WMU group at Asheville First, meals and activities were provided for those students who could not go home. One young man from Africa was so excited to find the Baptist Student Center. "Spending so much time in a dorm room can become depressing," he said. "Here it is like a home environment, where I can come to be relaxed and renewed." He participated in the January mission trip, and is one of the students renting and caring for the student center during the summer.

Here is another interesting story related to involvement with internationals. After attending the international conference, a young lady from Columbia, South America, brought a friend

to Monday lunch. The friend, a member of a Baptist church in Raleigh, expressed thanks for "finding BSU," where she felt the same sense of fellowship, encouragement, and belonging that she had had at her church back home. These two girls and three young men represented BSU as a part of the cast of "Return to Bethlehem" sponsored by ABCCM at Christmas and continued to be involved in other ministries during the year.

The BSU is respected on the UNC-A campus and recognized as an organization of positive influence. Some examples of this are inviting the vice-chancellor for student affairs and his staff to a luncheon fall and spring semester and, as the Baptist Campus Minister, I meet with his staff on a consistent basis. We are very fortunate to have this close relationship with staff and faculty.

Joy and I are really excited and appreciative of the personal and spiritual growth experienced by the BSU community. An article and response by our BSU students published in is but a microcosm of the experienced growth (a copy is on file in the associational office.)

I continue to give thanks to Joy Jones, our BSU Associate Campus Minister, and the three volunteers Mark Davis, Randy Barnett and Eddie Morgan.

CHRISTIAN LIFE AND PUBLIC AFFAIRS COMMITTEE REPORT
OCTOBER 1996
Gail Harding, Chairperson

During this year we prepared 11 "Information from the Christian Life and Public Affairs Committee" "yellow sheets" for the monthly associational newsletter. We also made announcements at several Monday morning Ministers' Conferences concerning issues of immediate concern.

Two new state laws of interest to the Christian community demanded many hours of research and meetings.

The Abstinence Until Marriage Act requires that an abstinence-until-marriage curriculum be offered in our public schools. After much misinterpretation of the law, our local city and county school comprehensive sex ed program was modified to offer parents an abstinence-until-marriage curriculum (Day 1) or the comprehensive sex ed program (4 or 5 days, depending on grade). We met with Mr. Doug Jones, health coordinator, and purchased a copy of the existing curriculum and the modified version. We prepared a reference notebook containing the curriculum, state law, related correspondence and newspaper clippings. We spoke at the June 11 Buncombe County School Board hearing and the September 17 Asheville City School Board hearing on sex education.

The state also passed a law allowing the establishment of charter schools. We attended a seminar by the Department of Public Instruction and secured a copy of the law and detailed information on forming charter schools. These materials are available for your information.

We made available at the associational office voter mail-in registration forms and "Disney" boycott mail-in forms.

In March, we hosted a Family Policy Matters Seminar which was conducted by the North Carolina Family Policy Council.

We anticipate continued introduction of legislation at the national, state and local levels which will be of concern to the Christian community and which will require our attention, involvement and prayer.

ORDINATION COMMITTEE
OCTOBER 1996
Dan Robinson, Chairman

The ordination committee, composed of James Johnson, Charles Phillips, G. Hanford Hamby, Cecil Hopps, Gayle Brown, and chairman Dan Robinson, examined and recommended for ordination to the Gospel Ministry the following men:

Blair Waddell - December 18, 1995
Jamie Johnson - February 12, 1996
Randy Shepherd - February 12, 1996

The committee also prepared a pamphlet "Suggested Guidelines Leading to Ordination" to assist candidates and churches. These are available in the associational office.

COMMITTEE ON MULTI-ETHNIC CHRISTIAN FELLOWSHIP
OCTOBER 1996
Buddy Corbin, Chairman

The Multi-Ethnic Christian Fellowship Committee of the Buncombe Baptist Association was in full swing this past year. In concert with constitutional aim, "to enhance good will and harmony among all races and ethnic groups of our community . . . ," we led the churches of our community to worship and work. With an average attendance of 1,000 people nightly, churches from around the community worshipped the West Asheville Baptist church April 21-25. The principle preacher was Dr. William Augustus Jones from the Bethany Baptist Church, Brooklyn, New York. Joint choirs and multiple lay and clergy leaders guided the services. The financial support was provided by the churches of the Mud Creek and Buncombe Associations. We had over $3,000 left after expenses. (This money is proposed for us in future multi-ethnic projects.)

In the coming days, October 27-30, the General Baptist Convention will be gathering in Asheville for its annual meeting. Hopefully, a jointly sponsored Habitat for Humanity house will be complete, as a result of the labor and both Mud Creek and Buncombe Associations. Mr. Frank Marshall and Mr. Bobby Moffitt of our respective associations have given leadership to the completion of this home. I might add, the North Carolina

Baptist State Convention and the General Baptist Convention provided the financial support for this project. As a postscript--the recipient of the home is neither Anglo-American or African-American. The house was constructed for a person from the Ukraine.

The next issue before the Multi-Ethnic Committee is how to include more Hispanic persons in the work.

MEMBERSHIP COMMITTEE
OCTOBER 1996
Hilton Moore, Chairman

Vance Avenue Baptist Church in Black Mountain recently requested membership in Buncombe Baptist Association. This request was brought to each of the members of the membership committee, consisting of Nina Fisher, Brian Davis, James Walker, Steve Cobb and Hilton Moore. The committee unanimously recommends that Vance Avenue Baptist Church be admitted to Buncombe Baptist Association under the watchcare for a period of one year, beginning on October 16, 1996.

During the year, the committee will meet with the leadership of Vance Avenue Baptist Church to study their constitution and by-laws and to advise them of how the association works. If, at the end of the year, they still wish to be a member of the association, the committee will recommend them to be full members of Buncombe Baptist Association at the annual meeting in October 1997.

CHURCH/PASTOR/STAFF RELATIONS COMMITTEE
OCTOBER 1996
John Knight, Chairman

Upon request, the chairman and director of missions worked with one church for a period of time but full committee was not called upon.

EVANGELISM COMMITTEE REPORT
OCTOBER 1996
Mike Smith, Chairman

Nineteen ninety-six has been a good year for the evangelism committee of Buncombe Baptist Association. We have a very active committee and we meet on a regular basis at the resource center. Our meetings are on Mondays following the ministers' conference. Our attendance has been very good.

Early in the year, we began to pray about an emphasis on evangelism that would include all our 93 Buncombe Baptist churches--area-wide crusades or tent meetings. Early on, it seemed that all of the committee was leaning towards the tent meetings. We began to search for a speaker that would pull us together. We asked every committee member to pray about this matter and Dr. J. Harold Smith was suggested. Contact was made with him and he agreed to come.

Next, we contacted Ed Bullock of the North Carolina Baptist State Convention about the use of the tent for the dates the committee had selected. The tent was available and would need a crew to erect it, take it down, and move it to the next location. Julian Lanning, chairman of the Disaster Relief Committee of the association, responded to this need. Demonstration meetings on the "how to" of setting up and taking down the tent were attended. We also needed chairs, lighting systems, sound systems, stage or platform, rest rooms, advertising and publicity. Promotion was a big item.

Reverend Jerry Pereira, pastor of Swannanoa First Baptist Church, chaired the east meetings and Reverend Jack Roberts, pastor of Flat Creek Baptist Church, chaired the north meetings. They both did an excellent job and we really need to give credit to all area churches that supported and financed the meetings. Cooperation and harmony were very evident. They not only planned together, they also met and prayed together. This was a great experience for the churches to develop a new awareness of fellowship and concern for the lost in their communities. "To God be the Glory."

Music plays such an important part in all worship experiences and a tent meeting needs good music. We were blessed with plenty of very good talent. Scott Shields, Minister of Music at Woodland Hills Baptist Church, was the north area leader. Darren Dwyer, Minister of Music of Meadowbrook Free Will Baptist Church, was the east area leader. Both were excellent. Organ, piano, song sheets, special groups, choir and soloists were their responsibility.

Each area made a budget and asked all cooperating churches to support that budget. They raised the funds needed; and because of this, we were able to give the nightly offerings to the J. Harold Smith Radio Bible Hour. These funds helped that ministry preach the gospel to all the world. Praise God!

There is so much more to tell about these two events but space will not allow us to write a book. The Evangelism Committee of the Buncombe Baptist Association would like to say "Thank You" to everyone of you that had even a small part in this endeavor.

We will begin soon to plan for 1997. Pray for us that we can continue the fellowship and working together with all our sister churches of all denominations. We can reach the world for Jesus by the end of 2000.

ASSOCIATIONAL STRATEGY PLANNING REPORT
OCTOBER 1996
Ron Kiser, Chairman

I believe there are two passages from the book of Jeremiah that describe the work of Associational Strategy Planning. Jeremiah 6:16 declares, *"This is what the Lord says, Halt at the crossroads, look well, and ask yourselves: what path stood you in good stead long ago? Take that crossing, and you will find rest for your souls"* (Ronald Knox's translation). Jeremiah 31:21 declares *"you travel into exile, set up road signs pointing the way back to Israel. Mark the road well, for you shall return, O virgin Israel, to these cities here"* (The Living Bible). In times of transition, God's people always need two roads. It takes both old paths and newly blazed trails to lead us forward.

There are some "old paths" that the Associational Strategy Planning Committee seeks to help our Association stay on. The "old paths" of salvation by grace through faith, evangelism, congregational independence, cooperative missions, and church program organizations will always remain important to us. We would never recommend any ideas or practices that would divert us from these "old paths" that are tried and true.

But if we are to reach the lost generations of the twenty-first century, there are also some "new trails" we must blaze, as we move into the future. These "new trails" are reflected in the goals our Association adopted last year:

*To explore and expand new work
*To strengthen families
*To enlarge missions volunteerism
*To become a "user friendly association"
*To strengthen existing churches

During the past year, several "new trails" have been launched to enable us to achieve these goals. Working in conjunction with our other Associational committees and councils, the Associational Strategy Planning Committee has moved forward towards the achievement of these goals. In conjunction with the Personnel and Finance Committees, ASP has joined in the recommendation to make the Director of Congregational Development a full-time position. ASP has worked with the Association staff in promoting missions volunteerism, and in expanded contact with our churches to determine local church needs. The ASP committee is currently working with the Association staff, committees and council to develop a mission statement, and to evaluate our existing committee structure, so we might be a more "user friendly" association. In the coming year, we will explore ways of developing association ministries to help our churches strengthen families.

The Associational Strategy Planning Committee will continue its assignment of helping us remain on the "old path," even as we blaze "new trails."

AMERICAN BIBLE SOCIETY
Margaret Tiller, Associational Representative

The 1996 Bible Sunday theme was "Sharing the Good News with New Readers." If new readers had to depend on the KJV version of the scriptures only, they perhaps would not be able to understand the true meaning. An example: Psalm 119:130 KJV "The entrance of thy words giveth light; it giveth understanding unto the simple. The same verse in Contemporary English Version reads, "Understanding your Word brings light to the minds of ordinary people." The CEV is a newer translation and goes along with NIV, NAS, RSV and many others to make the scriptures understandable to millions. National Bible week was November 24 through December 1. You can call 1-800-478-6329 or FAX 212-408-1360 for free materials to have Bible Sunday in your church. It takes 4 to 6 weeks for arrival and this would be past the National Bible Sunday date, but you can observe Bible Sunday anytime. It will be good to focus on and bring God's Word to the forefront with our church congregations.

ABS has distributed over 6 billion scriptures in the US and throughout the world since it was founded in 1816. There are 2,123 portions, testaments, or complete Bibles in world languages ranging from Arabic to Vietnamese. We can all resolve to be volunteers for spreading God's Word. "An unread Bible is like refused food, an unopened love letter, a road map not studied, or a gold mine not worked.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Glenn Stroud, Associational Representative

Primed for excitement after three hours waiting under a bright summer sky, hundreds of spectators craned their necks and peered toward downtown Asheville June 26 when Michael Owen jogged into view--carrying the Olympic Torch on outstretched arm. Michael, one of 1,422 children Baptist Children's Homes served in 1995-96, lives at Broyhill Home in Clyde, one of 12 facilities BCH operates in North Carolina.

Smiling and waving to the crowds holding aloft tiny flags and cameras, Michael lifted the symbol of international unity and pointed to friends among those who lined the parade route. The entire Broyhill Home campus showed up, cheering wildly. They ate picnics at the end of Michael's route, and swarmed him when he passed the flame to the next carrier--a bicycle rider.

It could have been a family reunion, or a school scene, or a re-creation for a movie on family support. But Michael, and most of his supporters, are children who have suffered unspeakable abuses at the hands of adults they trusted to care for them. And the adults who waded into that mob scene of joy at the end of Michael's run are called of God to help young people like Michael and those who surrounded him deal with those issues, and to overcome them.

As a boy, Michael was so ashamed of his clothes he ran home from school, never stopping to make friends. Worse, he endured almost nightly beatings from his father. He was 11 years old before he realized other boys weren't beaten every night. Four years later he found the courage to tell his father he was leaving. "Go ahead, call someone," he yelled. "Leave." Michael left. After six months in emergency care at Mills Home in Thomasville, he established a more permanent residence at Broyhill Home. Slowly, quietly his emotions mounted within him until one night he erupted and spilled forth his story, the years of secrets and lies, to his child care worker, Betty Porter. "She stayed up with me and we talked a long time," Michael said. That was his first lesson in trust and unconditional love.

"Broyhill has changed my life so much," Michael said. "For almost a year I didn't trust anybody, but finally I felt a calmness I know was the Lord. Here I found the Lord and now I try to live every day for Him."

Michael's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic as a boy who grew from a punching bag to a torch bearer.

But at four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, more than 1,400 children and their families find help in a troubled time.

During the past year BCH received almost $1.5 million through the Cooperative Program, and $663,000 through the Thanksgiving Offering. Total church gifts of almost $3 million comprised 26.2 percent of BCH operating revenue.

BCH is in the midst of a $10.1 "Light Their Way" Campaign to raise money for operations, capital needs and endowment. At the halfway point in June, more than $5.4 million had been committed to BCH through the campaign.

Videos of the children's presentation at the 1995 State Baptist Convention are available by calling the communications office at (800) 476-3669. You can also ask for the latest videos to tell you about your ministry to children and families through the Baptist Children's Homes of North Carolina.

Although Michael carries many fond memories of Baptist Children's Homes with him as he heads for college this Fall, his earliest amazements were the secure sleep he got when he laid his head down, and of receiving his first pair of Nikes so he didn't have to be embarrassed by his appearance.

From, head to toe BCH cares for children and families. Thank you for helping to Light Their Way.

BAPTIST COLLEGE/UNIVERSITY REPORT
Ron Brown, Associational Representative

Since 1834 North Carolina Baptist Colleges and Universities have been privileges to have many splendid presidents. The current presidents are listed on this page. They were elected to take the lead in dreaming, shaping and managing Baptist higher education in North Carolina.

Norman A. Wiggins Campbell University	Stanley G. Lott Chowan College	M. Christopher White Gardner-Webb University
A. Max Lennon Mars Hill College	John E. Weems Meredith College	Jerry E. McGee Wingate University
	Thomas K. Hearn, Jr. Wake Forest University	

Two colleges, Mars Hill and Chowan, have new presidents. Let us introduce them to you.

Dr. A. Max Lennon was named president of Mars Hill College, effective March 1. Both he and Mrs. Lennon (Ruth Ann) are graduates of Mars Hill. Dr. Lennon brings a rich background in business and higher education to his new task. After earning the B.S. and Ph.D. degrees at North Carolina State University, he served in the administration of Texas Tech University, the University of Missouri, Ohio State University and Clemson University, where he was the president. He comes to Mars Hill from the presidency of Eastern Foods, Inc. in Atlanta, Georgia. Dr. Lennon, an active Baptist churchman, has been a member of the National Fellowship of Baptist Men. In Atlanta they were members of the First Baptist Church in Peachtree City, where he taught Sunday School and was a member of the strategic planning committee. He is on the board of directors of numerous corporations and foundations, among them First Union Corporation and Duke Power. In accepting the presidency of Mars Hill he said, "This is a wonderful opportunity to provide leadership for this college and boldly proclaim our faith in Jesus Christ."

Dr. Stanley G. Lott moved to North Carolina in July to become president of Chowan College. He comes from Louisiana College, a Baptist school, where he was vice president for academic affairs for 15 years. Earlier he has been a faculty member at Tift College in Georgia. Dr. Lott earned two doctorates, one in systematic theology from New Orleans Baptist Theological Seminary, and the other in higher education administration from the University of Georgia. An ordained Baptist minister, he has held two pastorates in Louisiana. Mercer University president Kirby Godsey said, "Stanley Lott is one of the finest educators and leaders in higher education today." Dr. and Mrs. Lott (Johnnye) were long-time active members of Emmanuel Baptist Church, near Louisiana College. Upon his election the new president said, "I look forward to joining hands with all who are part of Chowan College. I am also eager to join North Carolina Baptists in their efforts to spread the gospel and to preserve historic Baptist principles."

NORTH CAROLINA BAPTIST HOSPITALS, INC.
Robert Clayton, Associational Representative

DIVISION OF PASTORAL CARE:
--During this year the 18 to 40 chaplains present at various at the hospital made over 55,000 pastoral contacts.
--As of July 1, 1996, the counseling centers will be called CareNet, Inc., of The North Carolina Baptist Hospitals, Inc. Over 26,000 hours of counseling were provided through the eleven centers across the state of North Carolina. Two additional centers will open in the fall of this year.
--The Center for Congregational Health has, since inception in 1992, provided ministry at some level to over 225 North Carolina Baptist Churches.
--Mission dollars from the Cooperative Program enabled the above ministries to be carried out and to touch thousands of lives.

BAPTIST BENEVOLENT CARE FUND
North Carolina Baptists joined us in a mutual mission through the Mother's Day Offering. We channeled every penny of the MDO, which amounted to $461,647, to help patients who had no health-care insurance and no financial means to pay their hospital bills. We are grateful to everyone who made this ministry possible.

POINTS OF EMPHASIS AND PROGRESS
Financial Stewardship - The Medical Center is constantly seeking ways to lighten the financial burden of those who are ill. Recently the room rates were reduced by $50 per day.
Aegis - This is an alliance of primary-care clinicians who serve patients regardless of their medical plans or HMO/PPO affiliated. "Aegis" means protection or sponsorship. Aegis Family Health Centers is a network of primary care physicians affiliated with The Medical Center. It now has 33 providers in 10 practice sites.
Regional Integrated Information Network - RIDS is a regional computer network now in the pilot phases. The network allows providers in the region to exchange patient information electronically, saving time and money. RIDS is a plan which assists communities in our service area to develop a coordinated continuum of care. In this plan, primary care physicians, community hospitals, nursing homes and other patient care providers link their services with those of The Medical Center. The desired outcome is improved patient care and cost-effective services.
The J. Paul Sticht Center on Aging - The Center devotes itself to the special problems of older adults. When the center moves to its new home in 1996, its services will not only provide specialized health care but will also include a day care program for the elderly that will serve as a link between hospital and home, helping to reduce rates of rehospitalization and premature placement in nursing homes.

A CLOSING WORD
Since its founding in 1922, the Hospital has taken pride in our ministry for service. In doing so, we seek to make tomorrow's patient care and tomorrow's workplace constantly better. That has been our mission historically, and it continues to this day. I firmly believe that our best lies yet ahead, and I am committed to that reality.

NORTH CAROLINA BAPTIST RETIREMENT HOMES, INC.

Making Life for Older Adults . . . The Best of Times

The continuing goal of Baptist Retirement Homes is to provide more and better services for older adults. During 1996 several developments have moved us toward this goal.

Some new staff members have been added to help provide the kind of total care which residents need and deserve. Tanja Keay has been employed as Vice President of the Health Services. Paulette Richmond came as the new manager of the Hamilton Baptist Home. Carla Hyde was named director of the small group program for residents with dementia, a program designed to enhance their quality of life. Patricia Fling is the director of the In Home Care program which began a few months ago. Dr. Earl Watts, an Associate Professor at the Bowman Gray School of Medicine, is serving as the medical director for In Home Care.

Early in the year, renovation of the Hamilton Baptist Home was completed providing a more attractive and comfortable place for residents in that facility. The new Cecil and Gertrude Young Solarium at the Rickman Nursing Center in Asheville will provide space for the small group program for residents with dementia. At Brookridge, renovated space in the assisted living section, and named "Stokes Court," will house the new Assisted Independent Living Unit. A new passenger van will facilitate transportation for residents at the Taylor House in Albemarle as they attend church, keep appointments, go shopping, or participate in social recreational events.

During the year, Baptist Retirement Homes has provided assistance in the planning for Cliffwood, a new continuing care retirement community being built in Fayetteville. Two Fayetteville churches, first Baptist and Snyder Memorial Baptist, have formed a non-profit corporation to lead this project. A 27-acre site has been selected. Plans call for 205 independent living units, 20 beds in assisted living, and 20 beds in a nursing care unit. All units will be available on a rental basis with no entrance fees.

The James M. Hayes Society has been formed to recognize and thank those persons who remember the Baptist Retirement Homes in their estate planning. Thirty-three charter members constitute this group named in honor of the "Homes" founding superintendent.

Finally, we recognize with deep gratitude those North Carolina Baptists who gave through their churches to support the ministry during the past year. Through the cooperative program, the special February Offering, and other church gifts, the "Homes" received a total of $1,030,052 during the 12-month period ending September 30, 1995.

The trustees and staff are grateful to North Carolina Baptists for helping us to make life for older adults . . . **The Best of Times!**

THE BIBLICAL RECORDER
Wayne Bennett, Associational Representative

The headlines each day--Bosnia, Belfast, Saudi Arabia, taxes, school funding, presidential elections, etc.–often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing.

The Biblical Recorder attempts to tell the whole story--the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 163 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth. We live in an electronic media age where many think they have the answers to the issues but they do not because they do not read, only look and listen!

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better service the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder. Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1996-97 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.
Bill Horton, Associational Representative

In a recent survey released by the Family Research Council, 66% of those polled said that our country was headed down "the wrong track." When asked whether the nation's wrong direction could be attributed to the lack of jobs and economic health or a decline in moral values and family breakdown, over 60% indicated the latter. We at the Christian Action League agree that our state and nation need a restoration of biblical, moral and family values. In 1996 we were honored to assist communities in their battles for civic and moral righteousness and to promote laws in the General Assembly that have helped to restore family values to the State of North Carolina.

A. *Christian Values*
The Christian Action League joined with other Christian organizations to promote Christian Heritage Week in North Carolina, March 17-23. We experienced a wonderful week as presentations and commemorations were held in many churches, schools and communities across the state. The week culminated with an awards ceremony and reception for the winners of the statewide essay contest and their families. The League provided decorations and programs for the event and hosted the reception at the State Archives and History Building in Raleigh.

The League undertook a project in association with the American Rights Coalition to distribute thousands of copies of the Ten Commandments throughout North CArolina. To date, over 5,000 copies of the 11 x 14 prints have been distributed throughout the state to individuals and churches.

B. *Lottery*
We saw renewed efforts to push a lottery bill through the General Assembly for a statewide referendum. Representative Fitch introduced the two lottery bills: HB 6060 (Rules Committee) and HB 838 (JII Committee). The League actively lobbied against these bills and both bills died in their respective committees. North Carolina continues to be the largest state in the nation and the only state in the Bible belt with no state-sponsored gambling. Please keep us in prayer as the League faces this battle each year.

C. *Sex Education*
CAL actively lobbied for HB 834, Abstinence Until Marriage, a law that mandated that abstinence until marriage be the focus in sex education in North Carolina schools and was passed in the 1995 session. CAL and other pro-family, Christian organizations have been working with the Department of Public Instruction and State Board of Education in 1996 encouraging them to implement the law through abstinence-based curricula. We have also assisted communities in seeing that this law is properly implemented at the local level.

D. *Homosexuality*
CAL participated in efforts to get SB 1487 (No Same-Sex Marriage) passed during the short session of the General Assembly. The bill passed both houses and became law.

Alerted our members in the Winston-Salem area about the Family March on June 30 and encouraged them to notify their churches to participate. This march was in response to the homosexual community march held in that city. The Family March attendance was estimated at 8,000.

E. *Abortion*
The League actively supported Representative Decker's HB 624, a Woman's Right to Know. This bill would have required the doctor to share vital information with the patient about the risks of abortion and would require a 24-hour waiting period. We were disappointed that the bill did not pass this session; however, we will work for its passage again next session.

F. *Alcohol*
CAL assisted several communities in setting up an organization to combat liquor referendums.

My friends, we are living in times when the Christian community needs to exercise spiritual discernment and stand strong for Biblical principles that further righteousness, strengthen families and bless our state and nation. We are grateful to God for the prayer and financial support that the League received from the churches of your association that allow us to be on the front lines in this spiritual warfare.

HIGHLIGHTS FROM THE FOREIGN MISSION BOARD
Fall 1996

As in all past years, our Lord has abundantly blessed the work of the Foreign Mission Board through countless ways. We wish to thank all Southern Baptists for their roles which undergird the FMB. Without the concerted, cooperative effort of all Southern Baptist churches, the work and mission of the FMB would be only a shadow of its present position.

We are distinctly privileged to follow our Lord's command found in the Great Commission. Each year brings us closer to taking the gospel to al nations (best rendered as ethno-linguistic people groups).

The following annual growth levels reflect the combined reports from all foreign mission points as of the start of this year:

--A record number of newly constituted churches: 2,612
--Total number of countries where missionaries reside: 131
--Total number of baptisms overseas: 287,806
--Number of new people groups touched by the gospel: 41
--Baptisms among least-reached peoples: 6,548
--Total number of missionaries: 4,129
--Total number of short-term volunteers: Over 15,000
--Total number of newly appointed missionaries: 544
--Record amount of Lottie Moon Offering: $89.9 million
--Increase in enrollment in discipleship programs: 74%
--Number of new cities opened to the gospel: 528

Southern Baptists support the Foreign Mission Board in multiple ways:
Daily prayer assistance tops the list. Likewise, sacrificial giving through the Cooperative Program and the Lottie Moon Christmas Offering have provided innumerable opportunities to spread the gospel. As missionaries preached, taught, healed and counseled, you were there. The Foreign Mission Board counts it an honor to partner with you to spread the Good News of Jesus Christ to every shore.

HOME MISSION BOARD HIGHLIGHTS
1995 Annual Report

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1995, there were 4,857 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also has endorsed more than 2,400 chaplains who are serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. Nearly 2,300 Mission Service Corps volunteers are serving on home mission fields. During the year there were 1,458 church starts, the second highest number in 10 years. Southern Baptist churches baptized 393,811 people in 1995, an increase of nearly 15,000 over 1994.

Approximately half of the HMB's support comes from the annual Annie Armstrong Easter Offering for Home Missions. In 1995, gifts to the offering totaled $38,908,339, the largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1996 Annie Armstrong Easter Offering goal is $42 million. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1995:

ASSOCIATIONAL BOARD MEETING, APRIL 15, 1996, WEST ASHEVILLE BAPTIST CHURCH

James Lamb, Moderator, presided. Minutes were approved as printed on page 12 and 13 in the "Book of Reports." Howard Candler, Treasurer, was recognized to give the financial report. He referred to the report, dated March 31, 1996, as printed on page 16 in the "Book of Reports."

Gayle Brown, Director of Missions, called attention to the reports of the staff directors on pages 1-3 in the "Book of Reports." He thanked Buddy Corbin, pastor of Calvary Baptist Church and other Buncombe Baptists, who worked so diligently for twenty-four months on the upcoming Multi-Ethnic Crusade.

OLD BUSINESS: Glenn Stroud, chairman of the Properties Committee, brought a recommendation from the committee that the property owned by Mrs. McAllister be pursued to see if it can be purchased for use as a storage facility. If her property cannot be purchased, then the committee would look at the possibility of building a new storage building.

Curtis Richardson, our associational coordinator for the five-year partnership with South Africa updated us on the project. The association in South Africa needs to make formal requests for ministries/mission teams which would be processed through the mission board there, then through the Baptist State Convention in Cary and on to us. At this time, there has been no formal request. The survey team visited South Africa in March 1996 to share what possibilities we, as North Carolina Baptists, could do. There are 18 areas, such as evangelistic teams, construction teams, etc. in which we can assist. Our main assistance would be in the form of personnel and not necessarily funds. In the future, after a formal request is received we can then make these needs known to our churches who will then begin recruiting teams and setting dates for missions trips. Cost of the trip should be approximately $2,000.

Betty Ferrell has been recommended to serve as chairperson of the "New Century" Committee. Shirley McIntosh will be working with her. A list of 25 names has been submitted to Betty and Shirley from which they will choose 13 to serve as other committee members.

NEW BUSINESS: A list of WMU officers to be elected for the new year was presented with one correction, Marie Clontz would serve as coordinator of the "Foster Grandparent" program instead of the "Tutoring Program."

Gayle handed out a copy of the "Preliminary Objectives and Recommendations" from the Associational Strategy Planning Committee and briefly spoke to each one.

On behalf of the Personnel and Finance Committees, Gayle presented the following recommendation: As a result of the recommendations made by the Associational Strategy Planning Committee and approved by the Buncombe Baptist Association in annual session October 10, 1995, we recommend that:
(1) The position of Church Development (or under a new title) be upgraded to a full-time position with salary, housing allowance, insurance, and all fringe benefits beginning January 1, 1997.
(2) That additional (new funding) for the position $15,000-$20,000 be added to the present $20,000 budgeted amount.
(3) That the Buncombe Baptist Association Finance Committee discover and implement all options in securing the needed additional funding for the full-time position.
(4) That the Finance Committee look to the Personnel Committee for recommendations for suggested increases for all associational staff.

Seconded by Buddy Corbin, this recommendation was unanimously approved.

Charles Kiser, a member of the associational Finance Committee, stated that the finance committee has been exploring new ways to generate funds to continue the work of the association and to help finances in local churches. An area that has proved to be very effective is charitable giving. The following recommendation was presented:
(1) Explore areas of financial support to the Buncombe Baptist Association in terms of planned giving.
(2) That the Endowment Committee work closely, and in cooperation, with the North Carolina Baptist Foundation in formulating a plan of action for such giving to Buncombe Baptist Churches and the Buncombe Baptist Association.
(3) The moderator appoint this committee of nine members and three members rotate off each year at annual session of the Buncombe Baptist Association.

Seconded by Howard Candler, this recommendation was unanimously approved.

Coy Jeans, Western Area Manager of the North Carolina Baptist Foundation, spoke to the recommendation. He shared that we have a excellent opportunity to increase giving by total Christian estate planning--planned giving and endowment funds; that is, planning how to pass on an individual's estate to family, causes or concerns. We, as an association and individual churches, have not tapped this source of funds that could enhance the scope of our missions and ministries. He prepared a brochure that was given to those present.

There were no other items of business. Stanley Taylor dismissed the meeting with prayer.

EXECUTIVE COMMITTEE MEETING, MONDAY, JUNE 17, 1996, 11:15 A.M. BAPTIST RESOURCE CENTER

Those present were Gayle Brown, Fred Werhan, Cecil Fox, Julian Lanning, James Lamb, Mike Smith, Martha Hicks, Howard Candler, Glenn Stroud, Ron Kiser, Bill Carpenter, Earl Moseley, Barbara Wright, Clarence Vassar, Roy Denton, Bart Hildreth and Nancy Owen.

James Lamb, Moderator, presided. Prayer requests were shared and Ron Kiser led in prayer.

Gayle shared with the group that changes are taking place in the Convention and that means that Buncombe Baptists will need to change. Where will we be in the new century, just four years around the corner? How can we help our churches, how can we partner together and do what God wants us to do in our association?

Dee Foreman, Director of Church Development, will be retiring January 1, 1997. In the Associational Board meeting on April 15, 1996, a recommendation was approved concerning this job (explanation is given in the Associational Board minutes). A copy of the proposed job description was handed out to those present (A copy is available in the associational office). The Board also approved the establishment of an Endowment Committee (explanation is also given in the Associational Board minutes).

The Moderator announced the following persons to serve on the Search Committee: Larry Sprinkle, chairman, Hatcher Elliott, Margaret Stamey, Glenn Andrews, Glenn Stroud, Mary Eisenhauer (Personnel Committee representative) and James Lamb, Moderator. Motion was made by Clarence Vassar, seconded by Mike Smith and unanimously approved.

An item of new business was introduced. In light of all the church burnings taking place all over the country, how should we, as Buncombe Baptists, respond? Recommendation was made that Gayle contact the Metrolina Association in Charlotte and the Wilmington Association in Wilmington to see that assistance could be provided the churches burned in their areas. It was also suggested that we call the Baptist Men office at the state convention to see what efforts were planned on that level. Another suggestion was that we contact those churches in our area who have not yet been affected to see what sort of assistance we could provide now. Sunday, July 14, was recommended as a "Day of Prayer and Reconciliation." Some churches may choose to take up an offering. Seconded by Julian Lanning, it was unanimously approved.

There being no further business, James Lamb dismissed with prayer.

Respectfully submitted,
Nancy Owen, Clerk

ASSOCIATIONAL BOARD MEETING, JULY 22, 1996, WEST ASHEVILLE BAPTIST CHURCH

Ron Kiser, Vice-Moderator, presided. Howard Candler, Treasurer, was recognized to give the financial report. He referred to the report, dated June 30, 1996, printed on page 16 in the "Book of Reports."

Mr. Kiser called attention to the reports of the staff directors printed on pages 1-5 in the "Book of Reports." He also referred to the minutes of the last Associational Board Meeting and asked for any questions or corrections to them. There were none.

OLD BUSINESS: In the absence of Glenn Stroud, chairman of the Properties Committee, Gayle Brown brought a report from that committee. The committee is looking at several areas of work at the Resource Center:

(1) Carpet needs to be cleaned, walls in the entrance and the worship center wing need to be painted.

(2) Wood on the window casings in the front of the building is cracking. Two persons have given an estimate on this work which may cost approximately $1,000.

(3) Window casings in the back of the building are also cracking and turning dark, due to a water drainage problem. Ken Murphy of Murphy Construction has suggested that drainage lines be dug to provide proper runoff.

(4) Additional storage is very much a need. There is a piece of adjoining property with a shell of a house on it. If the property became available for sale, this committee would probably recommend that it be purchased. The house could be remodeled to make it suitable for additional storage.

Gayle gave an update on the North Carolina/South Africa Partnership. There are about 7 or 8 people in our association interested in going to South Africa. Plans need to be made now if anyone wants to go in 1997. The cost will be under $2,000. The people in South Africa will be sharing with us later about their specific needs.

James Lamb shared information about the "New Century" Committee. Betty Ferrell has agreed to serve as chairman of this committee. Shirley McIntosh will help her. Contacts with persons to complete this committee have not been finalized.

NEW BUSINESS: James Lamb, in the absence of Larry Sprinkle, chairman of the Search Committee, gave the report for this committee. Persons serving on this committee are Hatcher Elliott, Margaret Stamey, Glenn Andrews, Glenn Stroud, Mary Eisenhauer (personnel committee representative) and James Lamb, Moderator. The committee has met several times to determine how to advertise for the new position vacated by Dee Foreman's retirement and to receive resumes until August 31, 1996 in order to have a recommendation by the annual meeting in October. Information about the new position was sent to the Biblical Recorder, Baptist State Convention, and the seminaries. To date, fourteen resumes have been received.

In an effort to enhance debt retirement of the Resource Center, Gayle reported that Coy Mehaffey, a member of West Asheville Baptist Church, will be serving as chairman of the business division of the Buncombe Baptist Resource Center. Kyle Carver, a member of Newfound Baptist Church and member of the associational Finance Committee, was recognized to bring a recommendation from the Finance Committee that the Buncombe Baptist Association affirm the project of having an association-wide auction sometime in 1997-98 to help reduce the Resource Center debt retirement of $163,000. No second was required. Kyle recognized Pat Sluder who gave some information about preparing for the auction. The motion passed unanimously.

Motion to adjourn was made by Mike Smith and Ron Kiser led in the closing prayer.

Respectfully submitted,
Nancy Owen, Clerk

Prayer requests were shared and Ron Kiser led in prayer.

Gayle commented that this past year could be characterized as one of changes. This was evident in the fact that there had been several retirements and resignations from our churches. He reminded the committee of the upcoming 115th annual meeting scheduled for Monday, October 14, at Edgewood Baptist Church at 6:30 p.m. and on Tuesday, October 15, at Beverly Hills Baptist Church beginning at 5:30 p.m. for light refreshments. Roy Denton, chairman of the Finance Committee, gave an overview of the 1997 budget. He stated that the overall increase was 10.91%. He made a motion that the proposed budget be approved. Clarence Vassar seconded the motion. The vote to adopt the proposed 1997 budget was unanimous.

There being no old nor new business, a motion to adjourn the meeting was made by Julian Lanning. Buddy Corbin dismissed the group with prayer.

Respectfully submitted,

Nancy Owen, Clerk

Gayle Brown, Director of Missions, recognized the following pastors and staff who had come into the association since the last annual meeting: John Wren, pastor, Woodland Hills; Mark Moore, associate youth and recreation, Beaverdam; Dan Strand, pastor, Emmanuel Baptist Fellowship; Rex Collins, pastor, New Salem; Randy Melton, pastor, Reed Memorial; Kristen Johnson, interim music director, Hominy; Scott Lynch, pastor, Enka; Gail Coulter, assistant pastor and minister of older adults, Asheville First Baptist.

Reverend Aubrey Folk, Director of the Baptist Maternity Home in Asheville, speaking for convention agencies and institutions, shared the scripture verse Ephesians 5:18. The Lord has given us tremendous opportunities to serve him through many different ways as North Carolina Baptists. Every step of the way our prayers, love, and offerings have been at work in many lives.

Curtis Richardson brought an update of the five-year North Carolina/South Africa partnership. A mission trip is planned in April to the Eastern Province Baptist Association. The two requests are for an adult literacy trainer and a team of 8 to 10 to do construction work. There will also be opportunities for evangelism and discipleship. We can participate in one of three ways: go, give, and pray. An offering was taken for this partnership. Ron Kiser led the offertory prayer.

Ronnie Owen introduced Dr. Charles Chaney, Vice-President in the Extension Department of the Home Mission Board. to bring our evening message. Before Dr. Chaney spoke, Terry Spivey sang "He Touched Me."

Using the scripture passage Isaiah 54:1-5, his message was entitled "Start Something New"--a church growth project in which every church can become involved. The challenge is to start at least one church growth structure in the next two years--new Sunday School Class, mission Sunday School, second worship service, mission congregation, deaf ministry, or Bible Study group in homes. Churches grow as they create new structures.

The three major points of the message were: (1) **History**. In May 1792, the Particular Baptist Society for the Propagation of the Gospel (later changed to the Baptist Missionary Society) was organized. William Carey preached the associational sermon using Isaiah 54:2-3. From that sermon came the infamous statement "Attempt great things for God, expect great things from God." (2) **Exposition:** Five injunctions are given 1. Enlarge your tents, 2. Stretch your tent curtains wide, 3. Do not hold back, 4. Lengthen your cords, and 5. Strengthen your stakes. There are

other commands and promises given in these verses. (3.) **Exhortation:** 1. Anticipate something better, 2. Expect things to be different, 3. Time to attempt something great, 4. Hang on to what is sure--God and His Word, and 5. Give it all you've got.

The second session of the 115th Annual Meeting was held at the Beverly Hills Baptist Church at 6:30 p.m. Opening hymn "All Hail the Power of Jesus' Name" was led by David Hightower, minister of music at Beverly Hills. Dr. John Wren, pastor of Woodland Hills read selected scripture passages magnifying the "Name of Jesus." Ron Kiser, Vice-Moderator, opened the second session. Randy Melton, pastor of Reed Memorial, led in prayer. A welcome was extended to the messengers by Tim Lolley, pastor of Beverly Hills.

Visitors recognized were Reginald Gilmore from the Baptist Children's Homes and John Dwyer from the Baptist Retirement Home.

Stanley Taylor, chairman of the Committee on Committees gave that committee's report (as printed on pages 18-23 of the "Book of Reports." Vote to accept the report was unanimous. Bill Carpenter, chairman of the Nominations Committee, gave that committee's report. Nomination for moderator was Jimmy Sides, pastor of Newbridge. Recommendation was accepted unanimously. Nomination for vice-moderator was Bill Higgins, pastor of Sunrise. He was elected by acclamation. The committee's full report (as printed on pages 24-28 of the "Book of Reports.") was accepted unanimously.

Gayle recognized our moderator, James Lamb, and asked the people to stand and express thanks to him for his faithfulness and leadership for the past two years.

David Hightower then led the congregation in singing the hymn "Worthy of Worship."

The financial report (printed on pages 92-95) was given by Howard Candler, treasurer. Lee Roy Denton, chairman of the Finance Committee, moved the adoption of the 1997 budget (printed pages 97-99). The total proposed budget increase is between 10 and 11%. The increase is due to the creation of the new full-time position, raised staff members' salaries, and repair work that needs to be done at the Resource Center. The motion was approved.

Ron Kiser, chairman of the Associational Strategy Planning Committee, shared that the committee has focused on two of the five objectives adopted at last year's annual meeting, becoming a "user friendly association and strengthening existing churches. The committee is in the process of (1) developing a new mission statement, (2) looking at construction of committee and council structure, and developing a new task force MOST "Ministerial Orientation and Support Team."

James Lamb, updated us on the "New Century" Committee which was appointed to work with the Order of Business committee in planning and presenting a program of challenge and inspiration as we close the 1990's and being a new century. This will be held in conjunction with the 1999 annual associational meeting. The theme will

be "Looking Back and Looking Ahead." Betty Ferrell will chair this committee. Other members of the committee are: Shirley McIntosh, Carol Dalton, Don Welborn, Ken Sausedo, Norma Melton, Wayne Higgins, and members of the Historical Committee, Martha Hicks, Eloise Roberson, Dot Creasman, Evelyn Cannon and Joan Anderson.

Larry Sprinkle, chairman of the Search Committee, was recognized to share the work of this committee. Other committee members are: Hatcher Elliott, Margaret Stamey, Glenn Andrews, Glenn Stroud, Mary Eisenhauer (Personnel Committee representative) and James Lamb, *ex officio*. The committee was appointed to find a Director of Congregational Development. They have received 40 resumes, have met weekly and weeded that down to 12. One person has been interviewed. Mr. Sprinkle requested prayer for the committee.

Ron Brown, chairman of the Place and Preacher Committee, recommended that the 1997 Annual Meeting be held on Monday evening, October 13, 1997 at First Baptist Church, Swannanoa and on Tuesday evening, October 14, 1997, at Biltmore Baptist Church. Preacher for the annual sermon would be Reverend Jerry Pereira, pastor of Swannanoa First, and alternate would be Doug Ferguson, pastor of Pole Creek. The vote was unanimous.

Hilton Moore, chairman of the Membership Committee, recommended that the Vance Avenue Baptist Church in Black Mountain be admitted to Buncombe Baptist Association under the watchcare for a period of one year; and at the 1997 associational meeting they be voted into full membership of the Association. The vote was unanimous to accept this recommendation.

Bart Hildreth, chairman of the Resolutions Committee, moved the adoption of a Resolution of Appreciation (printed at the end of the proceedings) to host churches and annual meeting program participants. The resolution passed

Gretchen Corbitt shared with us the importance of the Cooperative Program. Buddy Corbin shared that the State Missions offering had fallen short of the $2 million goal, only about $800,000 has been received. Because the churches on the east coast are helping He urged that we encourage our churches to give more so we can reach this goal. Tim Lolley led us in singing the hymn "Serve the Lord with Gladness."

Earl Moseley, chairman of the Memorial Committee, led the memorial service remembering the 299 people who had died since our last meeting. Included in this number were 4 pastors, 1 staff, 11 deacons, 2 charter members (both from Grace Baptist), 1 trustee, and 1 pastor's wife. He moved that the 1996 associational annual be dedicated to the pastors and staff person: Reverend John Corbitt and Reverend Alden Angline, Asheville First Baptist, Reverend Alforner "Al" Jones, Merrimon Avenue, Dr. Spurgeon Paschall and Reverend R. N. Shuford, West Asheville.

James Lamb introduced the speaker for the evening, Reverend Steve Cobb, pastor of Macedonia Baptist Church. The adult choir from Beverly Hills sang "Midnight Cry." His scripture was Acts 14:8-18. He pointed out some truths about what we, as Christians, can do to handle our humanity. (1) Admit it to ourselves, (2) Acknowledge to others, and (3) Apply it to gospel. We can join with Paul and Barnabas and say we, too, are only human; but we have a message from God--there is redemption for human beings through Jesus Christ and all the glory belongs to him.

Charlie Sams, pastor of Starnes Cove Baptist Church, led the prayer of benediction. The postlude "Near the Cross" was played by Marcia Blaine and Wayne Figart.

A RESOLUTION OF APPRECIATION

October 7, 1996

To: Board of Directors
Buncombe Baptist Association

We have reviewed the financial records of the Buncombe Baptist Association for the period January 1, to December 31, 1995.

We compared the funds received according to the receipt book with the funds deposited according to the bank and reported in the financial report. We found all three records to agree.

We also compared the total disbursements as reported by the bank with the totals reported in the books and on the financial report. We found them to be in agreement.

We compared the checks written for payroll with the amounts reported on the financial report and found them to agree.

We did not compare the items of expenditures on the financial report with the corresponding item on the budget.

Subject to the above paragraph, we found nothing to take an exception to in regards to the financial report and the books.

Sincerely,

L. Dean Gunter
